20 EXPLANATION

21 The inclusion of this explanation does not constitute agreement with  
22 the explanation's substance by the members of the general assembly.

23 This bill adds care furnished by bona fide religious  
24 institutions to entities to which the definition of "children's  
25 residential facility" does not apply.

26 Currently, Code section 237C.1 defines "children's  
27 residential facility" to mean a private facility designed to  
28 serve children under the age of 18 who have been voluntarily  
29 placed for reasons other than an exclusively recreational  
30 activity outside of their home by a parent or legal guardian  
31 and who are not under the custody or authority of the  
32 department of human services, juvenile court, or another  
33 governmental agency, and the facility provides 24-hour  
34 care, including food, lodging, supervision, education, or  
35 other care. Currently excluded from the definition are care

1 furnished by certain individuals, such as personal friends or  
2 in circumstances preceding adoption, and care furnished by  
3 entities otherwise regulated by a state agency.

4 Under the bill, an entity that furnishes care that would  
5 otherwise qualify it as a children's residential facility,  
6 but which is exempt because it is a bona fide religious  
7 institution, must notify the department of human services  
8 in writing of its existence within 30 days of commencing  
9 operation, allow annually one scheduled inspection and one  
10 unannounced inspection of the entity by a representative of the  
11 department of inspections and appeals, authorize reasonable  
12 and timely access to clients and staff of the entity by a  
13 representative of the department of human services who is  
14 responsible for investigating an allegation of abuse, comply  
15 with the state fire marshal's standards, meet the sanitation,  
16 water, and waste disposal standards adopted by the department  
17 of human services, conduct a background check on job applicants  
18 who will have significant contact with children in the  
19 entity's facility, and comply with the department's standards  
20 regarding the use of seclusion, restraint, or other restrictive  
21 interventions.

22 The bill includes session law requiring such an entity in  
23 existence on the effective date of the bill to notify the  
24 department of human services in writing of its existence within  
25 30 days of the effective date of the bill.

26 The bill takes effect upon enactment.
