6 political parties and nonparty political organizations
7 candidates on the ballot as provided in paragraph "b". The
8 sequence order shall be the same for each office on the
9 ballot and for each precinct in the county voting in the
10 election. The commissioner shall arrange the ballot so that
11 the candidates of each political party, as defined in section
12 43.2, for each partisan office appearing on the ballot shall
13 appear in descending order so that the candidates of the
14 political party whose registered voters voted in the greatest
15 number in the commissioner's county at the preceding election
16 described in section 39.9 shall appear first on the ballot, and
17 the candidates of the political party whose registered voters
18 voted in the next greatest number in the commissioner's county
19 at such election appear next on the ballot, and continuing in
20 descending order in the same manner.

21 (2) The commissioner shall determine the number of
22 registered voters from each political party who voted at each
23 election described in section 39.9 after the state registrar
24 has updated information on participation pursuant to section
25 48A.38, subsection 2, following such an election.

26 (3) If the number of registered voters from two or more
27 political parties voted in the same number in the county, the
28 commissioner shall determine the order of arranging political
29 party candidates for those political parties based upon the
30 numbers of registered voters who voted in the most recent
31 election described in section 39.9, for which the number of
32 registered voters from those political parties who voted in
33 such an election, were different.

34 c. The commissioner shall determine the order of candidates
35 of nonparty political organizations on the ballot. The order

10 precinct on the list; thereafter, for each political party and
11 for each succeeding precinct, the names appearing first for
12 the respective offices in the last preceding precinct shall
13 be placed last, so that the names that were second before the
14 change shall be first after the change. The commissioner may
15 also rotate the names of candidates of a political party in the
16 reverse order of that provided in **this subsection** or alternate
