EXPLANATION

9 The inclusion of this explanation does not constitute agreement with
10 the explanation's substance by the members of the general assembly.

11 This bill provides a property tax exemption for property
12 located within a city and certified as an urban farm by a
13 city council pursuant to an ordinance. The property must be
14 owned by or leased to a nonprofit entity which must use the
15 property to produce food for distribution to a food bank or
16 emergency feeding organization recognized by the department
17 of revenue. A lease must be for at least five years and the
18 exemption applies until the lease expires or until the property
19 is decertified. A lease may be renewed or extended and, if
20 the property is still eligible, the exemption continues. The
21 ordinance may provide that upon decertification, the exemption
22 is disallowed and the amount of the property taxes that had
23 been exempted shall be entered against the property on the tax
24 list for the current year.
