7 EXPLANATION

8 The inclusion of this explanation does not constitute agreement with
9 the explanation's substance by the members of the general assembly.

10 This bill makes various modifications to Code chapter
11 94A, which provides for regulation of employment agencies in
12 this state by the labor commissioner. "Employment agency"
13 is defined as a person who brings together those desiring to
14 employ and those desiring employment and who receives a fee,
15 privilege, or other consideration directly or indirectly from
16 an employee for the service.

17 The bill requires an employment agency to provide to each
18 employee referred for employment notice of certain information
19 relating to the employment. The required information must be
20 confirmed in writing and sent to the employee before the end
21 of the employee's first pay period by an employment agency,
22 but any change to the initial terms of employment must be sent
23 immediately.

24 The bill requires an employment agency to post in each of the
25 locations where it does business notice of the requirements of
26 the bill and contact information for the labor commissioner.
27 The bill requires the labor commissioner to prepare a sample
28 notice for use by employers.

29 The notice requirements do not prohibit an employment agency
30 from directing an employee to employment by telephone, if the
31 employment agency also provides the required notification at
32 the same time. The notification requirements do not apply to
33 a professional employee as defined in federal law or to an
34 employee who is a secretary or administrative assistant who has
35 certain specified duties.

1 The bill places certain specified limitations on the fees
2 an employment agency or employer can charge an employee for
3 transportation services to or from a designated work site.

4 The bill prohibits an employment agency from referring
5 an employee for employment by force or fraud, for illegal
6 purposes, or where the employment is in violation of state or
7 federal law. The bill prohibits an employment agency from
8 referring an employee for employment at any location that is
9 on strike or lockout without first notifying the employee of
10 such fact.

11 The bill prohibits an employment agency or employer from
12 charging or accepting a fee from an employee for any good or
13 service unless under the terms of a written contract with the
14 employee; the provision of a bank card, debit card, or similar
15 form of payment or wages that exceeds the actual cost per
16 employee; any drug test; any criminal history background check;
17 transportation, except as provided in the bill; or any good or
18 service the payment for which would cause the employee to earn
19 less than the applicable minimum wage.

20 The bill prohibits an employment agency or employer from
21 deducting any costs or fees from the wages of an employee
22 without the express written authorization of the employee.

23 The bill prohibits an employment agency or employer from
24 refusing to return on demand any personal property belonging to
25 an employee or any fee or cost that is charged to the employee
26 or accepted by the employment agency or employer in excess of
27 the amounts allowable under Code chapter 94A.

28 A violation of Code chapter 94A is a simple misdemeanor and
29 is also cause for a civil penalty in an amount up to \$2,000.
30 A simple misdemeanor is punishable by confinement for no more
31 than 30 days or a fine of at least \$65 but not more than \$625
32 or by both.
