A BILL FOR

1 An Act relating to criminal acts committed on or against
2 critical infrastructure property and providing penalties.
3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:
Section 1. NEW SECTION. 716.11 Critical infrastructure sabotage — definitions.

Solely for purposes of this section and section 716.12, unless the context otherwise requires:

1. "Critical infrastructure" means any of the following:

   a. Electrical critical infrastructure, including any plant, maintenance facility, parts warehouse, yard, substation, transmission or delivery line, tower or pole with transmission or delivery lines affixed, transformer, or any implement that is used to generate, store, control, monitor, transmit or deliver electrical service. Electrical critical infrastructure also includes any supervisory control and data acquisition system, or other electronic or computer instrument, that may control or monitor any component of electrical critical infrastructure.

   b. Gas, oil, refined petroleum products, or chemical critical infrastructure, including any gas or chemical-producing well, compressor station, processing plant, storage and distribution facility, storage tank, chemical truck or rail car, loading and unloading area, chemical container storage, substation, pump station, metering station, valve, regulator or meter, or transmission or distribution main, line, or pipeline, that is used to generate, store, control, monitor, transmit or deliver gas, chemicals, oil, petroleum, refined product, fertilizer, or renewable fuel. Gas, oil, refined petroleum products, or chemical critical infrastructure also includes any physical, electronic, or computer implement that may control or monitor any component of gas, oil, refined petroleum products, and chemical critical infrastructure.

   c. Telecommunications or broadband critical infrastructure, including any structure, pedestal, x-box, cross-box, manhole, handhold, splice point, antenna, cable, server, router, modem, coupler, or any other property, that is used for the purpose of reception or transmission of telecommunications or radio or broadband signals. Telecommunications or broadband critical infrastructure...
S.F. _____ H.F. _____

1 infrastructure also includes any other physical, electronic, or computer implement that may control or monitor any component of telecommunications or broadband critical infrastructure.
2 d. Wastewater critical infrastructure, including any lateral service line, collection line, manhole, trunk line, storage tank, chemical storage, methane storage, laboratory, pump station, or treatment plant. Wastewater critical infrastructure also includes any physical, electronic, or computer implement that may control or monitor any component of wastewater critical infrastructure.
3 e. Water supply critical infrastructure, including any public or private water supply system and all component facilities thereof, body of water or aquifer used as a source of water supply, water supply intake facilities, water supply treatment facilities, treated water storage facilities, or water supply distribution facilities. Water supply critical infrastructure also includes any raw water intakes, wells, pump stations, holding tanks, water towers, aquifer storage and recovery systems, water mains, control valves, hydrants, curb boxes, meter vaults, meters, distribution service lines, treatment, filtration, or chlorination implements, or any physical, electronic, or computer implement that may control or monitor any component of a water supply system.

2. “Critical infrastructure property” means property and public utility property, both as defined in section 716.7, that is considered critical infrastructure.
3. “Critical infrastructure sabotage” means any unauthorized act that is intended to or does in fact cause a substantial interruption or impairment of service rendered to the public relating to critical infrastructure property.

Sec. 2. NEW SECTION. 716.12 Critical infrastructure sabotage — penalties.

A person committing critical infrastructure sabotage commits a class “B” felony, and in addition to the provisions of section 902.9, subsection 1, paragraph “b”, shall be punished by
a fine of one hundred thousand dollars.

EXPLANATION

The inclusion of this explanation does not constitute agreement with
the explanation's substance by the members of the general assembly.

This bill creates the crime of critical infrastructure

sabotage.

The bill defines critical infrastructure property as
property and public utility property, both as defined in Code
section 716.7, that is considered critical infrastructure. The
bill defines critical infrastructure to include electrical
critical infrastructure, gas, oil, refined petroleum products,
or chemical critical infrastructure, telecommunications
or broadband critical infrastructure, wastewater critical
infrastructure, and water supply critical infrastructure. The
bill additionally defines critical infrastructure sabotage
to mean any unauthorized act that is intended to or does in
fact cause a substantial interruption or impairment of service
rendered to the public relating to critical infrastructure
property. The bill provides that a person who commits critical
infrastructure sabotage commits a class "B" felony, punishable
by confinement for no more than 25 years. The bill also
subjects a person who commits critical infrastructure sabotage
to a fine of $100,000.
