24 accounts within the fund, shall submit an annual report to the
25 governor and the general assembly regarding the status of the

29 Sec. 213. NEW SECTION. 135.176 **Medical residency training**
30 **state matching grants program.**

31 1. The department shall establish a medical residency
32 training state matching grants program to provide matching
33 state funding to sponsors of accredited graduate medical
34 education residency programs in this state to establish,
35 expand, or support medical residency training programs.

1 Funding for the program may be provided through the health
2 care workforce shortage fund or the medical residency training
3 account created in section 135.175. For the purposes of this
4 section, unless the context otherwise requires, "accredited"
5 means a graduate medical education program approved by the

11 medical residency training programs. For the purposes of
12 this paragraph, "new or alternative campus accredited medical
13 residency training program" means a program that is accredited
14 by a recognized entity approved for such purpose by the
15 accreditation council for graduate medical education or the
16 American osteopathic association with the exception that
17 a new medical residency training program that, by reason
18 of an insufficient period of operation is not eligible for
19 accreditation on or before the date of submission of an
20 application for a grant, may be deemed accredited if the
21 accreditation council for graduate medical education or the
22 American osteopathic association finds, after consultation with
23 the appropriate accreditation entity, that there is reasonable
24 assurance that the program will meet the accreditation
25 standards of the entity prior to the date of graduation of the
26 initial class in the program.

27 *b.* The provision of new residency positions within existing
28 accredited medical residency or fellowship training programs.

29 *c.* The funding of residency positions which are in excess of
30 the federal residency cap. For the purposes of this paragraph,

32 position for which no federal Medicare funding is available
33 because the residency position is a position beyond the cap for
34 residency positions established by the federal Balanced Budget
35 Act of 1997, Pub. L. No. 105-33.

1 2. The department shall adopt rules pursuant to chapter 17A
2 to provide for all of the following:

3 a. Eligibility requirements for and qualifications
4 of a sponsor of an accredited graduate medical education
5 residency program to receive a grant. The requirements and
6 qualifications shall include but are not limited to all of the
7 following:

8 (1) Only a sponsor that establishes a dedicated fund to
9 support a residency program that meets the specifications of
10 this section shall be eligible to receive a matching grant. A
11 sponsor funding residency positions in excess of the federal
12 residency cap, as defined in subsection 1, paragraph "c",
13 exclusive of funds provided under the medical residency
14 training state matching grants program established in this
15 section, is deemed to have satisfied this requirement and
16 shall be eligible for a matching grant equal to the amount of
17 funds expended for such residency positions, subject to the
18 limitation on the maximum award of grant funds specified in
19 paragraph "e".

20 (2) A sponsor shall demonstrate, through documented
21 financial information as prescribed by rule of the department,
22 that funds have been reserved and will be expended by the
23 sponsor in the amount required to provide matching funds for
24 each residency proposed in the request for state matching
25 funds.

27 as prescribed by rule of the department, a need for such
28 residency program in the state.

29 b. The application process for the grant.

30 c. Criteria for preference in awarding of the grants,
31 including preference in the residency specialty.

32 d. Determination of the amount of a grant. The total amount
33 of a grant awarded to a sponsor shall be limited to no more
34 than twenty-five percent of the amount that the sponsor has
35 demonstrated through documented financial information has been

1 reserved and will be expended by the sponsor for each residency
2 sponsored for the purpose of the residency program.

3 e. The maximum award of grant funds to a particular
4 individual sponsor per year. An individual sponsor shall not
5 receive more than twenty-five percent of the state matching
6 funds available each year to support the program. However,
7 if less than ninety-five percent of the available funds has
8 been awarded in a given year, a sponsor may receive more than
9 twenty-five percent of the state matching funds available
10 if total funds awarded do not exceed ninety-five percent of
11 the available funds. If more than one sponsor meets the
12 requirements of this section and has established, expanded,
13 or supported a graduate medical residency training program,
14 as specified in subsection 1, in excess of the sponsor's
15 twenty-five percent maximum share of state matching funds, the
16 state matching funds shall be divided proportionately among
17 such sponsors.

18 f. Use of the funds awarded. Funds may be used to pay the
19 costs of establishing, expanding, or supporting an accredited
20 graduate medical education program as specified in this
21 section, including but not limited to the costs associated with
22 residency stipends and physician faculty stipends.

33 providing mental health services on addressing Iowa's shortage
34 of mental health professionals.

35 2. The program shall provide for all of the following:

1 *a.* Collaboration with a hospital serving a thirteen-county

31 the clinical partners.

32 *f.* The state and private entity clinical partners shall
33 regularly evaluate and document their experiences with the
34 approaches utilized and outcomes achieved by the program
35 to identify an optimal model for operating the program.

1 The evaluation process shall include but is not limited
2 to identifying ways the program's clinical and training
3 components could be modified to facilitate other student and
4 practicing physician assistants specializing as mental health
5 professionals.

6 3. This section is repealed June 30, 2016.

23 assets transferred by the individual or the individual's
24 spouse on or after the look-back date specified in 42
25 U.S.C. §1396p(c)(1)(B)(i), divided by the average monthly

27 Iowa at the time of application. The services for which
28 noninstitutionalized individuals shall be made ineligible
29 shall include any long-term care services for which medical

31 17A.4, the department may adopt rules providing a period of
32 ineligibility for medical assistance due to a transfer of
33 assets by a noninstitutionalized individual or the spouse of a

EXPLANATION

18 The inclusion of this explanation does not constitute agreement with
19 the explanation's substance by the members of the general assembly.

20 This bill contains statutory corrections that adjust
21 language to reflect current practices, insert earlier
22 omissions, delete redundancies and inaccuracies, delete
23 temporary language, resolve inconsistencies and conflicts,
24 update ongoing provisions, or remove ambiguities. The Code
25 sections amended include the following:

26 DIVISION I: Section 8A.315: Adds an internal reference to
27 subsection 2, paragraph "e", to reflect the addition of a new
28 exception to requirements for purchase of recycled printing and
29 writing paper by 2014 Iowa Acts, ch. 1036, §6.

30 Section 8A.504: Replaces the word "it" with the words "the
31 public agency" in language regarding information pertaining to
32 the names of certain persons forwarded to the department of
33 administrative services or other collection entity by public
34 agencies which are owed or which owe a debt.

35 Sections 12B.10, 12B.10C, 490.1302, 502A.4, and 551A.4:

1 Updates United State code references to the federal Investment
2 Company and Investment Advisor Acts of 1940 to reflect the
3 current codification of the provisions of those Acts in
4 provisions relating to regulation of public funds and business
5 entities, and business opportunity promotions.

6 Section 13.2: Strikes the word "including" and adds the word
7 "amount" to simplify the language of a series pertaining to
8 reports by the attorney general regarding receipts generated
9 from settlements or judgments in excess of \$250,000 in certain
10 legal proceedings.

11 Section 13.32: Adds a comma to correct a series pertaining
12 to the victim assistance program. The word "such" is also
13 stricken and the word "expenses" is added to conform language
14 relating to payments for travel by contractors to similar
15 earlier language regarding payments for travel by employees of
16 the department of justice.

17 Section 13C.1: Adds a lead-in paragraph to a general
18 definitions section for the chapter regarding organizations
19 that solicit public donations to conform the format of the
20 section to other general definitions sections in the Code.

21 Sections 15.105 and 303.4: Adds language citing the
22 provision in which the congressional districts are established
23 to provisions relating to appointment of members by
24 congressional district to the board of the economic development
25 authority and the board of trustees of the state historical
26 society. Because the number of congressional districts has
27 changed in the past, adding a reference to Code section 40.1 in
28 these locations would help raise awareness of the impact that
29 changes to Code section 40.1 has on the membership of these two
30 boards.

31 Section 15.294: Strikes, effective June 30, 2021, a
32 provision requiring the brownfield redevelopment council to
33 consider and make recommendations regarding applications for
34 certain tax credits to reflect the repeal of those tax credits
35 effective on that same date.

1 Section 15.333: Changes the applicability of a definition
2 of the phrase "new investment directly related to new jobs
3 created by the project" to reflect the use of the phrase
4 elsewhere in the Code section, not just in the subsection.

5 Section 16.1A: Changes a reference to the guiding
6 principles pertaining to housing to a reference to all of the
7 guiding principles pertaining to programs administered by the
8 Iowa finance authority in language relating to administration
9 of all of the programs by the authority.

10 Section 16.2A: Conforms references to the board of the title
11 guaranty division to changes made to similar references in this
12 section by 2014 Iowa Acts, ch. 1080, and adds the words "title
13 guaranty" to more clearly distinguish the board from other
14 boards within the Iowa finance authority.

15 Section 16.2B: Conforms language relating to assistance
16 provided by the agricultural development division of the Iowa
17 finance authority to qualified persons to obtain agricultural
18 assets transfer tax credits to prefatory language requiring

21 minority group representation applies to the voting membership
22 of the council on homelessness, not to the members themselves.

23 Section 16.7: Standardizes and updates the format used to
24 describe the annual report of the Iowa finance authority.

25 Section 16.16: Corrects an internal reference from a
26 reference to a nonexistent part to a reference to part 9 of
27 subchapter X, which contains the Iowa jobs program. The
28 language contained in this provision was previously contained
29 in former Code section 16.197 and that language referred to
30 duties relating to the Iowa jobs program, which is contained
31 in part 9.

32 Section 16.17: Moves a reference to chapter 17A to an
33 initial general requirement for rules adoption by the Iowa
34 finance authority, standardizes language relating to rules
35 regarding definitions, and substitutes "the authority" for the

1 word "it" to clarify that the authority is the entity with
2 discretion regarding rules adoption.

3 Section 16.26: Strikes the words "bond anticipation" before
4 the word "notes" to clarify the meaning of language describing
5 how bond anticipation notes are issued.

6 Section 16.27A: Adds a comma to an apparent series in
7 language relating to the Iowa finance authority's powers
8 relating to loans.

9 Sections 16.50, 422.11D, 422.33, 422.60, and 432.12A:
10 Replaces a citation to Code section 404A.2 with a citation
11 to Code chapter 404A in language relating to eligibility of
12 projects for historic preservation and cultural entertainment
13 district tax credits to reflect the possibility that a project
14 may qualify for more than one of the types of tax credits under
15 the provisions of Code chapter 404A.

16 Section 16.59: Restructures language to clarify the
17 applicability and determination of low or moderate net worth
18 requirements for persons and entities before those persons
19 and entities are eligible to receive special agricultural
20 development financing from the Iowa finance authority.

21 Section 16.64: Adds language relating to the publication
22 of notice of intention to issue bonds or notes and moves
23 language that establishes a cutoff for actions challenging the
24 legality of the bonds or notes based on the publication of that
25 notice in this provision regarding issuance of those financial
26 instruments by the Iowa finance authority.

30 definition of the term "loan".

31 Section 16.78: Adds language directing the reader to
32 the Code section that contains the method for determining a
33 qualified beginning farmer's low or moderate net worth to
34 language that describes the manner in which the Iowa finance
35 authority must administer the beginning farmer tax credit

1 program.

2 Section 16.92: Strikes the words "Iowa finance" from before
3 a reference to the authority to conform to the use of the term
4 "authority" that is defined in Code section 16.1.

5 Section 17A.5: Numbers and renumbers language in this
6 paragraph to separate language relating to when a rule becomes
7 effective from language relating to contests regarding the
8 effective date of a rule. The language that is placed in
9 its own subparagraph appears by its own words to apply to
10 the entirety of the paragraph and not just to the former
11 subparagraph to which it currently is attached.

12 Section 28M.7: Changes "government" to "governmental"
13 in references to certain public entities to conform to the
14 definition of the term "governmental entity" in Code section
15 28M.1, the general definitions section for this chapter
16 relating to regional transit districts.

17 Section 29B.116: Moves the phrase "subject to section
18 29B.116A" in this language relating to conduct subject to
19 military courts-martial to clarify that the phrase "though not
20 specifically mentioned in this code" applies to the conduct and
21 not to Code section 29B.116A.

22 Section 29B.116B: Supplies the missing word "been" in
23 language relating to the annual adjutant general's report
24 on the number of offenses committed by members of the
25 military that have been reported to civilian law enforcement
26 authorities.

27 Section 43.16: Numbers and letters unnumbered paragraphs
28 and clarifies language describing the time frame of a
29 candidate's death or withdrawal which causes the name of the
30 candidate to be omitted from the certificate furnished by the
31 state commissioner of elections and from the primary election
32 ballot.

33 Section 68A.405: Adds the words "or electronic" to language
34 defining the term "published material" to conform to the
35 addition of "internet site" to the list of materials as well as

1 language relating to the use of television, video, or motion
2 picture advertising in public political advertising.

3 Section 80B.5: Replaces the word "it" with the words "the
4 academy" to clarify language describing the employment of
5 Iowa law enforcement academy staff pursuant to the Iowa merit
6 system.

7 Section 96.9: Combines language describing the investment
8 of funds in the unemployment trust fund in certain marketable
9 classes of securities, that currently appears after a colon,
10 with language which appears before the colon that describes the
11 circumstances under which that investment would occur.

12 Section 96.14: Updates a United States Code citation to a
13 provision from the federal Bankruptcy Act of 1898 to reflect
14 the current location of that codified content.

15 Section 96.20: Changes the word "Act" to "chapter" in
16 language describing wages covered under Iowa's unemployment

19 Section 99.27: Replaces the word "herein" with a specific
20 reference to the Code section in which "nuisance" is defined,
21 replaces the word "said" with the word "the", and adds in the
22 word "mulct" before the word "tax" to clarify the meaning
23 of this provision relating to taxes on premises in which
24 a nuisance is maintained or which are used for houses of
25 prostitution or for illegal gambling.

26 Section 105.18: Strikes the words "perform" and "of"
27 to clarify language describing the type of work which an
28 individual who holds either a master or journeyperson
29 mechanical or HVAC-refrigeration license may perform and not be
30 required to obtain a special electrician's license.

31 Section 123.5: With the exception of one sentence which is
32 added to Code section 123.11, combines language from current
33 Code sections 123.6, 123.7, and 123.12, which are repealed
34 later in this division of this bill, with the language in this
35 Code section to consolidate the language pertaining to the

1 creation and membership of the alcoholic beverages commission
2 into a single Code section.

3 Section 123.11: Combines two sentences currently contained
4 in Code section 123.6, relating to payment of expenses and
5 compensation to members of the commission, with the language of
6 this Code section relating to payment of expenses and salaries
7 of commission members and employees of the alcoholic beverages
8 division.

9 Section 123.17 and 123.45: Moves language prohibiting
10 members of the alcoholic beverages commission members and
11 employees of the division of alcoholic beverages from having
12 financial interests in the manufacture, sale, or purchase of
13 alcoholic liquor, wine, or beer that is currently contained
14 in Code section 123.45 to Code section 123.17, which contains
15 other prohibitions relating to commission members and
16 employees, reformats the language in Code section 123.17
17 relating to prohibited conduct, and changes a reference to
18 "law" with a specific cite to the Code chapter relating to
19 removal from office. Code section 123.45 is also reformatted
20 to enumerate the limitations on business interests that
21 are placed on persons who are engaged in the business of
22 manufacture, bottling, or wholesaling of alcoholic beverages,
23 wine, or beer, and to set out the exceptions and penalties that
24 apply.

25 Section 123.70: Replaces the words "in this chapter" with
26 the reference to the specific Code section that contains
27 the definition of "bootlegger" in this provision regarding
28 injunctions that may issue to restrain persons from engaging in
29 bootlegging activities.

30 Sections 123.83, 123.84, and 123.85: Adds language and

32 filing and trials of and judgment and appeals in actions to
33 forfeit an abatement bond because of a nuisance maintained on
34 premises covered by the bond.

35 Section 123.88: Adds language after the term "nuisance" to

1 link the term to the Code section which establishes the meaning
2 of the term for purposes of proceedings to abate the nuisance.

3 Sections 123.122, 123.123, 123.143, 123.171, and 123.172:
4 Changes the word "division" to "subchapter" to distinguish uses
5 of the term to refer to subunits of Code chapter 123 from uses
6 within Code chapter 123 of the defined term "division" that are
7 intended to refer to the alcoholic beverages division of the
8 department of commerce.

9 Section 124.401: Strikes a paragraph, effective July
10 1, 2017, permitting the recommendation, possession, use,
11 dispensing, delivery, transport, or administration of
12 cannabidiol if done in accordance with Code chapter 124D. Code
13 chapter 124D is repealed effective July 1, 2017.

14 Section 124D.4: Changes the word "card" to "cards" to
15 conform to the language of subsections 1 and 3 of Code section
16 124D.4, which indicates the issuance of multiple cards.

17 Section 135.173A: Updates references to the current
18 entities that currently carry out the duties and
19 responsibilities formerly carried out by the early childhood
20 Iowa council and the community empowerment office of the
21 department of management. A Code section reference relating to
22 the strategic plan of the former early childhood Iowa council
23 is also updated to refer to the current strategic plan being
24 used for comprehensive early childhood services in this state.

25 Section 135C.33: Adds the missing word "adult" in language
26 relating to one of the forms of abuse for which criminal record
27 checks are performed as part of preemployment screening for
28 positions in health care facilities.

29 Section 144.43: Renumbers language relating to
30 confidentiality and inspection of vital records to more closely
31 conform the initial numbering of the language to the structure
32 of the unnumbered paragraphs prior to the renumbering of this
33 section in 2009 Iowa Acts, ch. 41, §194.

34 Sections 147.1 and 147.86: Strikes redundant language
35 relating to the Code chapters which succeed this first Code

1 chapter in subtitle 3, relating to health-related professions,
2 within title IV, entitled public health, of the Code, so that
3 the remaining language refers to "this subtitle".

4 Section 157.1: Changes the word "licensed" to "operated",
5 making this definition of the term "schools of cosmetology
6 arts and sciences" similar to the definition of "school of
7 barbering" in Code chapter 158, to conform the language of the
8 definition to the use of the term in Code section 157.8, which
9 prohibits any school of cosmetology from operating unless the
10 owner obtains a license issued by the department.

11 Section 159.1: Strikes three definitions pertaining to
12 agricultural drainage wells from the general definitions
13 section for the Code chapter relating to the department
14 of agriculture. The regulatory provisions pertaining to
15 agricultural drainage wells were transferred from Code chapter
16 159 to Code chapter 460 in 2002 as the result of the passage
17 of 2002 Iowa Acts, ch. 1137, and the defined terms no longer
18 appear anywhere in Code chapter 159. Although the term
19 "agricultural drainage well" is used three times in the Code
20 title relating to agriculture, it is used only in the two
21 chapters to which this definition's section does not apply.

22 Section 172A.10: Adds the words "obtain or" before the

27 Section 197.1: Numbers unnumbered paragraphs to facilitate

33 the United States Code relating to unsafe new animal drugs
34 under the federal Food, Drug, and Cosmetic Act to the correct
35 citation.

1 Section 206.24: Strikes an outdated deadline for initiation
2 of a program of education and demonstration in agricultural use
3 of fertilizers and pesticides.

4 Section 206.32: Strikes a 1989 deadline after which the
5 sale, purchase, application, or use of chlordane is prohibited.
6 The strike of the deadline does not affect the prohibition.

7 Section 215.23: Conforms a term referring to a commercial
8 weighing and measure device to the term as defined in Code
9 section 215.26 and corrects the name of the publication from
10 the United State national institute of standards and technology
11 in this provision relating to licensing of servicers of those
12 devices.

13 Section 215.24: Strikes the words "of agriculture and land
14 stewardship" after the word "department", because "department"
15 is defined in Code section 215.26 to mean department of
16 agriculture and land stewardship, and standardizes language
17 relating to the adoption of rules to match language used in
18 Code chapter 17A in this provision relating to adoption of
19 rules by the department.

20 Section 218.95: Strikes references to four Code chapters
21 in this provision that establishes updates and parallel
22 terminology for various Code chapters pertaining to persons
23 with mental health issues because the outdated terminology no
24 longer appears in any of the four Code chapters.

25 Section 229.26: Strikes the words "or an intellectual
26 disability" in language regarding involuntary hospitalization
27 to reflect the removal of procedures for involuntary
28 hospitalization for persons with intellectual disabilities only
29 by 2013 Iowa Acts, ch. 130.

30 Section 230.11: Adds language relating to payment to
31 counties by the department of human services for mental health
32 services to conform to similar language added to Code section
33 222.69 by 2012 Iowa Acts, ch. 1120, §84.

34 Section 231D.16: Strikes two outdated deadlines for
35 compliance of certain adult day services programs with the

1 accreditation requirements of Code chapter 231D.

2 Section 231E.13: Strikes language requiring the department
3 of human services to notify the Code editor regarding
4 implementation of Code chapter 231E, regarding the substitution
5 decision maker Act. The department notified the Code editor
6 regarding initial implementation of the Act in 2007.

7 Section 232.46: Splits language relating to the separate
8 terms and conditions of consent decrees in juvenile delinquency
9 proceedings to conform to the content of similar language in
10 Code section 232.29, subsection 2, and Code section 232.52,
11 subsection 2, paragraph "a", subparagraphs (1) and (2).

12 Sections 232.125 and 232.178: Conforms the language of

14 relating to a family in need of assistance and for voluntary
15 placement proceedings to each other and to similar language in
16 Code sections 232.36 and 232.111. In Code section 232.178,
17 additional petition contents are also set out in a lettered
18 list to enumerate the contents in a manner similar to that of
19 Code section 232.111.

20 Section 235B.4: Numbers unnumbered paragraphs to facilitate
21 citation and modifies an internal string reference to clearly
22 include the last Code section cited within the string in
23 language relating to the purposes of the central registry for
24 dependent adult abuse information. The last Code section cited
25 in the Code section string relates to registry reports.

26 Section 235F.1: Adds the verb "exists" after the word
27 "potential" to grammatically complete the sentence describing
28 forms of financial dangers that would constitute a "present
29 danger of elder abuse" in this definition of that term.

30 Section 235F.5: Rewrites prefatory language, to improve
31 readability, that describes how allegations of elder abuse
32 may be established at a hearing on a petition making the
33 allegations.

34 Section 235F.6: Rewrites language, to improve readability,
35 that describes content that cannot be included in dispositional

1 court orders entered after hearing on petitions alleging elder
2 abuse as described under Code chapter 235F.

3 Section 235F.8: Adds the words "the vulnerable elder"
4 before the words "leaving the vulnerable elder's home" in
5 language describing general procedure in elder abuse cases to
6 account for the fact that a petitioner under Code chapter 235F
7 may not be the affected vulnerable elder.

8 Section 237A.30: Restores, retroactive to July 1, 2010,
9 changes originally made by 2010 Iowa Acts, ch. 1031, §302,
10 which were inadvertently overwritten when a change from §358
11 of that same Act, with an effective date of July 1, 2011, was
12 applied to this provision regarding a voluntary quality rating
13 system for providers at child care facilities.

14 Sections 256.2 and 256.7: Moves a definition of the term
15 "telecommunications" from a provision within the Code section
16 describing the duties of the state board of education to
17 the general definitions Code section for this Code chapter
18 pertaining to the department of education because the current
19 definition applies to all of Code chapter 256.

20 Section 256B.2: Includes in the defined term of "children
21 requiring special education" children who might be excluded
22 because they have exceeded the maximum age for eligibility
23 during an academic year within the definition of the term. The
24 language is currently contained within the provision regarding
25 children requiring special education, but is not included
26 within the defined term.

27 Section 256F.2: Strikes a definition of the term "area
28 education agency board" from the general definitions Code
29 section in this Code chapter relating to charter schools and
30 innovation zone schools because the defined term is not used in
31 Code chapter 256F.

32 Sections 260C.58 and 262.49: Sets out in an enumerated
33 list language, which currently appears after a colon within a
34 paragraph, that describes the revenue sources from which bonds
35 or notes of community colleges and regents institutions are

1 payable.

10 as referred to later in this section.

11 Section 262A.2: Conforms the internal hierarchy of a Code
12 subsection defining what constitutes student fees and charges
13 for purposes of the issuance of revenue bonds by the board of
14 regents to the hierarchy used in other Code subsections.

15 Section 263.8: Numbers unnumbered paragraphs to facilitate
16 citation, adds language specifying the name of the laboratory
17 which is referenced, and standardizes language relating to
18 adoption of rules in this provision relating to reports and
19 tests performed by the state hygienic laboratory.

20 Section 321.19: Restructures this provision to enumerate
21 the vehicles which are exempt from payment of vehicle
22 registration fees and the persons to whom are issued, upon
23 application, distinguishing plates for the exempted vehicles.

24 Section 321.34: Adds an internal reference to paragraph
25 "c" of subsection 20C to language describing the subsection
26 paragraphs that pertain to distinguishing processed emblems for
27 vehicle registration plates, changes the word "and" to "or"
28 to clarify that two types of emblems are under consideration,
29 and reenacts language that was inadvertently omitted from
30 subsection 27 as enacted by 2014 Acts, ch. 1116, §28, after the
31 legislation was passed by the general assembly and before it
32 was sent to the office of the governor.

33 Section 321.59: Replaces a reference to "any such"
34 application in language relating to certificates issued to
35 motor vehicle dealers, transporters, and new motor vehicle

1 wholesalers with a specific reference to the application
2 specified in Code section 321.58. The addition of the language
3 will facilitate hypertext linkage between the two Code
4 sections.

5 Section 321.154: Replaces a reference to "said" report with
6 language specifying that the report referenced is the county
7 treasurer's report under Code section 321.153. The addition of
8 the language will facilitate hypertext linkage between the two
9 Code sections.

10 Section 321.191: Replaces a reference to "double/triple"
11 trailer endorsement with "double or triple" trailer endorsement
12 to conform to the current Code style for references to both
13 inclusive and exclusive alternatives.

14 Section 321.198: Strikes the word "such" and replaces
15 "above described" military personnel with a specific reference
16 to subsection 1, in which the types of military personnel
17 covered are described, to update the language of this provision
