EXPLANATION

5 The inclusion of this explanation does not constitute agreement with
6 the explanation's substance by the members of the general assembly.

7 Under Code section 321.187, two types of entities can be
8 authorized by the department of transportation (DOT) to act as
9 third-party commercial driver's license testers: community
10 colleges established under Code chapter 260C and Iowa-based
11 motor carriers.

12 This bill amends Code section 321.187 to allow any entity
13 to be authorized by the DOT to act as a third-party commercial
14 driver's license tester if the entity has its principal place
15 of business in Iowa and it operates a permanent commercial
16 driver training or testing facility in Iowa. The bill also
17 allows a third-party tester to charge a fee to a license
18 applicant for the driving skills test administered by the
19 tester. In addition, the bill strikes a provision requiring
20 DOT examiners to wear an identifying badge and uniform provided
21 by the DOT.

22 When Code section 321.187 was amended in 2014 to authorize
23 third-party testers, the general assembly included a future
24 repeal date of July 1, 2019, for the amendments. The bill
25 repeals that future repeal provision.
