EXPLANATION

9 The inclusion of this explanation does not constitute agreement with
10 the explanation's substance by the members of the general assembly.

11 Code section 257.12(1) provides that if a school district
12 is required to repay property taxes paid for school taxes
13 levied on property originally assessed at \$5 million or more
14 because the assessment was subsequently reduced by the action
15 of the property assessment appeal board or judicial action and
16 the amount of the reduction in the assessment equals at least
17 \$100,000 or 2 percent of the assessed value of all taxable
18 property in the district prior to the reduction, whichever is
19 less, the school district is eligible for an adjustment in
20 state foundation aid. This bill adds an assessment reduction
21 by the board of review to the provision.

22 The bill also amends Code section 441.39 to provide that if
23 a property originally assessed at \$5 million or more is reduced
24 by the action of the board of review, property assessment
25 appeal board, or judicial action, and the amount of the
26 reduction in the assessment makes the school district eligible
27 for an adjustment in state foundation aid, the assessor shall
28 notify the school district within 10 days of the action.

29 The bill takes effect upon enactment and applies to actions
30 of a board of review, actions of the property assessment appeal
31 board, and judicial actions occurring on or after the effective
32 date of the bill.
