25 The inclusion of this explanation does not constitute agreement with
26 the explanation's substance by the members of the general assembly.

27 Current law provides that if a licensee is between the ages

30 the licensee's birthday anniversary occurring in the year of
31 issuance, but not to exceed the licensee's 74th birthday.
32 This bill alters the upper age limit to the licensee's 78th
33 birthday. Under current law, if a licensee is age 72 or over,
34 the licensee's driver's license is effective for a period of
35 two years from the licensee's birthday anniversary occurring

H.F. 2360

2 to six years.
