16 to the officer or civilian employee.

17 EXPLANATION

18 The inclusion of this explanation does not constitute agreement with
19 the explanation's substance by the members of the general assembly.

20 Code section 622.10(9) provides that a peer support group
21 counselor who obtains information from an officer by reason
22 of the counselor's capacity as a peer support group counselor
23 shall not be allowed, in giving testimony, to disclose any
24 confidential communications properly entrusted to the counselor
25 by the officer while receiving counseling. Code section
26 622.10(9) also creates exceptions in cases where the officer
27 has given the officer's consent to the disclosure of such
28 information and where the peer support group counselor was
29 an initial responding officer, a witness, or a party to the
30 incident which prompted the delivery of counseling services.

31 This bill adds the confidential communications between a
32 peer support group counselor and a civilian employee of a
33 law enforcement agency or fire department to the provisions
34 prohibiting disclosure of such communications and the
35 exceptions to the prohibition.
