4 1. A person shall not loiter, or place or cause to be placed  
5 any obstruction as discussed in section 318.3, on the traveled

EXPLANATION

35 The inclusion of this explanation does not constitute agreement with

1           the explanation's substance by the members of the general assembly.

2       Under current law, a person is prohibited from placing  
3 an obstruction in the highway right-of-way, including the  
4 traveled portion of the roadway. A person who violates this  
5 provision is subject to an injunction and guilty of creating a  
6 public nuisance, an aggravated misdemeanor. Any obstruction  
7 is subject to removal.

8       This bill prohibits a person from loitering, or placing or  
9 causing to be placed any obstruction, on the traveled portion  
10 of the right-of-way of a highway with a speed limit of 55 miles  
11 per hour or more with the intention of blocking the normal and  
12 reasonable movement of motor vehicle traffic.

13       A person who commits a first violation of the provisions  
14 of the bill is guilty of a serious misdemeanor punishable  
15 by imprisonment not to exceed one year and a fine of at  
16 least \$315 but not to exceed \$1,875. A person who commits a  
17 second violation of the provisions of the bill is guilty of  
18 an aggravated misdemeanor punishable by imprisonment not to  
19 exceed two years and a fine of at least \$625 but not to exceed  
20 \$6,250. A person who commits a third or subsequent violation  
21 of the provisions of the bill is guilty of a class "D" felony  
22 punishable by imprisonment not to exceed five years and a  
23 fine of at least \$750 but not to exceed \$7,500. A punishment  
24 imposed under the bill is in lieu of any punishment imposed  
25 for creating a public nuisance under current law. To the  
26 extent practicable, a court may order that the obstruction be  
27 abated or removed at the expense of the person. The costs for  
28 abatement or removal of the obstruction may be entered as a  
29 personal judgment against the person or assessed against the  
30 property where the obstruction occurred, or both.

31       The person is subject to prosecution by the county attorney  
32 in the county where the highway is located. However, if the  
33 county attorney fails to initiate prosecution within 30 days,  
34 the attorney general may initiate and carry out the prosecution  
35 in cooperation, if possible, with the county attorney.
