a. The plan used under subsection 1 shall be selected by the board or by a special election as provided in section 331.207. A plan selected by the board shall remain in effect for at least six years ~~unless it is~~ and shall only be changed by a special election as provided in section 331.207.

Sec. 2. Section 331.207, subsection 1, Code 2018, is amended to read as follows:

1. The board of a county that elects supervisors under either plan "one" or plan "two" as each plan is defined in section 331.206, upon petition of the number of eligible electors of the county as specified in section 331.306, shall call a special election to be held for the purpose of selecting one of the supervisor representation plans specified in section 331.206 under which the board of supervisors shall be elected. However, for a county that elects supervisors under plan "two", the only supervisor representation plans that can be selected pursuant to the special election shall be either plan "two" or plan "three".

DIVISION II

COUNTY SUPERVISOR REPRESENTATION DISTRICTING PLANS

Sec. 3. Section 68B.32A, subsection 16, Code 2018, is amended to read as follows:

16. Establish an expedited procedure for reviewing complaints forwarded by the state commissioner of elections to the board for a determination as to whether a supervisor district plan adopted pursuant to section 331.210A that differs from a supervisor district plan prepared by the legislative services agency was drawn for improper political reasons as described in section 42.4, subsection 5. The expedited procedure shall be substantially similar to the process used for other complaints filed with the board except that the

1 provisions of [section 68B.32D](#) shall not apply.

2 Sec. 4. Section 331.209, subsection 4, Code 2018, is amended  
3 to read as follows:

4 4. Each temporary county redistricting commission shall  
5 notify the state commissioner of elections when the boundaries  
6 of supervisor districts are changed, shall provide a map  
7 delineating the new boundary lines, and shall certify to  
8 the state commissioner of elections the populations of the  
9 new supervisor districts as determined under the latest  
10 federal decennial census. Upon failure of a temporary county  
11 redistricting commission to make the required changes by  
12 the dates specified by [this section](#) and [sections 331.203](#)  
13 and [331.204](#) as determined by the state commissioner of  
14 elections, the state commissioner of elections shall make or  
15 cause to be made the necessary changes as soon as possible,  
16 and shall assess to the county the expenses incurred in so  
17 doing. ~~The~~ Except for a representation plan drawn pursuant  
18 to section 331.210A, subsection 2, paragraph "f", the state  
19 commissioner of elections may request the services of personnel  
20 and materials available to the legislative services agency  
21 to assist the state commissioner in making required changes  
22 in supervisor district boundaries which become the state  
23 commissioner's responsibility.

24 Sec. 5. Section 331.210A, subsection 2, paragraph f,  
25 subparagraph (1), Code 2018, is amended to read as follows:

26 (1) (a) ~~Notwithstanding the provisions of this section~~  
27 ~~to the contrary, for~~ For purposes of this paragraph "f",  
28 "qualifying county" means a county with a population of sixty  
29 thousand or more based on the most recent federal decennial  
30 census that elects supervisors under plan "three" as defined  
31 in section 331.206, or a county with a population of one  
32 hundred eighty thousand or more that has adopted a charter for  
33 a city-county consolidated form of government or a community  
34 commonwealth form of government and which charter provides for  
35 representation by districts.

1 (b) Notwithstanding any provision of this section to the  
2 contrary, for a qualifying county, the legislative services  
3 agency, and not the temporary county redistricting commission,  
4 shall draw a representation plan as provided by paragraph "a"  
5 pursuant to a contract executed with the county.

6 (c) A county subject to the requirements of this paragraph  
7 "f" shall notify the state commissioner of elections that a  
8 representation plan to be drawn pursuant to this paragraph  
9 "f" is required and shall submit to the state commissioner  
10 of elections the precinct plan to be used to draw the  
11 representation plan. Upon notification and submission of a  
12 precinct plan, the state commissioner of elections shall review  
13 and approve the precinct plan to be used. Following approval  
14 of the precinct plan to be used, the state commissioner  
15 of elections shall notify the legislative council which  
16 shall direct the legislative services agency to prepare a  
17 representation plan for the county.

18 (d) The plan drawn by the legislative services agency  
19 shall be based upon the precinct plan adopted and approved  
20 for use by the county and shall be drawn in accordance with  
21 section 42.4, to the extent applicable. After the legislative  
22 services agency has drawn the plan, the legislative services  
23 agency shall at the earliest feasible time make available to  
24 the public all of the information required to be made public  
25 by paragraph "b".

26 EXPLANATION

27 The inclusion of this explanation does not constitute agreement with  
28 the explanation's substance by the members of the general assembly.

29 This bill concerns county supervisor representation and  
30 districting plans.

31 Division I of the bill concerns the manner of selecting  
32 county supervisors. Code section 331.206 specifies that county  
33 supervisors may be elected pursuant to plan "one", election at  
34 large; plan "two", election at large with district residence  
35 requirements; or plan "three", election from single-member

1 districts. The bill provides that the plan selected by the  
2 board can only be changed after the plan has been in effect for  
3 six years and only by a special election.

4 Code section 331.207, concerning special elections for  
5 selecting a supervisor district plan, is amended to provide  
6 that only a county that elects supervisors under either plan  
7 "one" or plan "two" shall hold a special election and further  
8 provides that for a county that elects supervisors under plan  
9 "two", the only supervisor representation plans that can be  
10 selected pursuant to the special election shall be either plan  
11 "two" or plan "three".

12 Division II of the bill concerns the manner of adopting  
13 redistricting plans for certain counties. Code section  
14 331.210A(2)(f) is amended to provide that the procedure  
15 for adopting a representation plan for a county that has a  
16 population that exceeds 180,000 or that has adopted a charter  
17 for a city-county consolidation form or community commonwealth  
18 form that provides for representation by districts shall also  
19 apply to a county with a population of 60,000 or more that has  
20 adopted a plan "three" form of representation. The procedure  
21 provides that the county's initial plan for districts, and the  
22 county's first plan for districts after each federal decennial  
23 census, shall be drawn by the legislative services agency based  
24 upon an approved precinct plan for the county and the standards  
25 applicable to congressional and legislative redistricting. If  
26 the plan drawn by the legislative services agency is rejected  
27 by the governing body, the governing body shall direct the  
28 legislative services agency to prepare another plan as provided  
29 by current law.

30 Code section 68B.32A, concerning complaints for improper  
31 political reasons relative to an adopted supervisor district  
32 plan, is amended to make the complaint process inapplicable  
33 to plans prepared by the legislative services agency. In  
34 addition, Code section 331.209 is amended to provide that  
35 the state commissioner of elections shall not be permitted

S.F. 2320

1 to request assistance from the legislative services agency  
2 relating to a representation plan drawn pursuant to Code  
3 section 331.210A(2)(f).
