EXPLANATION

10 The inclusion of this explanation does not constitute agreement with  
11 the explanation's substance by the members of the general assembly.

12 Current law provides for enhanced criminal penalties for  
13 assaults against persons engaged in certain occupations. These  
14 occupations include peace officers, jailers, correctional  
15 staff, members or employees of the board of parole, health  
16 care providers, employees of the department of human services,  
17 employees of the department of revenue, and fire fighters,  
18 whether paid or volunteer.

19 The bill defines a person engaged in one of these occupations  
20 as a member of a protected occupation. The bill further  
21 provides that an operator of a motor vehicle providing transit  
22 services as part of a public transit system is a member of a  
23 protected occupation, but only while the operator is engaged  
24 in the performance of the operator's official duties and  
25 is clearly identifiable as the operator of a motor vehicle  
26 providing transit services as part of a public transit system.  
27 The bill establishes the same enhanced penalties for an assault  
28 against an operator of a motor vehicle providing transit  
29 services as part of a public transit system that current law  
30 establishes for an assault against a member of one of the  
31 existing protected occupations.

32 The bill provides that if a person assaults an operator  
33 of a motor vehicle providing transit services as part of a  
34 public transit system with the intent to inflict serious injury  
35 or while using or displaying a dangerous weapon, that person

1 commits a class "D" felony. A class "D" felony is punishable  
2 by confinement for no more than five years and a fine of  
3 at least \$750 but not more than \$7,500 as provided in Code  
4 section 902.9. The assault would otherwise be punishable as an  
5 aggravated misdemeanor as provided in Code section 708.2.

6 The bill also provides that if a person assaults an operator  
7 of a motor vehicle providing transit services as part of a  
8 public transit system and causes bodily injury or mental  
9 illness, that person commits an aggravated misdemeanor. An  
10 aggravated misdemeanor is punishable by confinement for no more  
11 than two years and a fine of at least \$625 but not more than  
12 \$6,250 as provided in Code section 903.1. The assault would  
13 otherwise be punishable as a serious misdemeanor as provided  
14 in Code section 708.2.

15 The bill further provides that if the person commits any  
16 other type of assault against an operator of a motor vehicle  
17 providing transit services as part of a public transit  
18 system, that person commits a serious misdemeanor. A serious  
19 misdemeanor is punishable by confinement for no more than one  
20 year and a fine of at least \$315 but not more than \$1,875 as  
21 provided in Code section 903.1. The assault would otherwise be  
22 punishable as a simple misdemeanor as provided in Code section  
23 708.2.
