24 proposition approved under section 359.44. The trustees may  
25 purchase, own, rent, or maintain fire protection service or

35 Sec. 3. NEW SECTION. **359.44 Emergency medical service —**

1 motion or petition — election.

2 1. *a.* Unless the county is providing emergency medical  
3 service to a township pursuant to section 331.385, the board  
4 of township trustees may on its own motion, and upon receipt  
5 of a valid petition shall, direct the county commissioner of  
6 elections to submit to the registered voters of the township,  
7 excluding those areas of the township within corporate  
8 boundaries of a city, the proposition of requiring the township  
9 to provide emergency medical service to those areas of the  
10 township outside the corporate limits of a city and outside  
11 those areas being provided emergency medical service under

13 proposition not to exceed ten years but not less than four  
14 years.

15 *b.* A valid petition shall be signed by eligible electors of  
16 the township residing outside the corporate limits of a city  
17 equal in number to at least twenty-five percent of the number  
18 of votes cast in the township outside the corporate limits  
19 of a city for the office of president of the United States  
20 or governor at the preceding general election. The petition  
21 shall include the signatures of the petitioners, a statement  
22 of their place of residence, and the date on which they signed  
23 the petition.

24 *c.* The election shall be held at the next general election  
25 following adoption of the board's motion or receipt of the  
26 valid petition. However, a petition authorized by this section  
27 shall be filed not later than eighty-two days before the date  
28 of the general election if the proposition is to be voted upon  
29 at the general election. If a valid petition is filed after  
30 that date, the proposition shall be voted on at the general  
31 election following the next general election.

32 *d.* A petition shall be examined before it is accepted for  
33 filing. If it appears valid on its face, it shall be accepted  
34 for filing. If it lacks the required number of signatures, it

14 from another political subdivision of this state and provide  
15 such service through imposition of a property tax in those  
16 areas of the township outside the corporate limits of a city?

17 3. The proposition is adopted if a majority of those  
18 voting on the proposition at the election approves it. If the  
19 proposition is approved at election, the township trustees  
20 shall provide emergency medical service to all areas of the  
21 township outside the corporate limits of a city and those areas  
22 not otherwise receiving such service under chapter 357F or 357J  
23 using methods and funding authorized in sections 359.42 and

25 with the fiscal year beginning July 1 following the general  
26 election at which the proposition was approved.

27 4. The proposition is not affected by a change in the  
28 boundaries of the township.

29 5. An extension of the period of time for requiring the  
30 township to provide emergency medical service under this  
31 section or the rescission of the requirement to provide  
32 emergency medical service may be completed using the same  
33 procedure as is required for initial approval.

34 EXPLANATION

35 The inclusion of this explanation does not constitute agreement with

1           the explanation's substance by the members of the general assembly.

2       Current law authorizes but does not require the board of  
3 township trustees to provide emergency medical service for  
4 the township and to fund such service through imposition of  
5 a property tax levy. This bill establishes a process for  
6 voter approval of a proposition to require a board of township  
7 trustees to provide emergency medical service to specified  
8 areas of the township.

9       The bill provides that unless the county is providing  
10 emergency medical service to a township pursuant to Code  
11 section 331.385, the board of township trustees may on its own  
12 motion, and upon receipt of a valid petition shall, direct the  
13 county commissioner of elections to submit to the registered  
14 voters of the township, excluding those areas of the township  
15 within corporate boundaries of a city, the proposition of  
16 requiring the township to provide emergency medical service to  
17 those areas of the township outside the corporate limits of a  
18 city and outside those areas being provided emergency medical  
19 service under Code chapter 357F (benefited emergency medical  
20 services district) or 357J (emergency response district) for a  
21 period of time stated in the proposition not to exceed 10 years  
22 but not less than four years.

23       A valid petition must be signed by eligible electors of  
24 the township residing outside the corporate limits of a city  
25 equal in number to at least 25 percent of the number of votes  
26 cast in the township outside the corporate limits of a city  
27 for the office of president of the United States or governor  
28 at the preceding general election. The election to vote on  
29 the proposition is required to be held at the next general  
30 election following adoption of the board's motion or receipt of  
31 the valid petition, subject to a filing deadline specified in  
32 the bill. The bill also specifies the process for filing and  
33 hearing objections to the petition and the form of the question  
34 that appears on the ballot.

35       A proposition is adopted if a majority of those voting on the

1 proposition at the election approves it. If the proposition  
2 is approved at election, the township trustees are required  
3 to provide emergency medical service to those specified areas  
4 of the township using methods and funding authorized in Code  
5 sections 359.42 and 359.43 for the period of time approved  
6 at election, beginning with the fiscal year beginning July 1  
7 following the general election at which the proposition was  
8 approved.

9 An extension of the period of time for requiring the township  
10 to provide emergency medical service or the rescission of  
11 the requirement to provide emergency medical service may be  
12 completed using the same procedure as is required for initial  
13 approval.
