EXPLANATION

35 The inclusion of this explanation does not constitute agreement with

1 the explanation's substance by the members of the general assembly.

2 This bill relates to governmental ethics and the regulation
3 of lobbyists and gifts.

4 Currently, the definition of "lobbyist" includes eight
5 exceptions. One of the exceptions provides that a person is
6 not a lobbyist if the person is an individual who is a member,
7 director, trustee, officer, or committee member of a business,
8 trade, labor, farm, professional, religious, education, or
9 charitable association, foundation, or organization who either
10 is not paid compensation or is not specifically designated as
11 a lobbyist. The bill, in order for the exception to apply,
12 requires the person to both not be paid compensation and not be
13 specifically designated as a lobbyist.

14 The bill amends two exceptions to the gift law by eliminating
15 wording redundancies.
