27 EXPLANATION

28 The inclusion of this explanation does not constitute agreement with  
29 the explanation's substance by the members of the general assembly.

30 This bill relates to the regulation of medical cannabidiol.

31 The bill amends the definition of "debilitating medical  
32 condition" under the medical cannabidiol Act (Code chapter  
33 124E) by removing the requirement that multiple sclerosis be  
34 accompanied by severe and persistent muscle spasms, replacing  
35 the term "untreatable pain" with "severe or chronic pain", and

1 including any medical condition for which a patient's health  
2 care practitioner determines the use of medical cannabidiol  
3 could be medically beneficial.

4 The bill requires that any certification made by a health  
5 care practitioner for a patient for a debilitating medical  
6 condition not explicitly included on the list of debilitating  
7 medical conditions shall be made by a health care practitioner  
8 pursuant to reasonable medical evidence, in good faith, in  
9 the best interest of the patient, without fraudulent intent,  
10 and with the same reasonable medical judgment and prudence  
11 exercised according to generally accepted medical practice.  
12 Under current law, a health care practitioner may only issue  
13 a written certification for a debilitating medical condition  
14 explicitly included on the list of debilitating medical  
15 conditions. A written certification may be renewed on an  
16 annual basis if the health care practitioner determines that  
17 the patient continues to suffer from the debilitating medical  
18 condition.

19 The bill alters the definition of medical cannabidiol by  
20 removing the requirements that medical cannabidiol be any  
21 pharmaceutical grade cannabinoid and that the cannabinoid has a  
22 tetrahydrocannabinol (THC) level of 3 percent or less.

23 The bill exempts sales of medical cannabidiol products by  
24 a medical cannabidiol manufacturer or a medical cannabidiol  
25 dispensary pursuant to Code chapter 124E from sales tax.
