18 follows:

19     **125.80 Physician's or mental health professional's**

22 within a reasonable time and prior to the commitment hearing  
23 by one or more licensed ~~physicians~~ physician and surgeons  
24 or osteopathic physician and surgeons or mental health  
25 professionals as required by the court's order. If the  
26 respondent is taken into custody under [section 125.81](#), the  
27 examination shall be conducted within twenty-four hours after  
28 the respondent is taken into custody. If the respondent  
29 desires, the respondent may have a separate examination by a  
30 licensed physician and surgeon or osteopathic physician and  
31 surgeon or mental health professional of the respondent's own  
32 choice. The court shall notify the respondent of the right  
33 to choose a licensed physician and surgeon or osteopathic  
34 physician and surgeon or mental health professional for a  
35 separate examination. The reasonable cost of the examinations

1 shall be paid from county funds upon order of the court if the  
2 respondent lacks sufficient funds to pay the cost.

3     *b.* A licensed physician and surgeon or osteopathic  
4 physician and surgeon or mental health professional conducting  
5 an examination pursuant to this section may consult with or  
6 request the participation in the examination of facility  
7 personnel, and may include with or attach to the written report  
8 of the examination any findings or observations by facility  
9 personnel who have been consulted or have participated in the  
10 examination.

11     *c.* If the respondent is not taken into custody under  
12 section 125.81, but the court is subsequently informed that the  
13 respondent has declined to be examined by a licensed physician  
14 and surgeon or osteopathic physician and surgeon or mental  
15 health professional pursuant to the court order, the court  
16 may order limited detention of the respondent as necessary to  
17 facilitate the examination of the respondent by the licensed  
18 physician and surgeon or osteopathic physician and surgeon or  
19 mental health professional.

20     2. A written report of the examination by a court-designated  
21 licensed physician and surgeon or osteopathic physician and  
22 surgeon or mental health professional shall be filed with  
23 the clerk prior to the hearing date. A written report of an  
24 examination by a licensed physician and surgeon or osteopathic  
25 physician and surgeon or mental health professional chosen  
26 by the respondent may be similarly filed. The clerk shall  
27 immediately:

28     *a.* Cause a report to be shown to the judge who issued the  
29 order.

30     *b.* Cause the respondent's attorney to receive a copy  
31 of the report of a court-designated licensed physician and  
32 surgeon or osteopathic physician and surgeon or mental health  
33 professional.

34     3. If the report of a court-designated licensed physician  
35 and surgeon or osteopathic physician and surgeon or mental

1 health professional is to the effect that the respondent is not  
2 a person with a substance-related disorder, the court, without  
3 taking further action, may terminate the proceeding and dismiss  
4 the application on its own motion and without notice.

5 4. If the report of a court-designated licensed physician  
6 and surgeon or osteopathic physician and surgeon or mental  
7 health professional is to the effect that the respondent is  
8 a person with a substance-related disorder, the court shall  
9 schedule a commitment hearing as soon as possible. The hearing  
10 shall be held not more than forty-eight hours after the report  
11 is filed, excluding Saturdays, Sundays, and holidays, unless  
12 an extension for good cause is requested by the respondent,  
13 or as soon thereafter as possible if the court considers that  
14 sufficient grounds exist for delaying the hearing.

15 Sec. 44. Section 125.82, subsection 3, Code 2018, is amended  
16 to read as follows:

17 3. The person who filed the application and a licensed  
18 physician and surgeon or osteopathic physician and surgeon,  
19 mental health professional, or certified alcohol and drug  
20 counselor certified by the nongovernmental Iowa board of  
21 substance abuse certification who has examined the respondent  
22 in connection with the commitment hearing shall be present  
23 at the hearing, unless the court for good cause finds that  
24 their presence or testimony is not necessary. The applicant,  
25 respondent, and the respondent's attorney may waive the  
26 presence or telephonic appearance of the licensed physician  
27 and surgeon or osteopathic physician and surgeon, mental  
28 health professional, or certified alcohol and drug counselor  
29 who examined the respondent and agree to submit as evidence  
30 the written report of the licensed physician and surgeon or  
31 osteopathic physician and surgeon, mental health professional,  
32 or certified alcohol and drug counselor. The respondent's  
33 attorney shall inform the court if the respondent's attorney  
34 reasonably believes that the respondent, due to diminished  
35 capacity, cannot make an adequately considered waiver decision.

1 "Good cause" for finding that the testimony of the licensed  
2 physician and surgeon or osteopathic physician and surgeon,  
3 mental health professional, or certified alcohol and drug  
4 counselor who examined the respondent is not necessary may  
5 include, but is not limited to, such a waiver. If the court  
6 determines that the testimony of the licensed physician and  
7 surgeon or osteopathic physician and surgeon, mental health  
8 professional, or certified alcohol and drug counselor is  
9 necessary, the court may allow the licensed physician and  
10 surgeon or osteopathic physician and surgeon, mental health  
11 professional, or certified alcohol and drug counselor to  
12 testify by telephone. The respondent shall be present at the  
13 hearing unless prior to the hearing the respondent's attorney  
14 stipulates in writing that the attorney has conversed with the  
15 respondent, and that in the attorney's judgment the respondent  
16 cannot make a meaningful contribution to the hearing, or that  
17 the respondent has waived the right to be present, and the  
18 basis for the attorney's conclusions. A stipulation to the  
19 respondent's absence shall be reviewed by the court before the  
20 hearing, and may be rejected if it appears that insufficient  
21 grounds are stated or that the respondent's interests would not  
22 be served by the respondent's absence.

23 Sec. 45. Section 125.91, subsections 2 and 3, Code 2018, are  
24 amended to read as follows:

25 2. a. A peace officer who has reasonable grounds to  
26 believe that the circumstances described in [subsection 1](#) are  
27 applicable may, without a warrant, take or cause that person  
28 to be taken to the nearest available facility referred to in  
29 section 125.81, subsection 2, paragraph "b" or "c". Such a  
30 person with a substance-related disorder due to intoxication  
31 or substance-induced incapacitation who also demonstrates  
32 a significant degree of distress or dysfunction may also  
33 be delivered to a facility by someone other than a peace  
34 officer upon a showing of reasonable grounds. Upon delivery  
35 of the person to a facility under [this section](#), the attending

1 physician and surgeon or osteopathic physician and surgeon  
2 may order treatment of the person, but only to the extent  
3 necessary to preserve the person's life or to appropriately  
4 control the person's behavior if the behavior is likely to  
5 result in physical injury to the person or others if allowed to  
6 continue. The peace officer or other person who delivered the  
7 person to the facility shall describe the circumstances of the  
8 matter to the attending physician and surgeon or osteopathic  
9 physician and surgeon. If the person is a peace officer,  
10 the peace officer may do so either in person or by written  
11 report. If the attending physician and surgeon or osteopathic  
12 physician and surgeon has reasonable grounds to believe that  
13 the circumstances in [subsection 1](#) are applicable, the attending  
14 physician shall at once communicate with the nearest available  
15 magistrate as defined in [section 801.4, subsection 10](#). The  
16 magistrate shall, based upon the circumstances described by  
17 the attending physician and surgeon or osteopathic physician  
18 and surgeon, give the attending physician and surgeon or  
19 osteopathic physician and surgeon oral instructions either  
20 directing that the person be released forthwith, or authorizing  
21 the person's detention in an appropriate facility. The  
22 magistrate may also give oral instructions and order that the  
23 detained person be transported to an appropriate facility.

24 *b.* If the magistrate orders that the person be detained, the  
25 magistrate shall, by the close of business on the next working  
26 day, file a written order with the clerk in the county where it  
27 is anticipated that an application may be filed under section  
28 125.75. The order may be filed by facsimile if necessary. The  
29 order shall state the circumstances under which the person  
30 was taken into custody or otherwise brought to a facility  
31 and the grounds supporting the finding of probable cause to  
32 believe that the person is a person with a substance-related  
33 disorder likely to result in physical injury to the person  
34 or others if not detained. The order shall confirm the oral  
35 order authorizing the person's detention including any order

1 given to transport the person to an appropriate facility. The  
2 clerk shall provide a copy of that order to the attending  
3 physician and surgeon or osteopathic physician and surgeon at  
4 the facility to which the person was originally taken, any  
5 subsequent facility to which the person was transported, and  
6 to any law enforcement department or ambulance service that  
7 transported the person pursuant to the magistrate's order.

8 3. The attending physician and surgeon or osteopathic  
9 physician and surgeon shall examine and may detain the person  
10 pursuant to the magistrate's order for a period not to exceed  
11 forty-eight hours from the time the order is dated, excluding  
12 Saturdays, Sundays, and holidays, unless the order is dismissed  
13 by a magistrate. The facility may provide treatment which is  
14 necessary to preserve the person's life or to appropriately  
15 control the person's behavior if the behavior is likely to  
16 result in physical injury to the person or others if allowed  
17 to continue or is otherwise deemed medically necessary by  
18 the attending physician and surgeon or osteopathic physician  
19 and surgeon or mental health professional, but shall not  
20 otherwise provide treatment to the person without the person's  
21 consent. The person shall be discharged from the facility and  
22 released from detention no later than the expiration of the  
23 forty-eight-hour period, unless an application for involuntary  
24 commitment is filed with the clerk pursuant to [section 125.75](#).  
25 The detention of a person by the procedure in [this section](#), and  
26 not in excess of the period of time prescribed by [this section](#),  
27 shall not render the peace officer, attending physician and  
28 surgeon or osteopathic physician and surgeon, or facility  
29 detaining the person liable in a criminal or civil action  
30 for false arrest or false imprisonment if the peace officer,  
31 attending physician and surgeon or osteopathic physician  
32 and surgeon, mental health professional, or facility had  
33 reasonable grounds to believe that the circumstances described  
34 in [subsection 1](#) were applicable.

35 Sec. 46. Section 125.92, subsection 4, Code 2018, is amended

1 to read as follows:

2 4. Enjoy all legal, medical, religious, social, political,  
3 personal, and working rights and privileges, which the person  
4 would enjoy if not detained, taken into immediate custody,  
5 or committed, consistent with the effective treatment of the  
6 person and of the other persons in the facility. If the  
7 person's rights are restricted, the ~~physician's~~ physician and  
8 surgeon's or osteopathic physician and surgeon's or mental  
9 health professional's direction to that effect shall be noted  
10 in the person's record. The person or the person's next of  
11 kin or guardian shall be advised of the person's rights and  
12 be provided a written copy upon the person's admission to or  
13 arrival at the facility.

27 105.32, Code 2018, are repealed.

28 Sec. 181. 2017 Iowa Acts, chapter 136, is amended by adding  
29 the following new section:

30 NEW SECTION. SEC. 15A. Section 34A.15, subsection 4, Code

33 moneys in the ~~E911~~ 911 emergency communications fund, to public  
34 safety answering points agreeing to consolidate pursuant to  
35 section 34A.7A, subsection 2, paragraph "h".

1 Section 8C.7A: Adds initial July 1, 2017, deadline  
2 language, which appears to be implied by a later July 1,  
3 2017, cutoff date, in language specifying the date by which  
4 governmental authorities must have adopted municipal or county  
5 codes requiring an application or permit for the installation,  
6 placement, operation, maintenance, or replacement of a  
7 micro wireless facility in order to continue to impose that  
8 requirement.

9 Section 12C.5: Deletes redundant language that replicates  
10 a requirement currently contained in Code section 12B.10,  
11 subsection 4, paragraph "a", subparagraph (6). This language  
12 originally modified other language establishing requirements  
13 for investments if money could not be deposited in any approved  
14 depository, but that other language was stricken by 1984 Iowa  
15 Acts, chapter 1230, section 9.

16 Section 15.106E: Repeals this Code section which provided  
17 for a review of the economic development authority and its  
18 activities by the general assembly and the issuance of a report  
19 by January 1, 2015.

20 Section 15.293B: Revises the language of subsection  
21 1, paragraph "i", relating to additional applications for  
22 redevelopment tax credits, to conform that language to similar  
23 language in subsection 2, paragraph "g", which indicates that  
24 it is the applications for funds, not the applicants, that are  
25 reviewed and scored by the economic development authority.

26 Sections 16.161, 422.7, 423.3, and 480.4: Corrects  
27 references to the 911 program and bonds issued under the 911  
28 program in Code chapter 34A, based on similar changes made to  
29 the program name by 2017 Iowa Acts, chapter 136, and numbers  
30 unnumbered paragraphs in one Code section.

31 Section 20.3: Numbers an unnumbered paragraph and  
32 enumerates the items which currently appear after a colon  
33 and conforms other language to more current Code style in  
34 the definitions of the terms "confidential employee" and  
35 "professional employee" which apply to the Code chapter

1 governing collective bargaining.

2 Section 22.15: Conforms terminology to other uses within  
3 this same Code section relating to information that is placed  
4 in employee personnel records.

5 Section 29A.27: Updates an archaic internal reference  
6 describing the applicability of the pay and benefits  
7 requirements in this Code section regarding pay and allowances  
8 that must be paid to officers and enlisted persons while on  
9 state active duty.

10 Sections 30.3 and 30.4: Adds the words "of natural  
11 resources" after references to "department" in several places,  
12 because "department" is defined for purposes of Code chapter 30  
13 as meaning the department of homeland security and emergency  
14 management and because the department of natural resources  
15 is being referred to in these instances in these provisions  
16 outlining the duties of various departments in the case of a  
17 chemical emergency.

18 Section 34A.3: Restructures, to clarify the language of  
19 this provision relating to the circumstances under which  
20 the 911 program manager may order the combining of certain  
21 territories into an adjacent 911 service area.

22 Section 34A.8: Replaces the word "it" with the words  
23 "local exchange service information" to clarify the meaning of  
24 language describing what information must be kept confidential  
25 by a joint 911 service board, other state and local officials,  
26 designated 911 service providers, public safety answering  
27 points, and their agents, employees, and assigns.

28 Section 35C.5: Divides this single paragraph Code section  
29 into numbered subsections based upon Code section content,  
30 updates archaic language, and divides run-on sentences in two  
31 to improve the readability of this provision regarding appeals  
32 from administrative and judicial proceedings related to a  
33 denial of veterans preference to an individual entitled to that  
34 preference.

35 Section 37.6: Changes "to" to "through" in a string citation

1 to clarify that the last Code section referenced is included in  
2 the citation and substitutes specific Code section references  
3 for "in accordance with provisions of law" to clarify the  
4 meaning of this Code section relating to issuance of bonds by  
5 counties and cities.

6 Section 43.5: Substitutes "otherwise provided in this  
7 chapter" for "hereinafter provided" to clarify the meaning  
8 of language describing the extent of the exception to the  
9 applicability of various Code chapters to primary elections.

10 Section 43.20: Substitutes a specific reference to  
11 subsection 1 for the word "above", in language describing how  
12 to derive the number of signatures required for nomination  
13 papers for candidates for certain public offices.

14 Sections 43.78 and 44.9: Conforms terminology used to  
15 refer to commissioners of elections and other officers to  
16 the terminology used elsewhere in the Code. The terminology  
17 substituted may also be found in Code section 43.78, subsection  
18 4.

19 Section 49.11: Conforms the style of the lead-in paragraph  
20 phraseology to the phraseology used in the other paragraphs  
21 of the same subsection in this provision outlining the  
22 circumstances under which a county commissioner of elections  
23 may change or consolidate election precincts.

24 Section 59.6: Substitutes the words "in this chapter" for  
25 the word "herein" to clarify the meaning of this provision  
26 limiting the applicability this Code chapter relating to the  
27 contest of seats in the general assembly to the rights of the  
28 general assembly to grant commissions, take depositions, or to  
29 send for or examine witnesses in a trial in such a contest.

30 Section 68A.101: Corrects, effective July 1, 2018, the name  
31 of this Code chapter governing campaign disclosure to reflect  
32 the repeal of the income tax checkoff and the Iowa election  
33 campaign fund on July 1, 2018, by 2017 Iowa Acts, chapter 144,  
34 sections 13 and 14.

35 Section 68A.102: Strikes, effective July 1, 2018, the

1 definition of the term "state income tax liability" from  
2 this Code chapter governing campaign disclosure to reflect  
3 the repeal of the income tax checkoff and the Iowa election  
4 campaign fund on July 1, 2018, by 2017 Iowa Acts, chapter 144,  
5 sections 13 and 14.

6 Section 70A.26: Changes the words "deemed to be on" to  
7 "granted" to conform to the terminology used elsewhere in this  
8 Code section and divides this single paragraph Code section  
9 relating to disaster service volunteer leave to separate the  
10 leave provisions from provisions relating to tort claims and  
11 other qualifying language.

12 Section 73.2: Strikes the archaic term, "hereafter" in this  
13 Code section relating to preferences in advertisements for bids  
14 and requests for proposals in public contracts. The language  
15 was enacted in 1927 Iowa Acts, chapter 27, and "hereafter"  
16 referred to April 14, 1927.

17 Section 84A.5: Adds a reference to Code section 73A.21 to  
18 a list of Code chapters and sections which are administered  
19 by the division of labor services based on language of Code  
20 section 73A.21, which indicates that the labor commissioner and  
21 the division of labor are responsible for the administration  
22 and enforcement of the reciprocal resident bidder and labor  
23 force preferences contained in that Code section.

24 Section 85.47: Splits a run-on sentence relating to  
25 discharges of employer liability for payment of workers'  
26 compensation benefits after the ordering of a commutation by  
27 the workers' compensation commissioner.

28 Section 85.53: Conforms language relating to alien  
29 dependents to similar language in Code section 85.51 and  
30 replaces archaic language with more current language to improve  
31 the grammar and readability of this provision relating to  
32 notice by the workers' compensation commissioner to consular  
33 agents of foreign countries of the death of an employee who  
34 leaves one or more alien dependents.

35 Section 86.9: Numbers existing paragraphs, divides the

1 last paragraph to place language relating to distribution and  
2 obtaining of reports in a separate subsection, and changes the  
3 word "the annual report" to "an annual report" to eliminate  
4 an inconsistency in the meaning of the second sentence when  
5 compared to the first sentence in this Code section relating  
6 to reports by the director of the department of workforce  
7 development and commissioner of labor.

8 Section 88.1: Replaces the words "creating an" with  
9 "providing for an adjudicatory process through the" which  
10 appear before "employment appeal board" in language describing  
11 the public policy which forms the basis for the provisions of  
12 Code chapter 88, pertaining to occupational safety and health,  
13 because the employment appeal board is created in Code section  
14 10A.601, not Code chapter 88.

15 Section 92.2: Replaces the word "defined" with the word  
16 "provided" in language establishing a prohibition against  
17 employment of persons over 10 and under 16 years of age in  
18 certain occupations described in Code section 92.1, because  
19 although Code section 92.1 contains prohibitions against  
20 employment in certain described occupations, the Code section  
21 does not define those occupations.

22 Section 96.3: Deletes archaic references to July 1, 1939,  
23 which are no longer needed to describe the applicability of  
24 language regarding payment of unemployment benefits.

26 workforce development field offices which were eliminated by  
27 the end of fiscal year 2006-2007.

28 Section 99F.4: Adds a comma, strikes the word "and", and  
29 adds the word "from" to improve the readability of a series  
30 describing the areas from which a person may be voluntarily  
31 excluded under a process established by persons holding a  
32 license to own or operate or conduct a gambling game operation,  
33 a gambling structure, or excursion gambling boat.

34 Section 105.22: Corrects a typographical error in language  
35 relating to the method by which a proof of a conviction of a

1 felony may be established for purposes of denial of a license  
2 to practice to or discipline of a licensed contractor or  
3 plumbing, mechanical, HVAC-refrigeration, sheet metal, or  
4 hydronic professional.

5 Sections 105.31 and 105.32: Repeals two obsolete provisions  
6 containing temporary transition provisions regarding the  
7 expiration, renewal, and reissuance of licenses to practice as  
8 a contractor or plumbing, mechanical, HVAC-refrigeration, sheet  
9 metal, or hydronic professional.

10 Section 123.22: Separates and numbers the elements of the  
11 prohibited acts described in this provision within the Code  
12 chapter relating to alcoholic beverage control, and separates  
13 those elements from the exceptions to the prohibitions.

14 Section 124.401: Reenacts an unnumbered paragraph as  
15 amended by 2017 Iowa Acts, chapter 162, section 2, which was  
16 inadvertently allowed to lapse under a delayed automatic repeal  
17 in order to reinstate the language permitting the possession,  
18 use, delivery, and administration of cannabidiol as provided  
19 in the 2017 Iowa Act. The reenactment is made retroactively  
20 applicable to July 1, 2017.

21 Sections 125.34, 125.75, 125.78, 125.80, 125.82, 125.91,  
22 and 125.92: Adds the words "and surgeon or osteopathic  
23 physician and surgeon" after the word "physician" to conform  
24 to a terminology change made by 1982 Iowa Acts, chapter 1212,  
25 section 24, and to mirror the terminology used elsewhere in  
26 the Code in language relating to involuntary hospitalization  
27 proceedings for substance-related disorders.

28 Section 135B.20: Conforms the terminology used in the  
29 lead-in paragraph for the Code section containing the  
30 definitions for the Code chapter governing the licensure and  
31 regulation of hospitals to terminology used elsewhere in  
32 similar provisions in the Code.

33 Section 135B.32: Replaces the word "herein" with the word  
34 "subchapter" to clarify the meaning of language restricting  
35 the applicability of provisions relating to the provision of

1 pathology and radiology services in hospitals to the tax-exempt  
2 or nonprofit status of hospitals.

3 Section 135H.6: Restructures and renumbers this Code  
4 section relating to the conditions for licensure of a proposed  
5 psychiatric institution for children to conform to the  
6 substance of the language in the Code section.

7 Section 136.2: Numbers paragraphs, modifies language  
8 relating to annual appointments, and eliminates a reference  
9 to the number of members whose terms expire in a given year  
10 in this provision relating to the appointment of members to  
11 the state board of health to reflect the 2005 addition of two  
12 more members to that board's roster, which would result in the  
13 expiration of more than three members' terms in certain years.

14 Section 136A.5B: Changes the word "subsection" to "section"  
15 in this provision relating to the provision of certain  
16 informational materials to pregnant women to reflect the  
17 fact that the language describing the informational material  
18 contents is in subsection 1 of this Code section, and the  
19 publication mechanism requirements are in subsection 3.

20 Section 151.9: Changes the word "entry" to "license or  
21 certificate" and adds the words "or certificate holder" to  
22 conform to the content of the balance of this Code section and  
23 Code chapter governing the practice of chiropractic to the  
24 types of permissions to persons who practice chiropractic.

25 Section 152.11: Conforms a series of citations describing  
26 the enforcement authority of the board of nursing to similar  
27 language in Code section 152.4, by including a reference to  
28 Code chapter 152E.

29 Section 154B.1: Adds the missing word "or" before the last  
30 word in a series in this provision relating to registration of  
31 pharmacy technicians who provide some services to patients with  
32 serious medical conditions.

33 Section 155A.6A: Corrects two errors made when the changes  
34 contained in 2017 Iowa Acts, chapter 29, section 45, were  
35 enacted. The 2017 Iowa Act inadvertently struck language

1 that established a temporary pharmacy technician registration  
2 program when striking obsolete language establishing a  
3 temporary time frame within which certain pharmacy technicians  
4 or pharmacy technician trainees could attain certification,  
5 but also failed to strike an internal reference to the  
6 obsolete language. The changes made to this Code section are  
7 retroactively applicable to July 1, 2017.

8 Section 155A.13C: Strikes a reference to Code chapter  
9 124A in this provision regulating pharmaceutical outsourcing  
10 facilities. Code chapter 124A was repealed by 2017 Iowa Acts,  
11 chapter 145, section 23, and subsumed, in part, into Code  
12 chapter 124, which is still referenced in this provision.

13 Section 161A.38: Numbers paragraphs and changes  
14 "hereinabove" to "subchapter" to clarify the meaning of  
15 language relating to appeal rights of owners of land affected  
16 by changes in assessments by the governing body under a  
17 reclassification of lands within a soil and water conservation  
18 subdistrict.

19 Section 161A.42: Conforms the hyphenation of the word  
20 "cost-sharing" to the hyphenation used in the term defined in  
21 this Code section and strikes a comma in language describing  
22 the conditions for the establishment of a conservation  
23 agreement related to a soil conservation plan or portion of  
24 that plan.

25 Section 161A.43: Numbers unnumbered paragraphs and  
26 corrects an internal reference in language relating to the  
27 duty and liability of property owners within a soil and water  
28 conservation district to establish and maintain soil and water  
29 conservation practices or erosion control practices.

30 Section 166A.2: Splits a sentence to separate and improve  
31 the readability of language relating to refusal to grant a  
32 license application or revocation of the existing licenses of  
33 sheep dealers under this Code chapter 166A, concerning the  
34 control of scabies in sheep.

35 Section 166D.7: Adds two commas to set off prefatory and

1 independent clauses to improve the readability of language  
2 relating to control of pseudorabies in swine.

3 Section 194.2: Numbers paragraphs, replaces "hereof" and  
4 "herewith" with specific references to the Code chapter, adds  
5 a reference to Code chapter 17A after language regarding  
6 adoption of rules, and removes two commas to update and improve  
7 the clarity of this provision relating to the enforcement of  
8 requirements pertaining to the inspection and certification of  
9 milk.

10 Section 194.4: Replaces "or" with semicolons in two places,  
11 makes consistent the usage of the word "which", removes two  
12 commas, and then adds a comma to a series to improve the  
13 readability of this provision describing the conditions under  
14 which milk is deemed to be unlawful.

15 Section 208.7: Strikes the word "However" based upon  
16 Code section content indicating that the mining license fee  
17 referenced is not just the fee for renewal of a mining license.

18 Section 212.3: Changes an internal self-reference to  
19 the correct reference to Code section 212.2 describing bulk  
20 commodity duplicate delivery tickets.

21 Section 216.6: Conforms terminology regarding  
22 discriminatory practices in two instances to match the  
23 terminology used elsewhere in this Code section regarding  
24 unfair employment practices.

25 Section 216.13: Strikes obsolete language relating to the  
26 involuntary retirement before January 1, 1980, of persons  
27 covered by certain labor agreements and combines the rest  
28 of language establishing the remaining criteria under which  
29 certain persons may be required to retire involuntarily.

30 Section 225.30: Adds the words "or mental health  
31 professional" to conform the language of this Code section to  
32 changes made by 2017 Iowa Acts, chapter 34, in similar language  
33 within Code section 229.10, which is referenced in this Code  
34 section.

35 Sections 235B.3A, 235E.3, 236.12, 236A.13, and 709.22:

1 Conforms language of all of these provisions internally to  
2 improve the readability and consistency of language describing  
3 form documents which are provided to victims of abuse or other  
4 criminal acts.

5 Sections 256I.7, 256I.8, and 256I.12: Includes language to  
6 conform references to the early childhood Iowa initiative, the  
7 initiative's programs and activities, and the ages of children  
8 served by the initiative's programs and activities to other  
9 references throughout the Code chapter.

10 Section 260C.22: Changes the word "law" to "subsection"  
11 to clarify the meaning of language regarding construction of  
12 language authorizing certain tax levies for the financing of  
13 community college facilities.

14 Section 261.9: Changes the word "part" to "subchapter" in  
15 the lead-in paragraph of this definitions section in the Code  
16 chapter governing the activities of the college student aid  
17 commission to reflect the fact that several of the definitions,  
18 including the definition of the term "tuition grant", contained  
19 in this Code section are used in and apply to other parts of  
20 this subchapter.

21 Section 262.21: Moves a definition to the beginning of this  
22 Code section regarding annuity contracts for employees of board  
23 of regents institutions and numbers the resulting paragraphs  
24 to facilitate citation.

25 Section 262.56: Replaces the word "hereinbefore" with a  
26 specific reference to section 262.55 to clarify the meaning of  
27 this Code section authorizing the state board of regents to  
28 undertake certain projects and to operate, control, maintain,  
29 and manage student residence halls and dormitories. Code  
30 section 262.55 is the definitions section for the subchapter  
31 relating to self-liquidating dormitories, which includes Code  
32 section 262.56.

33 Sections 263.2, 263.10, 274.2, 275.27, 277.32, and 294.1:  
34 Replaces references to the "common schools" which were  
35 eliminated in favor of the current system of public and

1 accredited nonpublic schools sometime in the early 1900s, with  
2 references to "public or accredited nonpublic schools". In  
3 Code sections 263.2 and 294.1, unnumbered paragraphs are also  
4 numbered to facilitate citation and archaic language is also  
5 updated.

6 Sections 270.6 and 270.7: Conforms terminology used and  
7 updates archaic language in these two provisions regarding the  
8 process used for certification of amounts due from counties for  
9 certain costs incurred for students at the school for the deaf.

10 Section 272.2: Conforms language used to describe certain  
11 rulemaking procedures of the board of educational examiners to  
12 language used elsewhere in the Code to describe rulemaking by  
13 other state agencies under Code chapter 17A.

14 Section 274.39: Updates and simplifies archaic language  
15 relating to the sale of land for national defense or flood  
16 control purposes by a school district to the federal  
17 government.

18 Section 275.4: Strikes an unnecessary "and" from a series  
19 that describes the responsibilities of area education agencies  
20 when developing school district reorganization studies and  
21 surveys.

22 Section 275.9: Replaces a reference to "hereinabove" with a  
23 series of specific citations, and replaces "hereinafter" with  
24 the words "in this subchapter", to clarify language describing  
25 the method by which the enlargement, reorganization, or boundary  
26 change of a school district may be accomplished.

27 Section 275.13: Strikes an unnecessary "hereof" to update  
28 and clarify language describing the affidavit which must  
29 accompany a petition to enlarge, reorganize, or change the  
30 boundaries of a school district.

31 Section 275.33: Changes "to" to "through" in two string  
32 citations to clarify that the last Code section referenced  
33 is included in the citation in this provision relating  
34 to employment terms of superintendents, principals, and  
35 teachers for school years following the effective date of the

1 enlargement of, reorganization of, or changes to the boundaries  
2 of a school district.

3 Section 279.16: Changes "to" to "through" in string  
4 citations to clarify that the last Code section referenced  
5 is included in the citation in this provision governing the  
6 procedures to be followed in hearings related to a termination  
7 of a teacher's contract for employment.

8 Section 279.36: Strikes obsolete language related to fees  
9 applicable to legal publications published prior to July 1,  
10 1989, and numbers paragraphs in this provision establishing the  
11 procedures and fee for publication of the record of proceedings  
12 of boards of directors of school districts.

13 Section 280.2: Places definitions in alphabetical order,  
14 and adds a prefatory paragraph describing the applicability of  
15 the definitions, to conform the style of this definitions Code  
16 section to other definitions provisions elsewhere in the Code.

17 Section 282.18: Separates and numbers the elements  
18 of a series outlining the exceptions to the general rule  
19 prohibiting pupils who are participating in open enrollment  
20 from participating in a varsity interscholastic sport, and  
21 letters the remaining, resulting paragraphs.

22 Section 284.1: Strikes the word "four" in language  
23 describing the major elements of the student achievement  
24 and teacher quality program. 2017 Iowa Acts, chapter 172,  
25 section 32, eliminated one of the four elements and this change  
26 eliminates the need to adjust this portion of the statute if  
27 other elements are added or deleted in the future.

28 Sections 284.3A, 284.6, and 284.13: Strikes the words  
29 "of education" to conform to the definition of the term  
30 "department" in Code section 284.2, and to similar changes made  
31 by 2017 Iowa Acts, chapter 172, in this Code section relating  
32 to appropriations for supplemental assistance for high-need  
33 schools.

34 Section 303.8: Conforms a headnote to the language of this  
35 Code section which outlines the powers and duties of the state

1 historical society board of trustees and the department of  
2 cultural affairs.

3 Section 303.18: Adds public law and a United States Code  
4 citation after a reference to a federal Act to facilitate  
5 citation to and review of that federal Act in language  
6 relating to the circumstances under which the state historic  
7 preservation officer must recommend that a rural electric  
8 cooperative or a municipal utility, which is constructing  
9 certain electric distribution and transmission facilities,  
10 conduct an archeological site survey of the proposed route.

11 Section 314.21: Strikes obsolete language relating to the  
12 allocation and expenditure of funds from the living roadway

14 ending March 31, 1990.

15 Section 321.105: Updates the United States Code citation  
16 to federal provisions under which seriously disabled veterans  
17 are provided with an automobile or other vehicle by the United  
18 States government to reflect the 1991 renumbering of those  
19 federal provisions in this provision governing the provision  
20 of one set of free vehicle registration plates to seriously  
21 disabled veterans.

22 Section 321.145: Strikes a series of subsection references  
23 in language relating to expenditure of funds for different  
24 types of motor vehicle registration plates, but leaves a  
25 reference to Code section 321.34. Code section 321.34 was  
26 amended in 2014 to add a new subsection 27, but this provision  
27 was not updated to reflect the addition. The change will  
28 obviate the need for the continual updating of this Code  
29 section each time Code section 321.34 is changed to add or  
30 eliminate a particular registration plate and expenditure  
31 requirement.

32 Section 321.237: Numbers unnumbered paragraphs and  
33 clarifies archaic language in this Code section relating to the  
34 manual used by cities when regulating vehicular traffic and the  
35 manner in which traffic control signs must be posted.

2 crime of drag racing by separately enumerating the elements of  
3 the crime, designating defined terms as such, and numbering and  
4 lettering the resulting paragraphs.

5 Section 321.290: Numbers paragraphs and updates and  
6 clarifies archaic language in this provision establishing the  
7 circumstances under which the department of transportation or a  
8 city may deviate from the speed limits generally established  
9 under Code chapter 321 for a particular road or intersection.

10 Section 321E.12: Replaces the word "provision" with  
11 "subsection" to clarify the extent of the exemption provided  
12 in this Code section relating to special registration and fees  
13 that apply to vehicles used to transport buildings other than  
14 mobile homes or factory-built structures.

15 Section 321G.13: Restructures a subparagraph permitting a  
16 person to operate or ride on a snowmobile with a loaded pistol  
17 or revolver to clarify the meaning and to match the style of  
18 the immediately preceding subparagraph.

19 Section 321I.14: Restructures a subparagraph permitting  
20 a person to operate or ride on an all-terrain vehicle with a  
21 loaded pistol or revolver to clarify the meaning and to match  
22 the style of the immediately preceding subparagraph.

23 Section 321J.20: Restructures this provision relating to  
24 revocation of a person's temporary restricted license under  
25 the Code chapter relating to the offense of operating while  
26 intoxicated to separately enumerate the actions which would  
27 give rise to the revocation.

28 Section 321L.2: Updates the United States Code citation  
29 to federal provisions under which seriously disabled veterans  
30 are provided with an automobile or other vehicle by the United  
31 States government to reflect the 1991 renumbering of those  
32 provisions in this provision entitling those same veterans to  
33 the rights and privileges given to persons with disability  
34 parking permits.

35 Section 327G.79: Adds a comma to clarify a sentence relating

1 to appraisal of railway property interests that are adjacent  
2 to a railroad right-of-way that has been abandoned and are the  
3 subject of a dispute as to value.

4 Section 350.10: Changes the word "rules" to "regulations"  
5 to conform this provision relating to the statutes applicable  
6 to lands and waters under the control of a county conservation  
7 board to the language of Code section 350.5.

8 Section 351.36: Changes "to" to "through" in a string  
9 citation to clarify that the last Code section referenced is  
10 included in the citation and to eliminate both a self-reference  
11 and reference to a repealed provision in this Code section  
12 relating to enforcement of requirements relating to rabies  
13 vaccination and control and confinement of dogs.

14 Section 351.42: Changes "to" to "through" in a string  
15 citation to clarify that the last Code section referenced  
16 is included in the citation and to eliminate both a numeric  
17 self-reference and reference to a repealed Code section in this  
18 Code section exempting certain dogs from requirements relating  
19 to rabies vaccination and control and confinement.

20 Section 351.43: Changes "to" to "through" in a string  
21 citation to clarify that the last Code section referenced  
22 is included in the citation and to eliminate a reference to  
23 a repealed Code section in this Code section establishing  
24 penalties for persons who violate the requirements relating to  
25 rabies vaccination and control and confinement of dogs.

26 Section 358.11: Numbers paragraphs and replaces the word  
27 "hereunder" with "under this chapter" to clarify the meaning of  
28 and improve the citation to this provision declaring sanitary  
29 districts organized under Code chapter 358 to be corporate  
30 entities entitled to judicial notice and corporate powers and  
31 authority.

32 Section 400.21: Updates old language and divides a run-on  
33 sentence to clarify and improve the readability of this Code  
34 section pertaining to the filing of notices of appeal under the  
35 civil service Code chapter.

1 Section 400.27: Adds the word "and" to correct an error made  
2 by 1991 Iowa Acts, chapter 55, section 2, in this provision  
3 describing how an appeal to the district court from a decision  
4 of the civil service commission may be perfected.

5 Section 411.6C: Replaces the words "with the first month  
6 following the implementation date of this section" with "April  
7 1, 2007". According to the administrator for the retirement  
8 system for police officers and fire fighters, the system  
9 received approval from the federal government in March of 2007.

10 Section 420.207: Changes "to" to "through" in a string  
11 citation to clarify that the last Code section referenced is  
12 included in the citation in this Code section providing for  
13 the applicability of certain Code provisions relating to the  
14 taxation of property to cities acting under special charters.

15 Section 422.32: Changes "to" to "through" in two string  
16 citations to clarify that the last Code section referenced  
17 is included in the citation in language relating to the  
18 applicability of certain defined terms within the Code chapter  
19 division governing business tax on corporations.

20 Section 422D.3: Numbers unnumbered paragraphs, changes "to"  
21 to "through" in a string citation to clarify that the last Code  
22 section referenced is included in the citation, and removes  
23 quotation marks from around a fund name to conform to current  
24 Code style in this Code section relating to the administration  
25 of local income surtaxes.

26 Section 423.3(47A): Strikes obsolete language relating to  
27 the phase-in of a sales tax exemption for the sales price from  
28 the sale or rental of central office equipment or transmission  
29 equipment used by certain communication service providers.

30 Section 423.8: Numbers unnumbered paragraphs to improve  
31 citation and strikes language referencing a report by  
32 the streamlined sales tax advisory council regarding the  
33 administrative burden posed by the streamline sales and use tax  
34 Act that was filed in 2006 and updated in 2007.

35 Section 425.9: Numbers paragraphs to facilitate citation,

1 replaces the word "hereunder" with the words "in this chapter",  
2 and replaces a reference to "the first paragraph of this

9 and subsequent reversal of an erroneous claim for a homestead  
10 credit.

20 Section 427B.17: Changes "to" to "through" in two string  
21 citations to clarify that the last Code section referenced  
22 is included in the citation in this Code section relating to  
23 property subject to special valuation. In the first of the two  
24 string citations, the last Code section reference is changed  
25 because Code section 427B.6 prohibits the granting of dual  
26 exemptions, and not the granting of partial exemptions.

27 Section 453A.47A: Adds the words "of a permit" at the end of  
28 a sentence to clarify that only applications for retail permits  
29 which are actually issued to retailers of tobacco, tobacco  
30 products, alternative nicotine products, or vapor products for  
31 permits need be submitted by a city or county to the alcoholic  
32 beverages division.

33 Section 455A.9: Numbers unnumbered paragraphs and replaces

7 2015.

9 citation and strikes obsolete language in this Code section  
10 relating to the composition and appointment of the state  
11 advisory board for preserves.

15 planning advisory council.

16 Section 476.44: Replaces the word "alternative" with  
17 "alternate" to conform terminology regarding alternate energy  
18 production facilities used in this Code section providing  
19 exceptions to requirements imposed on certain public utilities  
20 to the terminology everywhere else in Code chapter 476.

21 Section 476.46: Strikes a reference to and exception  
22 contained in subsection 3, which was stricken by 2017 Iowa  
23 Acts, chapter 169, section 43, in language allowing certain gas  
24 and electric utilities which are not rate-regulated to receive  
25 loans under the alternate energy revolving loan program.

26 Section 478.19: Numbers unnumbered paragraphs to facilitate  
27 citation and updates archaic language to improve the  
28 readability of this provision establishing standards for the  
29 construction of electric transmission lines.

30 Section 479.7: Numbers unnumbered paragraphs to facilitate  
31 citation and updates archaic language to improve the  
32 readability of this provision regarding hearings on petitions  
33 seeking to use eminent domain to secure property rights for the  
34 construction, maintenance, and operation of gas underground  
35 storage facilities and pipelines.

1 Section 481A.32: Restructures to enumerate the acts  
2 constituting a hunting and fishing offense under this Code  
3 section, and numbers the unnumbered paragraphs to facilitate  
4 citation and to separate the offense of taking a deer,  
5 antelope, moose, buffalo, or elk with a prohibited weapon from  
6 the initial enumerated prohibited acts.

7 Section 481A.47: Splits a paragraph into multiple  
8 subsections to separate language creating a crime from language  
9 relating to the granting of a permit and an exception to the  
10 statute's requirements, and restructures and updates archaic  
11 language in this provision establishing restrictions on the  
12 importing of fish and game.

13 Section 481A.59: Numbers unnumbered paragraphs to  
14 facilitate citation and updates archaic language in the former  
15 second paragraph to reflect current style in this prohibition  
16 against interfering with any homing pigeon.

17 Section 488.1205: Replaces, in this savings provision, the  
18 words "this chapter takes effect" with "January 1, 2005" to  
19 reflect the date on which Code chapter 488, establishing the  
20 uniform limited partnership Act, took effect. The Act which  
21 enacted Code chapter 488, 2004 Iowa Acts, chapter 1021, took  
22 effect on that date, with the exception of section 117 of that  
23 Act. None of the provisions that were affected by section 117  
24 of that Act were contained in Code chapter 488.

25 Section 496C.10: Numbers unnumbered paragraphs to  
26 facilitate citation and adds a reference to Code chapter  
27 502 after a reference to the "Iowa securities law" in this  
28 provision regulating the issuance of shares by professional  
29 corporations.

30 Section 496C.20: Numbers unnumbered paragraphs to  
31 facilitate citation and replaces an internal reference to "the  
32 preceding sentence" with a reference to "this subsection" in  
33 this provision governing foreign professional corporations.

34 Section 508.29: Numbers unnumbered paragraphs to facilitate  
35 citation, changes an internal reference from "paragraph" to

1 "subsection" because of the numbering, and replaces the words  
2 "herein contained" to "contained in this section" to clarify  
3 the meaning of language in this Code section relating to the  
4 authority of life insurance companies to write other insurance.

5 Section 514C.14: Replaces the word "which" with the  
6 word "that" to clarify that both the carrier and the plan  
7 are covered by this language relating to coverage of health  
8 care services for the pregnancy of a covered person after  
9 termination of a contract with a participating health care  
10 provider.

11 Section 543B.16: Strikes the words "real estate" which  
12 appear before the word "license" to conform the terminology  
13 usage to usage of terminology elsewhere in Code chapter 543B  
14 to reference the licenses that are issued by the real estate  
15 commission to real estate brokers or salespersons.

16 Section 543B.43: Divides a string citation and employs  
17 "through" instead of "to" in the resulting string citations  
18 to clarify that the last of the Code section citations are  
19 intended to be included in the strings and to eliminate  
20 reference to repealed Code section 543B.25 in this provision  
21 establishing a penalty for violation of the Code chapter  
22 governing real estate brokers and salespersons.

23 Section 543B.46: Changes the word "defined" to "described"  
24 to clarify a reference to Code section 543B.6, which does not  
25 contain a definition, but does describe the acts which would  
26 constitute acting as a real estate salesperson or broker.

27 Section 544A.5: Changes the word "make" to "adopt" and adds  
28 a citation to Code chapter 17A to match standard rule-making  
29 language in this provision charging the architectural examining  
30 board with the duty to adopt rules for the examination of  
31 applicants for licensure.

32 Section 544A.16: Adds the word "or license" after the  
33 words "certificate of registration" to reflect that engineers,  
34 landscape architects, and some contractors, who may be  
35 considered as professional consultants to an architect, are

1 licensed professionals.

2 Section 556F.18: Replaces the archaic words "common  
3 schools" with the words "school districts" in language relating  
4 to disposition of certain funds for failure of a person to  
5 comply with the procedures for asserting a claim for lost  
6 property that the person has found. The common schools  
7 were eliminated in favor of the current system of public and  
8 accredited nonpublic schools sometime during the early 1900s.

9 Section 559.1: Numbers unnumbered paragraphs to facilitate  
10 citation, replaces the word "herein" with "in this section",  
11 and eliminates archaic language in this provision relating to  
12 the validity of a release by a donee of a power of appointment  
13 exercisable by deed or will or otherwise.

14 Section 587.12: Corrects the reference to the publication  
15 which contained former court rule 60, and which would have  
16 been in effect prior to July 1, 1970. During this time frame,  
17 the Iowa court rules would still have been contained within  
18 the Code. Because there was no intervening Code publication  
19 between 1966 and 1971, the correct reference would have to be  
20 to the court rules which appeared in the Code of 1966.

21 Section 602.1610: Strikes obsolete language exempting  
22 certain associate juvenile and associate probate judges from  
23 this provision relating to the mandatory retirement age for  
24 judicial officers.

25 Section 602.6404: Strikes obsolete language relating  
26 to non-lawyer magistrates in this provision relating to  
27 qualifications for magistrates.

28 Section 607A.35: Conforms the language of this provision  
29 to the language of Code section 607A.33, and language which  
30 appears later in this Code section, relating to the issuance of  
31 a notice to report to jurors who have been identified to appear  
32 for service as petit or grand jurors.

33 Section 607A.41: Revises the language of this provision  
34 relating to the method of drawing the names of new or  
35 additional jurors to reflect the language contained in Code

1 sections 607A.39 and 607A.40, which are referenced in this Code  
2 section.

3 Section 704.2A: Moves the phrase "by force or stealth" to  
4 improve the readability of language identifying two of the  
5 circumstances under which a person would be presumed to be  
6 reasonable in believing that use of deadly force is needed to  
7 avoid injury or risk, and to match the construction of similar  
8 language which appears later in the amended language.

9 Section 707.11: Adds the word "committed" before the  
10 words "against a peace officer" to improve the readability of  
11 language describing the facts that a fact finder must determine  
12 exist in order to determine the nature of the sentence which  
13 will apply to an act which constitutes attempt to commit  
14 murder.

15 Section 714.19: Rewrites and changes "to" to "through"  
16 in a string citation to eliminate a self-reference to this  
17 Code section and to clarify that the last Code section is  
18 included in the string citation in language specifying that  
19 the requirements relating to certain providers of educational  
20 courses contained in the specified Code sections do not apply  
21 to certain schools and educational programs.

22 Section 716.7: Changes the words "received notice" to  
23 "been notified" to conform the language describing when the  
24 prescribed notification requirements have been met to earlier  
25 language describing the elements constituting this type of  
26 trespass.

27 Section 716.8: Changes "intentionally trespasses" to  
28 "commits a trespass" to conform this penalty provision to  
29 the elements, including intention, described in Code section  
30 716.7, subsection 1, paragraph "a", subparagraph (7), which is  
31 specifically referenced.

32 Section 724.3: Replaces "herein" with "in this chapter" to  
33 clarify the extent of the exception that applies to certain  
34 persons who may lawfully possess an offensive weapon.

35 Section 724.5: Changes the words "indictment or

1 information" to "complaint" to reflect the fact that the  
2 offense referenced is a simple misdemeanor, which is not  
3 charged by indictment or information, but rather by complaint.

4 Section 730.5: Changes two references to an "individual"  
5 to refer to employees or prospective employees in this Code  
6 section regulating employer testing of employees or prospective  
7 employees for drugs or alcohol.

8 Section 805.8A: Conforms language in a paragraph to reflect  
9 the language of another subsection which provides that some of  
10 the speeding violations under the listed Code sections, when  
11 committed by a school bus driver, are scheduled violations.

12 2017 Iowa Acts, chapter 136: Corrects 2017 Iowa Acts,  
13 chapter 136, by adding a correction to a reference to the  
14 program and bonds issued under the 911 program in Code chapter  
15 34A, to conform to similar changes made to the program name  
16 elsewhere in Code chapter 34A by that Act. The correction is  
17 retroactive to July 1, 2017.
