10 The inclusion of this explanation does not constitute agreement with
11 the explanation's substance by the members of the general assembly.

12 This bill eliminates a requirement that the receiving and
13 sending school districts must mutually agree on an arrangement
14 for transportation of a pupil participating in open enrollment
15 before the receiving district can send a school vehicle into
16 the pupil's district of residence to transport the pupil to and
17 from school in the receiving district.
