8 This bill relates to prohibitions on the actions of an  
9 authority under the Iowa cell siting Act. The bill strikes  
10 Code section 8C.3, subsection 5, which prohibits an authority  
11 from imposing environmental testing, sampling, or monitoring  
12 requirements, or other compliance measures, for radio frequency  
13 emissions from transmission equipment that are categorically  
14 excluded under the federal communications commission's rules  
15 for radio frequency emissions. In addition, the bill strikes  
16 Code section 8C.3, subsection 7, which prohibits an authority  
17 from rejecting an application, in whole or in part, based on  
18 perceived or alleged environmental effects of radio frequency  
19 emissions.
