19 EXPLANATION

20 The inclusion of this explanation does not constitute agreement with
21 the explanation's substance by the members of the general assembly.

22 This bill authorizes a school district to adopt, for the
23 school district or for an individual school, a mandatory
24 uniform policy, in addition to the dress code policy currently
25 authorized by the Code, if the board determines that a
26 mandatory uniform policy is necessary for the health, safety,
27 or positive educational environment of students and staff in
28 the school environment or for the appropriate discipline and
29 operation of the school.

30 The bill provides that a mandatory uniform policy is not
31 a violation of Code section 280.22, which establishes that
32 public school students have the right to exercise freedom of
33 speech, if the mandatory uniform policy is viewpoint neutral,
34 is reasonably related to legitimate pedagogical concerns, or
35 protects students from sexually explicit, indecent, or lewd

1 speech.

2 The bill eliminates the general assembly's findings and

3 declarations regarding a dress code policy.
