25 with other state and federal nonrepayable student aid, shall
26 not exceed an amount equivalent to the average tuition rate
27 plus the average institution-wide mandatory fees charged during
28 the same term of enrollment by the eligible institutions that
29 are community colleges.

30 *b.* If an eligible student receives nonrepayable financial
31 aid under any other state or federal program, the full amount
32 of that aid shall be considered part of the student's available
33 financial resources before determining the amount of the
34 student's future ready Iowa skilled workforce last-dollar
35 scholarship for the same period during which the student

1 receives other state or federal financial aid. However, each
2 eligible student enrolled full-time in an eligible program

19 by the eligible student shall be considered required under the
20 eligible program for purposes of this section.

21 *d.* A future ready Iowa skilled workforce last-dollar
22 scholarship shall be awarded on an annual basis, requiring
23 reapplication by an eligible student each year. Scholarship
24 payments shall be allocated equally among the semesters, or
25 the equivalent, and paid upon certification by the eligible

27 subsection 1, paragraph "e".

28 *e.* If a scholarship recipient discontinues attendance before
29 the end of any semester, or the equivalent, after receiving
30 scholarship payments, the entire amount of any refund due
31 that recipient, up to the full amount of all of the annual
32 scholarship payments made, shall be paid by the eligible
33 institution to the commission. A scholarship recipient,

1 semester, or the equivalent, is ineligible to receive future

6 Iowa skilled workforce last-dollar scholarship program and
7 shall do all of the following:

8 a. Provide application forms for distribution to students by
9 high schools and eligible institutions.

10 b. Adopt rules under chapter 17A, in collaboration with

13 duties and responsibilities of eligible institutions under the
14 program; defining residence and satisfactory academic progress
15 for purposes of the program; and establishing procedures
16 for scholarship application, processing, and approval. The
17 rules shall provide for determining the priority awarding of
18 scholarships if funds available for purposes of this section
19 are insufficient to pay all eligible students. Priority shall
20 be given to fully awarding each eligible student approved for a
21 scholarship rather than to prorating scholarship awards among
22 all eligible students.

23 c. Approve and award future ready Iowa skilled workforce
24 last-dollar scholarships on an annual basis.

25 d. Transmit to the department of workforce development the
26 compilation of information, data, and statistics submitted in
27 accordance with subsection 1, paragraph "c", subparagraph (6),
28 for the annual report required under section 84A.1B.

29 5. *Fund created.* A future ready Iowa skilled workforce
30 last-dollar scholarship fund is created in the state treasury
31 as a separate fund under the control of the commission. All
32 moneys deposited or paid into the fund are appropriated and
33 made available to the commission to be used for scholarships
34 awarded as provided under this section. Notwithstanding
35 section 8.33, any balance in the fund on June 30 of each fiscal

1 year shall not revert to the general fund of the state, but
2 shall be available for purposes of this section in subsequent
3 fiscal years.

4 Sec. 13. NEW SECTION. 261.131 Future ready Iowa skilled
5 workforce grant program.

6 1. *Definitions.* As used in this section, unless the context
7 otherwise requires:

8 a. "*Commission*" means the college student aid commission.

9 b. "*Eligible institution*" means an institution of higher
10 learning governed by the state board of regents or an
11 accredited private institution as defined in section 261.9,
12 that meets all of the following criteria:

13 (1) Applies to and is approved by the commission to
14 participate in the future ready Iowa skilled workforce grant
15 program.

16 (2) Requires eligible students to complete and file
17 application forms required by the commission, apply for
18 all available state and federal financial aid, apply to the
19 eligible institution to participate in the program, attend
20 orientation in person or virtually, register for classes
21 with the assistance of an academic advisor, and participate
22 in academic and career advising sessions required under the
23 program.

24 (3) Certifies that prior to participating in the program
25 an eligible student has earned at least half of the credits
26 necessary for a bachelor's degree and is able to complete a
27 bachelor's degree in an eligible program of study or academic
28 major leading to a designated high-demand job in the prescribed
29 grant time frame.

30 (4) Facilitates the assignment of a volunteer mentor to each
31 eligible student based on the eligible student's interest. The
32 volunteer mentor shall have successfully passed a background
33 investigation and a check of the national sex offender
34 registry as required under section 15H.9, subsection 2, and
35 both the eligible student and the volunteer mentor shall have

1 entered into a written agreement as provided in section 15H.9,
2 subsection 3.

4 and services to internships and similar local, state, and
5 federal programs.

11 commission on volunteer service, or the department of workforce
12 development.

13 (7) Submits annually information and data regarding the
14 eligible program operated by the eligible institution, the

18 manner required by the commission.

19 *c. "Eligible program"* means a program of study or an
20 academic major jointly approved by the commission and the
21 department of workforce development, in consultation with the
22 eligible institution, that leads to a bachelor's degree aligned
23 with a high-demand job designated by the workforce development
24 board pursuant to section 84A.1B, subsection 13A. If the
25 department removes a high-demand job from the list created
26 under section 84A.1B, subsection 13A, an eligible student
27 who received a grant for a program based on that high-demand
28 job shall continue to receive the grant until achieving a
29 bachelor's degree as long as the student continues to meet all
30 other eligibility requirements.

31 *d. "Eligible student"* means an Iowa resident who meets all
32 of the following requirements:

33 (1) Has earned at least half of the credits necessary for a
34 bachelor's degree and is able to complete a bachelor's degree
35 in an eligible program of study or academic major leading to a

9 awarded under this section, an eligible student must annually
10 submit a new application to the commission for reevaluation of
11 eligibility.

13 during the twenty-four months preceding the date on which the
14 commission receives the individual's application to participate
15 in the program.

16 (4) Enrolls in at least six semester hours, or the
17 equivalent, in an eligible program. However, an eligible
18 student may enroll in fewer than six semester hours, or the
19 equivalent, if the eligible student needs fewer than six
20 semester hours of credit, or the equivalent, to achieve a
21 bachelor's degree under the eligible program.

22 (5) Is making satisfactory academic progress as defined by
23 the eligible institution.

24 (6) Remains continuously enrolled unless granted a leave of
25 absence by the eligible institution based on criteria adopted
26 by rule by the commission.

27 *e. "Full-time"* means enrollment in at least twelve semester
28 hours or the equivalent.

29 *f. "Part-time"* means enrollment in at least six but less
30 than twelve semester hours or the equivalent.

31 2. *Allowable activities.* An eligible student may work
32 with an assigned volunteer mentor to help the student meet the
33 requirements of this section or the requirements of an eligible
34 program, identify and participate in work-based learning
35 opportunities with the approval of the eligible institution,

1 and make other career-related connections.

2 3. *Grant limitations — requirements.*

3 a. A full-time eligible student may receive a future ready
4 Iowa skilled workforce grant annually for not more than four
5 semesters, or the equivalent, or until the eligible student
6 earns a bachelor's degree under the program, whichever occurs
7 first. A part-time eligible student may receive the grant for
8 not more than eight semesters, or the equivalent, on a prorated
9 basis, or until the eligible student earns a bachelor's degree
10 under the eligible program, whichever occurs first.

11 b. The amount of a future ready Iowa skilled workforce grant
12 to a full-time eligible student shall be at least one thousand
13 dollars annually. The amount of a future ready Iowa skilled
14 workforce grant to a part-time eligible student shall be equal
15 to the amount that would be awarded to a full-time student
16 except that the commission shall prorate the amount based on
17 the recipient student's semester hour or equivalent enrollment.

18 c. A future ready Iowa skilled workforce grant shall be
19 awarded on an annual basis, requiring reapplication by an
20 eligible student each year. Payments under the grant shall be
21 allocated equally among the semesters, or the equivalent, and
22 paid upon certification by the eligible institution that the
23 student meets the requirements of subsection 1, paragraph "d".

24 d. If a grant recipient discontinues attendance before the
25 end of any semester, or the equivalent, after receiving grant
26 payments, the entire amount of any refund due that recipient,
27 up to the full amount of all annual grant payments made, shall
28 be paid by the eligible institution to the commission.

29 4. *Commission's duties and responsibilities.* Subject to an
30 appropriation of funds by the general assembly for purposes of
31 this section, the commission shall administer the future ready
32 Iowa skilled workforce grant program and shall do all of the
33 following:

34 a. Provide application forms for distribution to students by
35 eligible institutions.

1 *b.* Adopt rules under chapter 17A, in collaboration with
2 the department of workforce development, for administration of
3 this section, including but not limited to establishing the
4 duties and responsibilities of eligible institutions under the
5 program; defining residence and satisfactory academic progress
6 for purposes of the program; and establishing procedures for
7 grant application, processing, and approval. The rules shall
8 provide for determining the priority awarding of grants if
9 funds available for purposes of this section are insufficient
10 to pay all eligible students. Priority shall be given to fully
11 awarding each eligible student approved for a grant rather than
12 to prorating grant awards among all eligible students.

13 *c.* Approve and award grants on an annual basis.

14 *d.* Transmit to the department of workforce development the
15 compilation of information, data, and statistics submitted in
16 accordance with subsection 1, paragraph "b", subparagraph (7),
17 for the annual report required under section 84A.1B.

18 5. *Fund created.* A future ready Iowa skilled workforce
19 grant fund is created in the state treasury as a separate fund
20 under the control of the commission. All moneys deposited or
21 paid into the fund are appropriated and made available to the
22 commission to be used for grants awarded as provided under this
23 section. Notwithstanding section 8.33, any balance in the fund
24 on June 30 of each fiscal year shall not revert to the general
25 fund of the state, but shall be available for purposes of this
26 section in subsequent fiscal years.

27 Sec. 14. Section 261E.8, Code 2018, is amended by adding the
28 following new subsection:

29 NEW SUBSECTION. 7A. Subject to an appropriation of funds
30 by the general assembly for this purpose, the department shall
31 establish a program to provide additional funds for resident
32 high school pupils enrolled in grades nine through twelve to
33 attend a community college for college-level classes or attend
34 a class taught by a community college-employed instructor
35 through a contractual agreement between a community college and

1 a school district that satisfies the requirements for classes
2 under section 257.11, subsection 3, except that the classes
3 eligible for funding under this program are offered during the
4 summer and outside of the regular school year and are aligned
5 with career pathways leading to postsecondary credentials
6 and high-demand jobs designated by the workforce development
7 board created in section 84A.1B. A community college shall
8 not charge students tuition for a class offered partially
9 or completely outside of the regular school year under this
10 program.

11 Sec. 15. EFFECTIVE DATE. This division of this Act takes
12 effect July 1, 2019.

13 EXPLANATION

14 The inclusion of this explanation does not constitute agreement with
15 the explanation's substance by the members of the general assembly.

16 This bill relates to workforce development by establishing
17 a volunteer mentoring program, a registered apprenticeship
18 development program, an employer innovation fund, a summer
19 youth intern program, and future ready Iowa skilled workforce
20 scholarship and grant programs and funds, and providing for
21 shared postsecondary summer classes for high school students
22 that are aligned with career pathways. The bill also makes
23 conforming changes.

24 DIVISION I — TITLE OF ACT. The bill provides that it may be
25 known and cited as the "Future Ready Iowa Act".

26 DIVISION II — FUTURE READY IOWA REGISTERED APPRENTICESHIP
27 DEVELOPMENT PROGRAM. Subject to an appropriation of funds
28 by the general assembly for this purpose, the bill creates
29 a future ready Iowa registered apprenticeship development
30 program, to be administered by the economic development
31 authority, to provide financial assistance meant to incentivize
32 small and medium-sized apprenticeship sponsors to establish
33 new or additional eligible apprenticeable occupations to
34 support the growth of apprenticeships and expand high-quality
35 work-based learning experiences in high-demand fields and

1 careers.

2 The bill includes definitions relating to apprenticeships
3 that correspond to U.S. department of labor standards.

4 However, "eligible apprenticeable occupation" means those
5 identified by the Iowa workforce development board as a
6 high-demand job in consultation with the authority.

7 To receive financial assistance, an apprenticeship sponsor
8 must demonstrate how the program's financial assistance would
9 be used.

10 An apprenticeship sponsor is eligible to apply for financial
11 assistance for a new or additional apprenticeable occupation in
12 the apprenticeship sponsor's apprenticeship program if 20 or
13 fewer apprentices are in the existing apprenticeship program
14 and more than 70 percent of the applicant's apprentices are
15 Iowa residents.

16 An apprenticeship sponsor is ineligible to receive financial
17 assistance from this program and the apprenticeship training
18 program established under Code chapter 15B during the same
19 fiscal year.

20 The authority's administrative expenditures shall not exceed
21 2 percent of the moneys appropriated for a fiscal year for
22 purposes of the program. Moneys appropriated for the program
23 carry over for use in subsequent fiscal years.

24 DIVISION III — VOLUNTEER MENTOR PROGRAM. Subject to an
25 appropriation by the general assembly, the commission on
26 volunteer service shall establish a volunteer mentor program
27 to support implementation of the future ready Iowa skilled
28 workforce last-dollar scholarship and the future ready Iowa
29 skilled workforce grant programs. The commission must adopt
30 rules to implement and administer the program and establish
31 standards, guidelines, and expectations for a productive and
32 appropriate relationship between mentors and mentees, which
33 must be part of the required written agreements between mentors
34 and mentees.

35 A prospective volunteer mentor must have successfully passed

1 a background investigation and a check of the national sex
2 offender registry. The mentor assigned to a prospective mentee
3 must be appropriate to the prospective mentee's field of study
4 whenever possible.

5 Moneys appropriated for purposes of the program may carry
6 over to the succeeding fiscal year for purposes of the program.

7 STATE WORKFORCE DEVELOPMENT BOARD — HIGH-DEMAND JOBS AND
8 ANNUAL PROGRAM REPORT. The state workforce development board
9 is directed to create and update a list of high-demand jobs
10 statewide for purposes of the future ready Iowa registered
11 apprenticeship development program, the summer youth intern
12 pilot program, the Iowa employer innovation program, the
13 future ready Iowa skilled workforce last-dollar scholarship
14 program, the future ready Iowa skilled workforce grant program,
15 and postsecondary summer classes for high school students.
16 The board has full discretion to select and prioritize
17 high-demand jobs, but must consult with business and education
18 stakeholders, and seek public comment. "High-demand job"
19 is defined to mean a job in the state for which the board
20 determines work opportunities are available and qualified
21 applicants are lacking.

22 The board must also compile and submit an annual report
23 relating to participation in the programs to the governor and
24 the general assembly.

25 SUMMER YOUTH INTERN PROGRAM. A summer youth intern program
26 is established within the department of workforce development
27 to promote learning by providing internship opportunities
28 that allow youths who are at risk of not graduating from high
29 school, are from low-income households, are from communities
30 underrepresented in the Iowa workforce, or otherwise face
31 barriers to success and upward mobility in the labor market,
32 to explore and prepare for high-demand careers, to gain work
33 experience, and to develop personal attributes necessary to
34 succeed in the workplace.

35 Subject to an appropriation of funds by the general assembly

1 for this purpose, the department shall award grants for summer
2 youth intern pilot projects on a competitive basis and work
3 with employers, nonprofits, and educational institutions to
4 place youth in internships primarily in high-demand career
5 fields. The department must annually issue a request for
6 proposals to the public specifying the expectations and
7 requirements for summer youth intern pilot project grant
8 qualification. The bill specifies what the department must
9 consider before awarding a grant.

10 IOWA EMPLOYER INNOVATION PROGRAM AND FUND. Subject to an
11 appropriation by the general assembly for this purpose, an Iowa
12 employer innovation program is established in the department
13 of workforce development to expand opportunities for credit
14 and noncredit education and training leading to high-demand
15 jobs for the residents of Iowa and to encourage Iowa employers,
16 community leaders, and others to provide leadership and support
17 for regional workforce talent pools throughout the state.

18 An employer, employer consortium, community organization, or
19 other entity seeking matching moneys must submit an application
20 and a proposal to the department. The bill describes the
21 factors the department must take into account in awarding
22 matching moneys.

23 An Iowa employer innovation fund is created in the state
24 treasury under the control of the department. Moneys in the
25 fund carry over for use in subsequent fiscal years.

26 FUTURE READY IOWA SKILLED WORKFORCE LAST-DOLLAR SCHOLARSHIP
27 PROGRAM. A future ready Iowa skilled workforce last-dollar
28 scholarship shall be administered by the college student aid
29 commission subject to an appropriation of funds by the general
30 assembly for the program. An Iowa resident, who may be a new
31 high school graduate or adult learner, at a participating
32 community college or accredited private institution is
33 eligible for a scholarship if the student is enrolled in an
34 eligible program of study leading to a certificate, diploma, or
35 associate degree aligned with a high-demand job as designated

1 by the state workforce development board. A full-time eligible
2 student may receive a scholarship for not more than five
3 semesters, or the semester equivalent, or until the eligible
4 student earns a postsecondary credential up to an associate
5 degree under the program, whichever occurs first. A part-time
6 eligible student may receive the scholarship on a prorated
7 basis for not more than eight semesters or until earning a
8 postsecondary credential up to an associate degree, whichever
9 occurs first.

10 For an eligible student attending a community college,
11 the annual amount of the scholarship, when combined with
12 other state and federal nonrepayable student aid, shall not
13 exceed an amount equivalent to the tuition and any mandatory
14 institution-wide fees charged by the community college for
15 the eligible program. For an eligible student pursuing an
16 associate degree at an accredited private institution, the
17 annual amount of the scholarship, when combined with other
18 state and federal nonrepayable student aid, shall not exceed an
19 amount equivalent to the average tuition rate plus the average
20 institution-wide mandatory fees charged during the same term
21 of enrollment by eligible community colleges. Each full-time
22 eligible student shall receive at least \$500 annually, with
23 part-time students receiving a prorated amount.

24 If a scholarship recipient discontinues attendance before
25 the end of any semester, and is not approved for a leave of
26 absence by the institution, any annual refund due shall be
27 paid by the eligible institution to the commission, and the
28 recipient is ineligible to receive future scholarships under
29 the program.

30 The bill tasks the commission with adopting rules, including
31 for the priority awarding of scholarships if funds are
32 insufficient to pay all eligible students.

33 The future ready Iowa skilled workforce last-dollar
34 scholarship fund is created in the state treasury under the
35 control of the commission. Moneys in the fund carry over for

1 use in subsequent fiscal years.

2 FUTURE READY IOWA SKILLED WORKFORCE GRANT PROGRAM. Subject
3 to an appropriation by the general assembly for the program,
4 the future ready Iowa skilled workforce grant shall be
5 administered by the college student aid commission. An Iowa
6 resident who for two years preceding application was not
7 enrolled in a postsecondary institution is eligible for a
8 grant if the person has earned half the credit needed for a
9 bachelor's degree and is enrolled in a participating regents
10 university or accredited private institution in an eligible
11 program that leads to a bachelor's degree aligned with a
12 high-demand job designated by the state workforce development
13 board. A full-time eligible student may receive a future ready
14 Iowa skilled workforce grant annually for not more than four
15 semesters or until the eligible student earns a bachelor's
16 degree under the program, whichever occurs first. A part-time
17 eligible student may receive the grant on a prorated basis.

18 The annual grant amount to a full-time eligible student
19 shall be at least \$1,000. The annual grant amount to a
20 part-time eligible student is prorated based on the recipient's
21 semester hour or equivalent enrollment.

22 The grant is awarded on an annual basis, requiring
23 reapplication by an eligible student each year.

24 If a grant recipient discontinues attendance before the end
25 of any semester, or the equivalent, the eligible institution
26 shall pay to the commission any refund due to the recipient up
27 to the full amount of annual grant payments made.

28 The commission must adopt rules, including the priority
29 awarding of grants if funds are insufficient to pay all
30 eligible students.

31 The future ready Iowa skilled workforce grant fund is
32 created in the state treasury as a separate fund under the
33 control of the commission. Moneys in the fund carry over for
34 use in subsequent fiscal years.

35 POSTSECONDARY SUMMER CLASSES FOR HIGH SCHOOL STUDENTS.

1 Subject to an appropriation by the general assembly, the
2 department is directed to establish a program to provide
3 additional funds for resident high school pupils enrolled in
4 grades 9-12 to attend summer classes for postsecondary credit
5 under a contractual agreement between a community college and
6 a school district. The classes must be aligned with career
7 pathways leading to postsecondary credentials and high-demand
8 jobs. The bill prohibits a community college from charging a
9 pupil tuition for such a class.

10 EFFECTIVE DATE OF DIVISION III. Division III takes effect
11 July 1, 2019.
