A BILL FOR

1 An Act relating to the school start date and including
2 effective date provisions.
3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

3 1. The school year for each school district and accredited
4 nonpublic school shall begin on July 1 and the school calendar
5 shall begin no sooner than August 23 and no later than the
6 first Monday in December. If, however, August 23 falls on
7 a Thursday or Friday, the school calendar may begin on the
8 preceding Wednesday. The school calendar shall include not
9 less than one hundred eighty days or one thousand eighty
10 hours of instruction during the calendar year. The board
11 of directors of a school district and the authorities in
12 charge of an accredited nonpublic school shall determine the
13 school start date for the school calendar in accordance with
14 this subsection and shall set the number of days or hours of
15 required attendance for the school year as provided in section
16 299.1, subsection 2, but the board of directors of a school
17 district shall hold a public hearing on any proposed school
18 calendar prior to adopting the school calendar. If the board
19 of directors of a district or the authorities in charge of an
20 accredited nonpublic school extends the school calendar because
21 inclement weather caused the school district or accredited
22 nonpublic school to temporarily close during the regular school
23 calendar, the school district or accredited nonpublic school
24 may excuse a graduating senior who has met district or school
25 requirements for graduation from attendance during the extended
26 school calendar. A school corporation may begin employment
27 of personnel for in-service training and development purposes
28 before the date to begin elementary and secondary school.
