9 not apply in computing net income for state tax purposes. If
10 the taxpayer has taken the additional first-year depreciation
11 allowance for purposes of computing federal adjusted gross
12 income, then the taxpayer shall make the following adjustments
13 to federal adjusted gross income when computing net income for
14 state tax purposes:

15 Sec. 17. Section 422.7, Code 2018, is amended by adding the
16 following new subsections:

17 NEW SUBSECTION. 51. *a.* The increased expensing allowance
18 under section 179 of the Internal Revenue Code applies in
19 computing net income for state tax purposes for tax years
20 beginning on or after January 1, 2019, subject to the
21 limitations in this subsection.

22 *b.* If the taxpayer has taken the increased expensing
23 allowance under section 179 of the Internal Revenue Code for
24 purposes of computing federal adjusted gross income for tax
25 years beginning on or after January 1, 2019, then the taxpayer
26 shall make the following adjustments to federal adjusted gross
27 income when computing net income for state tax purposes for the
28 same tax year:

29 (1) Add the total amount of expense deduction taken on
30 section 179 property allowable for federal tax purposes under
31 section 179 of the Internal Revenue Code.

32 (2) Subtract the amount of expense deduction on section
33 179 property allowable for federal tax purposes under section
34 179 of the Internal Revenue Code, not to exceed one hundred
35 thousand dollars. The subtraction in this subparagraph shall

1 be reduced, but not below zero, by the amount by which the
2 total cost of section 179 property placed in service by the
3 taxpayer during the tax year exceeds four hundred thousand
4 dollars.

5 (3) Any other adjustments to gains or losses necessary to
6 reflect adjustments made in subparagraphs (1) and (2).

7 c. The director shall adopt rules pursuant to chapter 17A
8 to administer this subsection.

9 NEW SUBSECTION. 52. a. For tax years beginning on or
10 after January 1, 2019, a taxpayer may elect to take advantage
11 of this subsection if the taxpayer's total expensing allowance
12 deduction for federal tax purposes under section 179 of the
13 Internal Revenue Code that is allocated to the taxpayer from
14 one or more partnerships, S corporations, or limited liability
15 companies electing to have the income taxed directly to the
16 individual exceeds one hundred thousand dollars and would,
17 except as provided in this subsection, be limited for purposes
18 of computing net income for state tax purposes pursuant to
19 subsection 51.

20 b. A taxpayer who elects to take advantage of this
21 subsection shall make the following adjustments to federal
22 adjusted gross income when computing net income for state tax
23 purposes:

24 (1) Add the total amount of section 179 expense
25 deduction allocated to the taxpayer from all partnerships, S
26 corporations, or limited liability companies electing to have
27 the income taxed directly to the individual, to the extent the
28 allocated amount was allowed as a deduction to the taxpayer for
29 federal tax purposes for the tax year.

30 (2) From the amount added in subparagraph (1), subtract
31 the first one hundred thousand dollars of expensing allowance
32 deduction on section 179 property.

33 (3) The remaining amount, equal to the difference between
34 the amount added in subparagraph (1), and the amount subtracted
35 in subparagraph (2), may be deducted by the taxpayer but such

1 deduction shall be amortized equally over five tax years
2 beginning in the following tax year.

3 (4) Any other adjustments to gains or losses necessary to
4 reflect adjustments made in subparagraphs (1) through (3).

5 *c.* A taxpayer who elects to take advantage of this
6 subsection shall not take the increased expensing allowance
7 under section 179 of the Internal Revenue Code for any section
8 179 property placed in service by the taxpayer in computing
9 adjusted gross income for state tax purposes. If the taxpayer
10 has taken any such deduction for purposes of computing federal
11 adjusted gross income, the taxpayer shall make the following
12 adjustments to federal adjusted gross income when computing net
13 income for state tax purposes:

14 (1) Add the total amount of expense deduction for federal
15 tax purposes taken on section 179 property placed in service by
16 the taxpayer under section 179 of the Internal Revenue Code.

17 (2) Subtract the amount of depreciation allowable on such
18 property under the modified accelerated cost recovery system
19 described in section 168 of the Internal Revenue Code, without
20 regard to section 168(k) of the Internal Revenue Code. The
21 taxpayer shall continue to take depreciation on the applicable
22 property in future tax years to the extent allowed under the
23 modified accelerated cost recovery system described in section
24 168 of the Internal Revenue Code, without regard to section
25 168(k) of the Internal Revenue Code.

26 (3) Any other adjustments to gains or losses necessary to
27 reflect the adjustments made in subparagraphs (1) and (2).

28 *d.* The election made under this subsection is for one tax
29 year and the taxpayer may elect or not elect to take advantage
30 of this subsection in any subsequent tax year. However, not
31 electing to take advantage of this subsection in a subsequent
32 tax year shall not affect the taxpayer's ability to claim the
33 tax deduction under paragraph "b", subparagraph (3), that
34 originated from a previous tax year.

35 *e.* The director shall adopt rules pursuant to chapter 17A

1 to administer this subsection.

18 vital and valid public purpose is served by the creation and
19 implementation of programs which encourage and make possible
20 the attainment of higher formal education by the greatest
21 number of citizens of the state. ~~The state has limited~~
22 ~~resources to provide additional programs for higher education~~
23 ~~funding and the continued operation and maintenance of the~~
24 ~~state's public institutions of higher education and the general~~

30 invest in such a program represents the carrying out of a
31 vital and valid public purpose. In order to make available

3 rebutted by a showing of proof that the resident with whom the
4 retailer has an agreement did not engage in any solicitation
5 in this state on behalf of the retailer that would satisfy the
6 nexus requirement of the United States Constitution during the
7 calendar year in question.

8 (b) This subparagraph (2) shall not apply to a retailer that

3 executed by a state agency shall contain a certification by

7 this chapter. In the certification, the bidder or contractor
8 shall also acknowledge that the state agency may declare the
9 contractor or bid void if the certification is false or becomes
10 false. Fraudulent certification, by act or omission, may
11 result in the state agency or its representative filing for
12 damages for breach of contract.

13 h. Any affiliate of any retailer that is required to collect
14 and remit sales and use tax under this chapter, provided the

22 sourcing rules described in [this section](#) apply to sales of
23 tangible personal property, specified digital ~~goods~~ products,
24 and all services other than telecommunications services. This
25 section only applies to determine a seller's obligation to pay

27 the seller's sale of a product. [This section](#) does not affect
28 the obligation of a purchaser or lessee to remit tax on the use
29 of the product to the taxing jurisdictions in which the use
30 occurs. A seller's obligation to collect Iowa sales tax or
31 Iowa use tax only occurs if the sale is sourced to this state.
32 ~~Whether~~ Iowa sales tax applies to a sale sourced to Iowa shall
33 ~~be determined based on the location at which the sale is~~

4 e. When paragraphs "a", "b", "c", and "d" do not apply,
5 including the circumstance where the seller is without
6 sufficient information to apply the previous rules, then the
7 location will be determined by the address from which tangible
8 personal property was shipped, from which the specified digital
9 ~~good~~ product or the computer software delivered electronically
10 was first available for transmission by the seller, or from
11 which the service was provided disregarding for these purposes
12 any location that merely provided the digital transfer of the
13 product sold.

14 Sec. 101. Section 423.22, Code 2018, is amended to read as
15 follows:

16 **423.22 Taxation in another state.**

20 has already paid a tax in another state in respect to the sale
21 or use of the property or the performance of the service, or
22 an occupation tax in respect to the property or service, in
23 an amount less than the tax imposed by [subchapter II](#) or [III](#),
24 the provisions of those subchapters shall apply, but at a rate
25 measured by the difference only between the rate fixed by
26 [subchapter II](#) or [III](#) and the rate by which the previous tax on
27 the sale or use, or the occupation tax, was computed. If the
28 tax imposed and paid in the other state is equal to or more than
29 the tax imposed by those subchapters, then a tax is not due in
30 this state on the personal property or service.

31 Sec. 102. Section 423.29, subsection 1, Code 2018, is
32 amended to read as follows:

4 provisions of this chapter and who is selling tangible personal
5 property or specified digital products for use in Iowa shall,
6 at the time of making the sale, whether within or without the
7 state, collect the use tax. Sellers required to collect sales
8 or use tax shall give to any purchaser a receipt for the tax
9 collected in the manner and form prescribed by the director.

10 Sec. 103. Section 423.30, subsection 1, Code 2018, is
11 amended to read as follows:

12 1. The director may, upon application, authorize the
13 collection of the use tax by any seller who is a retailer not
14 maintaining a place of business within this state and not
15 registered under the agreement, who, to the satisfaction of
16 the director, furnishes adequate security to ensure collection
17 and payment of the tax. Such sellers shall be issued, without
18 charge, permits to collect tax subject to any regulations
19 which the director shall prescribe. When so authorized, it
20 shall be the duty of foreign sellers to collect the tax upon
21 all tangible personal property and specified digital products
22 sold, to the retailer's knowledge, for use within this state,
23 in the same manner and subject to the same requirements as a
24 retailer maintaining a place of business within this state.
25 The authority and permit may be canceled when, at any time, the
26 director considers the security inadequate, or that tax can
27 more effectively be collected from the person using property
28 in this state.

29 Sec. 104. Section 423.31, subsection 1, Code 2018, is

35 such person is or has become or ceased being subject to the

1 provisions of [this section](#) and [section 423.36](#), make, sign, and
2 file a return for the calendar quarter in the form as may be
3 required. Returns shall show information relating to sales
4 prices including ~~goods, wares,~~ tangible personal property,
5 specified digital products, and services converted to the
6 use of such person, the amounts of sales prices excluded and
7 exempt from the tax, the amounts of sales prices subject to
8 tax, a calculation of tax due, and any other information for
9 the period covered by the return as may be required. Returns
10 shall be signed by the retailer or the retailer's authorized
11 agent and must be certified by the retailer to be correct in
12 accordance with forms and rules prescribed by the director.

13 Sec. 105. Section 423.31, subsection 5, paragraph a, Code
14 2018, is amended to read as follows:

15 a. Upon making application and receiving approval from
16 the director, a ~~parent corporation~~ person and its affiliated
17 ~~corporations~~ affiliates that make retail sales of tangible
18 personal property, specified digital products, or taxable
19 enumerated services may make deposits and file a consolidated
20 sales tax return for the affiliated group, pursuant to rules
21 adopted by the director. A ~~parent corporation~~ person and each
22 affiliate ~~corporation~~ that files a consolidated return are
23 jointly and severally liable for all tax, penalty, and interest
24 found due for the tax period for which a consolidated return is
25 filed or required to be filed.

26 Sec. 106. Section 423.32, subsection 1, paragraph b, Code
27 2018, is amended to read as follows:

28 b. The deposit form is due on or before the twentieth day of
29 the month following the month of collection, except a deposit
30 is not required for the third month of the calendar quarter,
31 and the total quarterly amount, less the amounts deposited for
32 the first two months of the quarter, is due with the quarterly
33 report on the last day of the month following the month of
34 collection. At that time, the retailer shall file with the
35 department a return for the preceding quarterly period in the

1 form prescribed by the director showing the purchase price of
2 the tangible personal property, specified digital products, and
3 services sold by the retailer during the preceding quarterly
4 period, the use of which is subject to the use tax imposed
5 by [this chapter](#), and other information the director deems

20 of the department may examine the books, papers, records,
21 and equipment of any person ~~either~~ selling tangible personal
22 property, specified digital products, or services or liable

8 tangible personal property, specified digital products,
9 or services to purchasers for a nontaxable purpose. The
10 department shall also allow the use of exemption certificates
11 for those circumstances in which a sale is taxable but the
12 seller is not obligated to collect tax from the buyer.

13 b. The sales tax liability for all sales of tangible

16 seller takes from the purchaser a valid exemption certificate
17 stating under penalty of perjury that the purchase is for a
18 nontaxable purpose and is not a retail sale as defined in
19 section 423.1, or the seller is not obligated to collect tax
20 due, or unless the seller takes a fuel exemption certificate
21 pursuant to [subsection 5](#). If the tangible personal property,

33 the purchaser becomes obligated to pay the tax, the purchaser
34 is liable solely for the taxes and shall remit the taxes
35 directly to the department in accordance with [this subsection](#).

28 transient guests generally.

29 Sec. 127. Section 423A.6, subsection 4, Code 2018, is
30 amended to read as follows:

31 4. **Section 422.25, subsection 4, sections 422.30, 422.67,**
32 **and 422.68, section 422.69, subsection 1, sections 422.70,**

35 **423.35, 423.37 through 423.42, and 423.47, consistent with the**

1 provisions of this chapter, apply with respect to the taxes
2 authorized under this chapter, in the same manner and with the
3 same effect as if the state and local hotel and motel taxes
4 were retail sales taxes within the meaning of those statutes.
5 Notwithstanding this subsection, the director shall provide for
6 quarterly filing of returns and for other than quarterly filing
7 of returns both as prescribed in section 423.31. The director
8 may require all persons who are engaged in the business of
9 deriving any sales price subject to tax under this chapter to
10 register with the department. All taxes collected under this
11 chapter by a retailer, lessor, or any individual other person
12 are deemed to be held in trust for the state of Iowa and the
13 local jurisdictions imposing the taxes.

14 Sec. 128. Section 423C.2, subsection 3, Code 2018, is
15 amended to read as follows:

16 3. "Lessor" means a any of the following:

17 a. A person engaged in the business of renting automobiles
18 to users. "Lessor" includes a

19 b. A motor vehicle dealer licensed pursuant to chapter
20 322 who rents automobiles to users. For this purpose, the
21 objective of making a profit is not necessary to make the
22 renting activity a business.

23 c. A person who acquires a right to or interest in any
24 automobile with an intent to rent the automobile to another
25 person.

26 d. A person who actually or constructively rents
27 automobiles, regardless of who owns or controls the
28 automobiles.

29 e. A rental facilitator.

30 f. A retailer or retailer maintaining a place of business in
31 this state as defined in section 423.1, including those persons
32 who meet the requirements of section 423.14A, which retailer or
33 retailer maintaining a place of business in this state would be
34 responsible for collection and payment of the automobile rental
35 excise tax if it were a sales or use tax under chapter 423.

1 Sec. 129. Section 423C.2, Code 2018, is amended by adding
2 the following new subsection:

3 NEW SUBSECTION. 06. "*Rental facilitator*" means any person
4 who facilitates the renting of an automobile to users by
5 satisfying paragraphs "a" and "b" as follows:

6 a. The person directly or indirectly does any of the
7 following:

8 (1) Lists, makes available, or advertises automobiles for
9 rent by a lessor in any forum.

10 (2) Transmits or otherwise communicates an offer or
11 acceptance between a lessor or user.

12 (3) Owns, rents, licenses, makes available, or operates any
13 electronic or physical infrastructure or any property, process,
14 method, copyright, trademark, or patent that connects lessors
15 and users to each other.

17 renting automobiles or otherwise facilitates the renting
18 of automobiles, regardless of ownership or control of the
19 automobile.

20 (5) Provides software development or research and
21 development activities related to any activity described in
22 this paragraph "a", if such software development or research and
23 development activities are directly related to the physical or
24 electronic marketplace provided by a rental facilitator.

25 (6) Provides or offers fulfillment or storage services for a
26 lessor.

27 (7) Sets prices for a lessor's rental of automobiles.

28 (8) Provides or offers customer service to a lessor or
29 a lessor's customers, or accepts or assists with returns,
30 exchanges, cancellations, or rescheduling of the rental of
31 automobiles by a lessor.

32 b. The person directly or indirectly does any of the
33 following:

34 (1) Collects the rental price for the renting of an
35 automobile.

1 (2) Provides payment processing services for the renting of
2 an automobile.

3 (3) Charges, collects, or otherwise receives booking
4 fees, advertising revenues, or other consideration from the
5 renting of an automobile or the facilitation of the renting
6 of an automobile, regardless of ownership or control of the
7 automobile.

8 (4) Through terms and conditions, agreements, or
9 arrangements with a third party, collects payment in connection
10 with a rental of automobiles from a user and transmits that
11 payment to the lessor, regardless of whether the person
12 collecting and transmitting such payment receives compensation
13 or other consideration in exchange for the service.

14 (5) Provides a virtual currency that users are allowed or
15 required to use to rent automobiles.

16 Sec. 130. Section 423C.2, subsection 6, Code 2018, is
17 amended by striking the subsection and inserting in lieu
18 thereof the following:

19 6. "*Rental price*" means all direct or indirect
20 consideration, including but not limited to cash, credit,
21 property, and services, paid in connection with any charge of
22 any description associated with the renting of an automobile
23 or with communicating, negotiating, reserving, booking,
24 facilitating, or otherwise arranging to rent an automobile,
25 including but not limited to booking fees, reservation fees,
26 service fees, and nonrefundable deposits. When determining
27 "*rental price*", no deduction shall be taken for any of the
28 following:

29 a. The lessor's cost of the property rented.

30 b. The cost of materials used, labor or service cost,
31 interest, losses, all costs of transportation to the lessor,
32 all taxes imposed on the lessor, or any other expenses of the
33 lessor.

34 c. Charges by the lessor for any services necessary to
35 complete the rental transaction.

1 the explanation's substance by the members of the general assembly.

2 This bill makes numerous changes to income taxes, the
3 sales and use taxes and local option sales tax, the hotel and
4 motel excise tax, the automobile rental excise tax, the Iowa
5 educational savings plan trust, and the Iowa ABLE savings plan
6 trust.

7 DIVISION I — INCOME TAX CHANGES FOR TAX YEAR 2018. The
8 federal Protecting Americans From Tax Hikes Act (PATH Act)
9 enacted by Congress in 2015 made permanent certain increased
10 phase-out amounts and increased credit percentages of the
11 federal earned income tax credit (EITC) that were scheduled to
12 expire in 2018, and made permanent the deduction for certain
13 expenses incurred by elementary and secondary school teachers
14 that was scheduled to expire in 2015. To date, Iowa has
15 not coupled with these federal changes for purposes of the
16 teacher expense deduction or for calculating the Iowa EITC.
17 Division I couples with these federal EITC and teacher expense
18 deduction changes for purposes of the Iowa EITC and Iowa net
19 income calculation for tax year 2018. Division I also couples
20 for tax year 2018 with certain accounting method and other
21 miscellaneous changes made in the federal Tax Cuts and Jobs Act
22 of 2017 for purposes of the individual and corporate income
23 taxes, and the franchise tax, to the extent those amendments
24 affect the calculation of federal adjusted gross income or
25 federal taxable income for federal tax purposes for tax year
26 2018. These include amendments contained in the following
27 sections of the federal Tax Cuts and Jobs Act: §13102 (small
28 business accounting method changes), §13221 (accounting method
29 rules for the taxable year of inclusion), §13504 (repeal of
30 technical termination of partnerships), §13541 (electing small
31 business trust), §13543 (treatment of S corporation conversion
32 to C corporation), §13611 (repeal of special rule permitting
33 recharacterization of Roth IRA conversions), and §13613
34 (extended rollover period for qualified plan loans).

35 The division takes effect upon enactment and applies

1 retroactively to January 1, 2018, for tax years beginning on or
 2 after that date, but prior to January 1, 2019.

3 DIVISION II — INDIVIDUAL INCOME TAX CHANGES BEGINNING IN
 4 TAX YEAR 2019. Division II makes numerous changes to the Iowa
 5 individual income tax beginning in tax year 2019.

6 TAX RATE AND TAX BRACKET CHANGES. Current law provides nine
 7 regular tax brackets containing progressively higher amounts
 8 of taxable income that are taxed at progressively higher tax
 9 rates, from a low of 0.36 percent, to a high of 8.98 percent.
 10 The taxable income amounts in each tax bracket are indexed to
 11 inflation and increased each year. For tax years beginning on
 12 or after January 1, 2019, the bill reduces the tax rate in each
 13 bracket, reduces the number of brackets to eight, and increases
 14 the taxable income amount in the top bracket to \$150,000, as
 15 follows:

16	<u>Income over:</u>	<u>But not over:</u>	<u>Tax rate category I:</u>
17	1) \$0	\$1,628	0.32%
18	2) \$1,628	\$3,256	0.64%
19	3) \$3,256	\$6,512	2.10%
20	4) \$6,512	\$14,652	4.05%
21	5) \$14,652	\$24,420	5.40%
22	6) \$24,420	\$48,840	5.70%
23	7) \$48,840	\$150,000	6.70%
24	8) \$150,000 or more		7.60%

25 The bill provides that the income amounts in each of the
 26 eight brackets listed above will be indexed to inflation and
 27 increased each year beginning in tax year 2020.

28 The tax rates in tax category I listed above apply for all
 29 tax years beginning on or after January 1, 2019, until such
 30 time as a different tax rate category takes effect as described
 31 below.

32 Beginning with the fiscal year ending June 30, 2019, the
 33 bill sets forth six additional tax rate categories labeled
 34 as tax rate category II, III, IV, and V, and provides that
 35 each progressively higher tax rate category may take effect in

1 future tax years if certain net tax receipt revenue targets are
2 met or exceeded as provided in the bill. The possible tax rate
3 categories for each of the income brackets listed above are as
4 follows:

5	II	III	IV	V
6 1)	0.32%	0.30%	0.30%	0.30%
7 2)	0.64%	0.60%	0.60%	0.60%
8 3)	2.10%	2.00%	2.00%	2.00%
9 4)	4.05%	4.00%	4.00%	4.00%
10 5)	5.40%	5.30%	5.30%	5.20%
11 6)	5.70%	5.60%	5.60%	5.40%
12 7)	6.70%	6.30%	6.30%	6.30%
13 8)	7.40%	7.00%	7.00%	6.90%

14 Whether a particular tax rate category takes effect in
15 future tax years depends on the net tax receipts for the
16 previous fiscal year and the tax rate category in effect for
17 the previous tax year, as described in the bill. A net tax
18 receipt calculation for a fiscal year will not cause the tax
19 rate category in effect for a future tax year to drop to a lower
20 tax rate category than is currently in effect.

21 By operation of law, the tax rate category applicable to tax
22 year 2025 will also apply to all future tax years.

23 The bill requires the department of revenue (department), in
24 consultation with the department of management, to calculate
25 net tax receipts each applicable fiscal year and submit an
26 annual report to the governor and general assembly identifying
27 net tax receipts for the fiscal year, which tax rate category
28 will be in effect for future tax years, and describing in
29 detail the net tax receipts calculation made by the department.
30 The bill defines "net tax receipts" and requires the director
31 of the department to adopt rules for calculating net tax
32 receipts and defining various related terms.

33 INTERNAL REVENUE CODE (IRC) COUPLING. Under current law
34 with the exception of the solar energy credit and the state
35 research activities credit, Code references to the IRC include

1 the IRC in effect on January 1, 2015, meaning federal income
2 tax revisions made by Congress in 2015 through 2017 are not
3 applicable for Iowa tax purposes, including revisions made in
4 the PATH Act of 2015 and the federal Tax Cuts and Jobs Act of
5 2017. The bill adopts, or couples with, these revisions for
6 purposes of the individual income tax beginning in tax year
7 2019, except for certain revisions as described below. The
8 coupling is accomplished generally by updating the definition
9 of IRC as it applies to the individual income tax to mean
10 the IRC as amended and in effect on January 1, 2018. The
11 updated definition does not apply to the state solar energy
12 system credit in Code section 422.11L, or the state individual
13 research activities credit in Code section 422.10, because both
14 of those credits contain their own definition of IRC.

15 Code section 422.9 provided individuals a deduction from
16 net income for state sales and use taxes if the individual
17 chose to deduct sales and use tax in lieu of state income taxes
18 or the standard deduction for federal income tax purposes.
19 The deduction was set to expire under both federal and Iowa
20 law beginning in tax year 2016. The federal deduction was
21 made permanent by the PATH Act of 2015, and the bill couples
22 with these federal changes to the deduction, thus making it
23 permanent for tax year 2019 and beyond.

24 The federal deduction for other taxes paid was limited to
25 \$10,000 per year under most circumstances by the federal Tax
26 Cuts and Jobs Act of 2017, but the bill decouples from this
27 limitation. Taxpayers will be allowed to deduct other taxes
28 paid in computing state itemized deductions to the same extent
29 as is allowed under current state law, without regard to the
30 \$10,000 limitation described above.

31 BONUS DEPRECIATION DECOUPLING. The bill decouples, for Iowa
32 individual income tax purposes, from the federal additional
33 first-year depreciation allowance in section 168(k) of the IRC
34 (bonus depreciation) which was extended and modified by the
35 federal PATH Act of 2015 and the federal Tax Cuts and Jobs Act

1 of 2017. By decoupling, taxpayers who claim bonus depreciation
2 for federal tax purposes are required to add such depreciation
3 amounts back to Iowa net income, but are then allowed under
4 existing state law to deduct the amount of depreciation that
5 would otherwise be allowable under federal law, without regard
6 to the bonus depreciation allowance.

7 IRC §179 DEDUCTION. The IRC §179 deduction provides a tax
8 deduction in lieu of depreciation for certain property placed
9 in service during a tax year. Under current law, for Iowa
10 tax purposes, the maximum IRC §179 deduction per tax year is
11 \$25,000. This maximum deduction is incrementally reduced when
12 a taxpayer's eligible property placed in service during the tax
13 year exceeds \$200,000 (investment limitation).

14 The federal Tax Cuts and Jobs Act of 2017 made several
15 changes to the IRC §179 deduction, including increasing the
16 statutory maximum deduction to \$1 million, and increasing
17 the statutory investment limitation to \$2.5 million. The
18 bill couples for Iowa individual income tax purposes with the
19 changes made to the IRC §179 deduction in the federal Tax Cuts
20 and Jobs Act beginning in tax year 2019, but limits the maximum
21 deduction to \$100,000, and sets the investment limitation at
22 \$400,000.

23 If the total IRC §179 deduction allocated to a taxpayer from
24 one or more partnerships, S corporations, or limited liability
25 companies exceeds \$100,000 in a tax year, the bill allows the
26 taxpayer to deduct the amount in excess of \$100,000 evenly over
27 a five-year tax period beginning in the subsequent tax year.
28 Taxpayers who elect to take advantage of this provision are
29 not allowed to take the IRC §179 deduction for the tax year
30 of the election on any eligible property placed in service by
31 the taxpayer, but are allowed to deduct depreciation on such
32 amounts that would otherwise be allowable under federal law,
33 without regard to the bonus depreciation allowance.

34 Under current Iowa law, for previous tax years, individual
35 taxpayers were required to recompute their Iowa itemized

1 deductions under Code section 422.9(2) to account for
2 differences between the federal and Iowa treatment of the
3 IRC §179 deduction. The bill provides that taxpayers must
4 make those same adjustments to federal adjusted gross income
5 beginning in tax year 2019.

6 ALTERNATIVE MINIMUM TAX (AMT) REPEAL. Current law imposes
7 an AMT to the extent it exceeds an individual's regular
8 tax liability. The AMT is generally calculated by adding
9 certain "preference" items (deductions, exemptions, and other
10 adjustments) back to taxable income, applying an exemption
11 amount, and then multiplying the resulting income amount by an
12 AMT rate. The bill repeals the AMT for the individual income
13 tax beginning in tax year 2019. The bill makes corresponding
14 amendments to other individual income tax provisions in the
15 Code to strike references to the AMT in the calculation of the
16 resident tax credit for income tax paid to another jurisdiction
17 and in the requirement for nonresidents subject to the AMT to
18 file an Iowa income tax return.

19 Current law also provides an alternative minimum tax credit,
20 which allows AMT paid by an individual in prior tax years to be
21 claimed against regular tax liability in future tax years if
22 the individual is not subject to the AMT in that year. With
23 the repeal of the individual AMT in 2019, the bill allows a
24 taxpayer to claim any remaining alternative minimum tax credit
25 against the individual's regular tax liability for the 2019 tax
26 year, and the bill then repeals the alternative minimum tax
27 credit beginning in tax year 2020.

28 FEDERAL DEDUCTIBILITY LIMITATION AND POSSIBLE REPEAL. When
29 calculating taxable income under current law for purposes of
30 the individual income tax, individuals are allowed to deduct
31 federal income taxes paid, net of any federal income tax
32 refunds received. The bill limits the deduction beginning in
33 the 2019 tax year, depending on the tax rate category in effect
34 for the tax year. Individuals are permitted to deduct 100
35 percent of federal income taxes paid for tax year 2018 (whether

1 paid in calendar year 2018 or 2019), and either 25 percent
2 or 15 percent of federal income taxes paid for a tax year in
3 which the rates in tax rate category I or II, respectively,
4 were applicable (whether paid during the tax year or during the
5 following calendar year), net of any federal income tax refunds
6 received during those years to the extent the federal income
7 tax was deducted for a prior tax year. Federal income tax paid
8 during a tax year is not deductible to the extent the payment
9 is for a tax year during which the tax rates in category III,
10 IV, or V, were applicable.

11 STANDARD DEDUCTION INCREASES. When calculating taxable
12 income for purposes of the individual income tax, individuals
13 are allowed to choose between a standard deduction or itemized
14 deductions. The standard deduction under current law for tax
15 year 2018 is \$2,030 for a single person or a married person who
16 files separately, and is \$5,000 for a married couple filing
17 jointly, a surviving spouse, or a head of household. These
18 amounts are indexed to inflation and increased each year.

19 The bill increases the standard deduction amounts beginning
20 in tax year 2019 to \$4,000 for a single person or a married
21 person who files separately, and to \$8,000 for a married couple
22 filing jointly, a surviving spouse, or a head of household.
23 The bill also provides for an additional standard deduction
24 amount for each individual who at the close of the tax year
25 is 65 or older or is blind. The determination of whether an
26 individual is blind is the same as for the personal exemption
27 credit under Code section 422.12. The additional standard
28 deduction amount is \$1,500 per person, and is doubled if the
29 person is both 65 or older and blind at the end of the tax year.
30 The bill increases each of these additional standard deduction
31 amounts to \$2,070 per person in the event the tax rates in
32 category III, IV, or V, become effective in future tax years.
33 The bill indexes these standard deduction amounts, including
34 the additional standard deduction amounts, to inflation so they
35 will be increased in future tax years.

1 QUALIFIED BUSINESS INCOME DEDUCTION. The federal Tax Cuts
2 and Jobs Act of 2017 created a deduction in calculating federal
3 taxable income for noncorporate taxpayers of up to 20 percent
4 of certain domestic qualified business income earned by a
5 taxpayer from a partnership, S corporation, limited liability
6 company, other pass-through entity, or a sole proprietorship.
7 The deduction is calculated under section 199A of the IRC
8 and includes numerous limitations based on the type of trade
9 or business involved, the income of the trade or business,
10 and the income of the taxpayer claiming the deduction. The
11 federal deduction applies to tax years 2018 through 2025, and
12 is available to a taxpayer regardless of whether the taxpayer
13 claims the standard deduction or itemized deductions for
14 federal tax purposes.

15 The bill provides a deduction in computing Iowa taxable
16 income for purposes of the individual income tax equal to 25
17 percent of the taxpayer's qualified business income deduction
18 allowed for federal income tax purposes beginning in tax
19 year 2019. With regard to individuals, the Iowa deduction
20 is available regardless of whether the individual claims
21 the standard deduction or itemized deductions for Iowa tax
22 purposes. With regard to an estate or trust, the starting
23 point for calculating Iowa income tax will include the full
24 amount of the federal qualified business income deduction, so
25 the bill requires the estate or trust to add back 75 percent of
26 such amount when calculating Iowa taxable income.

27 The bill provides special rules for calculating the
28 qualified business income deduction in the case of an entity
29 filing an Iowa composite income tax return on behalf of all of
30 the entity's nonresident partners, members, beneficiaries, or
31 shareholders. In such cases, the deduction on the composite
32 return shall be an amount equal to 25 percent of the federal
33 qualified business income deduction that would be allowable to
34 an individual reporting the same items of income and loss that
35 are included on the composite return.

1 EFFECTIVE DATE AND APPLICABILITY. The division takes effect
2 January 1, 2019, and applies to tax years beginning on or after
3 that date.

4 DIVISION III — CHANGES TO IOWA EDUCATIONAL SAVINGS PLAN
5 TRUST AND IOWA ABLE SAVINGS PLAN TRUST. Division III makes
6 several changes to the Iowa educational savings plan trust in
7 Code chapter 12D (Iowa 529 plan), the disabilities expenses
8 savings plan trust in Code chapter 12I (Iowa ABLE plan), and
9 the income tax treatment of contributions to and withdrawals
10 from such plans.

11 IRC §529, which governs state tuition programs, previously
12 required that in order for a state tuition program to be
13 considered qualified and therefore eligible for certain
14 federal tax benefits, the program must be established to
15 allow contributions for the purposes of funding certain
16 qualifying expenses of attendance at institutions of higher
17 education. Accordingly, the Iowa 529 plan allows participants
18 to contribute and withdraw funds to and from the Iowa 529 plan
19 for the payment of higher education costs related to attendance
20 at institutions of higher education.

21 The federal Tax Cuts and Jobs Act of 2017 amended IRC
22 §529 to provide that during each tax year, up to \$10,000 of
23 cash distributions from all qualified tuition programs for a
24 beneficiary for tuition expenses in connection with enrollment
25 or attendance at an elementary or secondary public, private,
26 or religious school, may be considered a distribution for
27 qualified higher education expenses and thus excludable from
28 income for federal income tax purposes. The federal Tax
29 Cuts and Jobs Act of 2017 also provided that under certain
30 conditions, amounts in qualified tuition programs may be
31 transferred to a qualified ABLE account without incurring
32 federal income tax consequences.

33 The bill amends the Iowa 529 plan to provide for qualified
34 withdrawals from the plan for elementary or secondary school
35 tuition as is now allowed under federal law pursuant to the

1 federal Tax Cuts and Jobs Act of 2017. The bill modifies the
2 findings and purpose provision of the Iowa 529 plan in Code
3 section 12D.1(1) by striking or amending specific references
4 to higher education and institutions of higher education so
5 that such provisions more generally reference education and
6 educational institutions, and by providing that the Iowa 529
7 plan's purpose is to make available an opportunity to invest in
8 a public trust to fund future formal education needs.

9 The bill strikes the definition of "higher education costs",
10 as well as numerous references to that term throughout the Iowa
11 529 plan, and replaces them with the term "qualified education
12 expenses", which is defined in the bill to mean the same as
13 qualified higher education expenses as defined in IRC §529,
14 including elementary and secondary school tuition to the extent
15 such tuition amounts are described and allowed under IRC §529.

16 The bill also replaces numerous references to "institution
17 of higher education" throughout the Iowa 529 plan with
18 references to a "qualified educational institution", which
19 is defined in the bill to include an institution of higher
20 education and any elementary or secondary, public, private, or
21 religious school described in IRC §529.

22 The federal Tax Cuts and Jobs Act of 2017 also amended
23 IRC §529 to allow certain transfers from a qualified tuition
24 program to an ABLE account without incurring federal income tax
25 consequences. The bill amends the Iowa 529 plan to provide
26 that a participant may transfer amounts in an Iowa 529 plan to
27 an ABLE account, including the Iowa ABLE plan, if the transfer
28 is permitted under IRC §529. The Iowa 529 plan is further
29 amended to allow the transfer of funds to another account in
30 the Iowa 529 plan, if the transfer is permitted under IRC §529.

31 Several other modifications are made to the Iowa 529 plan
32 to remove references to the imposition of penalties for
33 cancellation and late payments under the trust, to remove
34 certain references to the ability to amend participation
35 agreements, to describe rules and procedures for determining

1 account successors in the case of death of a participant, and
2 to modify the permissible investment direction that may be
3 provided by participants and beneficiaries under the trust.
4 Finally, the bill adds Iowa 529 plan accounts to the list of
5 exemptions from execution under Code section 627.6.

6 Under current law in Code section 422.7(32)(c), previously
7 tax-deducted contributions to an Iowa 529 plan that are
8 withdrawn for purposes other than the payment of qualified
9 education expenses are required to be added back to income
10 in computing Iowa individual income tax. The bill amends
11 this provision to provide that Iowa 529 plan withdrawals of
12 previously tax-deducted contributions must be added back to
13 Iowa income unless the amount is a withdrawal or transfer
14 for one of three eligible purposes. First, for the payment
15 of qualified higher education expenses. Second, for the
16 payment of tuition to an elementary or secondary school if the
17 tuition amounts are qualified education expenses. Third, for a
18 change in beneficiaries under, or transfer to another account
19 within, the Iowa 529 plan, or a transfer to the Iowa ABLE plan,
20 provided such beneficiary change or transfer is permitted under
21 the Iowa 529 plan. The bill defines "institution of higher
22 education" and "tuition" to mean the same as defined under
23 the Iowa 529 plan. The bill defines "elementary or secondary
24 school" to mean an elementary or secondary school in this state
25 which is accredited under Code section 256.11 (educational
26 standards), and adheres to the provisions of the federal
27 Civil Rights Act of 1964 and Code chapter 216 (civil rights
28 commission). The bill defines "qualified higher education
29 expenses" to mean the same as defined under IRC §529.

30 The bill amends the income tax treatment of contributions
31 to and withdrawals from the Iowa ABLE plan to provide that a
32 contribution shall not be deducted from Iowa income tax to the
33 extent it represents a transfer from the Iowa 529 plan that was
34 previously deducted as a contribution to the Iowa 529 plan,
35 and that amounts resulting from a cancellation or withdrawal

1 from the Iowa ABLE plan for purposes other than the payment of
2 qualified disability expenses shall be added back to income in
3 computing Iowa individual income tax to the extent the amount
4 was previously transferred from the Iowa 529 plan and deducted
5 as a contribution to the Iowa 529 plan.

6 The division takes effect upon enactment and applies
7 retroactively to January 1, 2018, for withdrawals and transfers
8 from the Iowa educational savings plan trust made on or after
9 that date, and for tax years beginning on or after that date.

10 DIVISION IV — SALES AND USE TAXES. Division IV makes
11 numerous changes to the sales and use taxes, including the
12 local option sales tax.

13 SPECIFIED DIGITAL PRODUCTS. The bill imposes the sales and
14 use tax at a rate of six percent on the sale or use of specified
15 digital products in Iowa. The bill defines "specified digital
16 products" as electronically transferred digital audio-visual
17 works, digital audio works, digital books, or other digital
18 products. These and other related terms are defined in
19 the bill in new Code section 423.1(55A). The sales or use
20 tax applies whether the purchaser obtains permanent use or
21 less than permanent use of the specified digital product,
22 whether the sale or use is conditioned or not conditioned upon
23 continued payment from the purchaser, and whether the sale or
24 use is on a subscription basis or is not on a subscription
25 basis. The bill also provides that the sale or use of digital
26 code that may be used to obtain or access a specified digital
27 product at a later date is taxed in the same manner as a
28 specified digital product.

29 The bill creates an exemption for the sale or use of
30 specified digital products to a non-end user, as defined in the
31 bill.

32 The bill amends numerous existing sales and use tax
33 exemptions to include specified digital products, including
34 the following: sales the state is prohibited from taxing
35 under the United States Constitution or the Iowa Constitution;

1 sales to certain nonprofit corporations, organizations,
2 educational institutions, legal aid organizations, museums,
3 art centers, organ procurement organizations, hospitals, or
4 hospice facilities; sales by a state fair; sales to political
5 subdivisions; sales by counties or cities; casual sales; sales
6 of property which will be distributed as prizes to players
7 of certain amusement games; sales to recognized community
8 action agencies; uses of property for which the sales tax has
9 already been paid; sales in the regular course of business;
10 and property brought into Iowa by a nonresident and used here
11 temporarily. The bill amends a sales tax refund provision
12 relating to relief agencies that purchase property for free
13 distribution to the poor to include purchases of specified
14 digital products.

15 The bill makes certain other conforming amendments related
16 to the treatment of specified digital products for purposes
17 of the administration of the sales and use taxes. The bill
18 provides that the imposition of tax on the sale or use of
19 specified digital products shall not be construed as affecting
20 the taxability or nontaxability under other provisions of
21 existing law of sales or uses occurring prior to the enactment
22 of this division of this Act of products meeting the definition
23 of "specified digital products".

24 SUBSCRIPTIONS AND PAY TELEVISION SERVICE. The bill amends
25 the definition of "sale" in Code section 423.1(50) for purposes
26 of the sales tax to provide that a sale includes but is not
27 limited to any transfer, exchange, or barter on a subscription
28 basis. The bill defines "subscription" in new Code section
29 423.1(57A).

30 The bill amends the taxable service of pay television to
31 provide that pay television includes but is not limited to
32 streaming video, video on-demand, and pay-per-view.

33 The bill provides that it is the intent of the general
34 assembly that these changes to the definition of "sale" and
35 "subscription", and changes to the service of pay television,

1 are conforming amendments consistent with current state law,
2 and that the amendments do not change the application of
3 current law but instead reflect current law both before and
4 after the enactment of these changes.

5 These changes take effect July 1, 2018.

6 OTHER CHANGES TO TAXABLE SERVICES. Under current law, the
7 services of photography and retouching are subject to the
8 sales and use tax, but such services are taxed as if they were
9 sales of tangible personal property. The bill strikes these
10 provisions treating photography and retouching as tangible
11 personal property, and adds photography and retouching to the
12 list of enumerated services subject to the sales and use tax.
13 These changes to photography and retouching take effect July
14 1, 2018.

15 Current law provides that a limousine service is subject
16 to the sales and use tax. The bill modifies this service to
17 provide that a personal transportation service shall be subject
18 to the sales and use tax, and includes taxis, driver services,
19 ride sharing services, rides for hire, and limousine services
20 as examples of the types of services which qualify as a taxable
21 personal transportation service.

22 Under current law, the furnishing of information services,
23 as defined in Code section 423.3(66), is exempt from the
24 sales and use tax. The bill strikes this exemption and makes
25 information services a taxable service for purposes of the
26 sales and use tax. The bill defines "information services".

27 The bill additionally adds the following services to the
28 list of enumerated services subject to the sales and use
29 tax: storage of tangible or electronic files, documents, or
30 other records; services arising from or related to installing,
31 maintaining, servicing, repairing, operating, upgrading, or
32 enhancing specified digital products; video game services and
33 tournaments; and software as a service.

34 OTHER SALES AND USE TAX EXEMPTIONS. Current law provides
35 a sales and use tax exemption for access charges related to

1 online computer services in Code section 423.3(65), and for any
2 retail sale delivered electronically in Code section 423.3(67).
3 The bill strikes both of these exemptions.

4 The bill creates a sales and use tax exemption in new
5 Code section 423.3(103) for certain sales to a commercial
6 enterprise for use exclusively by the commercial enterprise.
7 The exemption specifies that such a use fails to qualify as
8 a use exclusively by the commercial enterprise if its use
9 for noncommercial purposes is more than de minimis. The
10 bill provides that the terms "de minimis" and "noncommercial
11 purposes" shall be defined by the director of revenue by
12 rule. The bill defines "commercial enterprise" to mean the
13 same as defined under the machinery and equipment sales and
14 use tax exemption in Code section 423.3(47), which includes
15 businesses and manufacturers conducted for profit and centers
16 for data processing services to insurance companies, financial
17 institutions, businesses, and manufacturers, but excludes
18 professions and occupations and nonprofit organizations.

19 The exemption applies to sales of specified digital
20 products, and to the furnishing of the following enumerated
21 taxable services: storage of tangible or electronic files,
22 documents, or other records; information services; services
23 arising from or related to installing, maintaining, servicing,
24 repairing, operating, upgrading, or enhancing specified digital
25 products; and software as a service.

26 The bill adds the sale of services to the items that may
27 qualify for the sales and use tax exemption in Code section
28 423.3(63) relating to items purchased for the purposes of
29 providing them as prizes to players of certain amusement games.

30 SALES AND USE TAX NEXUS AND COLLECTION REQUIREMENTS. The
31 bill modifies the requirement of persons to collect and remit
32 the state sales and use taxes and the local option sales tax.
33 Current law requires retailers to collect sales tax for taxable
34 items sold at retail in the state. The bill defines "sold
35 at retail in the state" and other similar terms to include

1 but not be limited to sales sourced to this state under Code
2 chapter 423 (sales and use tax), and provides that it is
3 the intent of the general assembly that the definition is a
4 conforming amendment consistent with current state law, and
5 that the amendment does not change the application of current
6 law but instead reflects current law both before and after the
7 enactment of the definition. The enactment of the definition
8 of "sold at retail in the state" takes effect July 1, 2018.

9 Under current law, Code section 423.15 provides general
10 rules for the sourcing of sales to Iowa. The bill amends a
11 provision in this Code section relating to when sales tax
12 applies to a sale sourced to Iowa, to provide that Iowa sales
13 tax applies to a sale sourced to Iowa made by a seller who is a
14 retailer maintaining a place of business in this state, or who
15 is subject to the new Code section 423.14A (described below).
16 The bill also amends provisions relating to the requirement
17 of retailers maintaining a place of business in this state to
18 collect use tax in Code sections 423.14 and 423.29, to provide
19 that use tax shall be collected by retailers not otherwise
20 required to collect sales tax under Code chapter 423 (sales and
21 use tax).

22 Under current law in Code section 423B.5, the local sales and
23 services tax is applicable to transactions within the areas of
24 the county imposing the tax. The bill amends this provision
25 to provide that a transaction occurring within the taxing area
26 includes a sale sourced to a location in that area pursuant
27 to the sourcing rules governing the sales and use tax (Code
28 sections 423.15 through 423.20).

29 The bill creates new Code section 423.14A that deems certain
30 persons, or agents of those persons, to be a retailer and
31 a retailer maintaining a place of business in this state
32 on or after January 1, 2019, and subjects those persons to
33 all requirements of Code chapter 423 (sales and use taxes),
34 including but not limited to the requirement to collect and
35 remit Iowa sales and use tax, and the requirement to collect

1 and remit the local option sales tax. The bill provides that
2 the requirements in Code section 423.14A are in addition to,
3 and not in lieu of, any other application of Code chapter 423
4 to a retailer or a retailer maintaining a place of business in
5 this state. Qualifying persons required to collect and remit
6 Iowa sales and use tax include any person described below. For
7 purposes of any threshold requirement described below that
8 involves the sales of taxable items, the bill defines "Iowa
9 sales" to include any sale sourced to this state under Code
10 chapter 423, or otherwise sold in this state or for delivery
11 into this state, of tangible personal property, specified
12 digital products, or services.

13 A qualifying person includes any retailer that has gross
14 revenue from Iowa sales equal to or exceeding \$100,000 for the
15 current or previous calendar year.

16 A qualifying person includes any retailer that makes Iowa
17 sales in 200 or more separate transactions for the current or
18 previous calendar year.

19 A qualifying person includes any retailer that owns,
20 licenses, or uses software or data files (as defined in the
21 bill) that are installed or stored on property used in this
22 state.

23 A qualifying person includes any retailer that uses in-state
24 software (as defined in the bill) to make Iowa sales.

25 A qualifying person includes any retailer that provides, or
26 enters into an agreement to provide, a content distribution
27 network (as defined in the bill) in this state to facilitate,
28 accelerate, or enhance the delivery of the retailer's internet
29 site to purchasers. However, this provision does not apply to
30 any retailer that has gross revenue from Iowa sales of less
31 than \$100,000 for the current or previous calendar year.

32 A qualifying person includes any retailer that makes Iowa
33 sales through a marketplace provider (as defined in the bill).
34 However, this provision does not apply to any retailer that
35 has gross revenue from Iowa sales of less than \$10,000 for the

1 current or previous calendar year.

2 A qualifying person includes any marketplace provider that
3 makes or facilitates Iowa sales for a retailer equal to or
4 exceeding \$100,000, or in 200 or more separate transactions for
5 the current or previous year. The bill requires marketplace
6 providers to collect Iowa sales and use tax on the entire
7 sales price or purchase price paid the purchaser, regardless
8 of the amount that will ultimately accrue to or benefit the
9 marketplace provider or any other person, includes other
10 provisions related to marketplace providers, and subjects
11 certain marketplace providers and retailers described in the
12 bill to joint and several liability for the collection and
13 payment of Iowa sales and use tax.

14 A qualifying person includes a retailer that makes Iowa
15 sales through the use of a solicitor (as defined in the bill).
16 The bill creates a presumption that a retailer has a solicitor
17 in this state under certain circumstances. This provision does
18 not apply to retailers that have gross revenue from Iowa sales
19 referred by solicitors of \$10,000 or less for the current or
20 previous calendar year.

21 A qualifying person includes any person that owns, controls,
22 rents, licenses, makes available, or uses any tangible or
23 intangible property in this state or with a situs in this state
24 to make or facilitate a retail sale.

25 A qualifying person includes any person that enters into a
26 contract or agreement with a governmental entity, as defined in
27 the bill, including but not limited to contracts or agreements
28 for the provision of financial assistance or incentives such as
29 a tax credit, forgivable loan, grant, tax rebate, or any other
30 thing of value. This provision includes certain requirements
31 for contractors who submit bids and agreements to state
32 agencies similar to language in current Code section 423.2(10).
33 The bill strikes the similar language under existing law in
34 Code section 423.2(10).

35 A qualifying person includes any affiliate or any retailer

1 that is required to collect Iowa sales and use tax, provided
2 the affiliate makes retail sales.

3 OTHER MISCELLANEOUS SALES AND USE TAX CHANGES. The bill
4 moves provisions relating to the deposit and transfer of sales
5 tax revenues in Code section 423.11 to a new Code section
6 423.2A, and makes corresponding changes to other provisions of
7 the Code that reference those deposit and transfer provisions.

8 The bill amends the definition of "lease or rental", "use",
9 "use tax", and "user" in Code section 423.1. The bill also
10 amends the definition of "bundled transaction" in Code section
11 423.2(8) to incorporate certain language also included in
12 the definition of "bundled transaction" for purposes of the
13 streamlined sales tax agreement, of which Iowa is a member
14 state. The changes to the definition of bundled transaction
15 take effect July 1, 2018.

16 The bill defines "personal property" for purposes of the
17 sales and use tax to include but not be limited to tangible
18 personal property and specified digital products.

19 The bill amends the definition of "place of business" in
20 Code section 423.1 to include places where specified digital
21 products or services are offered for sale, and provides that
22 it is the intent of the general assembly that the change to
23 the definition is a conforming amendment consistent with
24 current state law, and that the amendment does not change the
25 application of current law but instead reflects current law
26 both before and after the enactment of the change. These
27 changes to the definition of "place of business" take effect
28 July 1, 2018.

29 The bill provides that when any retailer required under
30 Iowa law to collect and remit sales and use tax fails to do
31 so, the retailer and any affiliate that directly, indirectly,
32 or constructively controls the retailer shall be held jointly
33 and severally liable for the tax and any resulting penalty and
34 interest, regardless of whether the affiliate is a retailer.
35 The bill provides the department the authority to assess

1 the full amount of any tax, penalty, or interest against
2 the retailer and these affiliates, and gives the department
3 discretion to disregard or look through any organizational
4 structure of an enterprise to assess tax, penalty, and interest
5 against an affiliate of a retailer. The term "affiliate" for
6 purposes of these provisions is defined under existing law in
7 Code section 423.1(2).

8 Finally, the bill adds several Code sections relating to
9 the requirement to collect sales and use tax to the provisions
10 for which failure to comply may subject a retailer to personal
11 liability under Code section 421.26.

12 EFFECTIVE DATE PROVISIONS. Except as otherwise provided
13 above, the division takes effect January 1, 2019.

14 DIVISION V — HOTEL AND MOTEL EXCISE TAX AND AUTOMOBILE
15 RENTAL EXCISE TAX. The bill amends the hotel and motel excise
16 tax in Code chapter 423A and the automobile rental excise tax
17 in Code chapter 423C to expand the types of persons who must
18 collect and remit the excise taxes, and to make other changes
19 to the administration of the taxes.

20 Current law requires lessors, as defined with respect to
21 each excise tax, to collect the excise tax. The bill amends
22 the definition of "lessor" under each tax to more broadly
23 include any person who acquires a right or interest in lodging
24 or an automobile, any person who actually or constructively
25 rents lodging or an automobile, lodging facilitators and rental
26 facilitators, and retailers who would be required to collect
27 the excise taxes if the excise taxes were a sales and use tax
28 under Code chapter 423. The bill defines a lodging facilitator
29 with respect to the hotel and motel excise tax, and defines a
30 rental facilitator with respect to the automobile rental excise
31 tax, to include certain persons who facilitate the renting of
32 the taxable items by directly or indirectly performing certain
33 acts with regard to the rental transaction. The bill modifies
34 the definition of "sales price" for purposes of the hotel
35 and motel excise tax and "rental price" with respect to the

1 automobile rental excise tax.

2 The bill repeals an exemption from the hotel and motel excise
3 tax provided for the renting of rooms in a memorial union of an
4 Iowa college or university, and expands an exemption for the
5 renting of rooms in certain religious institutions so that it
6 also applies to the state and local hotel and motel excise tax.
7 Under current law, that exemption only applies to the local
8 hotel and motel excise tax.

9 The bill modifies the definition of "lodging" for purposes
10 of the hotel and motel excise tax to include a cabin,
11 apartment, or residential property. The bill provides that it
12 is the intent of the general assembly that the change to the
13 definition of "lodging" is a conforming amendment consistent
14 with current state law, and that the amendments do not change
15 the application of current law but instead reflect current law
16 both before and after the enactment of these changes. The
17 changes to the definition of "lodging" take effect July 1,
18 2018.

19 Finally, the bill provides that if a transaction under
20 either excise tax involves both a lessor and a lodging
21 facilitator or rental facilitator, as applicable, then both
22 parties will be jointly and severally liable for the applicable
23 tax, and further provides that the lodging facilitator or
24 rental facilitator shall collect the entire amount of tax
25 due on the transaction, regardless of the amount that will
26 ultimately accrue to the benefit of the lodging facilitator or
27 rental facilitator, or any other person.

28 EFFECTIVE DATE PROVISIONS. Except as otherwise provided
29 above, the division takes effect January 1, 2019.
