A BILL FOR

1 An Act relating to the percentage of students who are residents
2 of Iowa or who attend postsecondary institutions in Iowa and
3 are accepted to graduate and postgraduate studies at the
4 state university of Iowa college of medicine or college of
5 dentistry and requiring a report relating to the graduates
6 and residents of such colleges.
7 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. Section 262.9, subsection 17, Code 2020, is
2 amended by adding the following new paragraph:

3 NEW PARAGRAPH. *c.* Adopt a policy requiring that not less
4 than seventy-five percent of the students who are accepted at
5 the college of medicine and at the college of dentistry at the
6 state university of Iowa be residents of Iowa or persons who
7 were, prior to applying to the college of medicine or college
8 of dentistry, enrolled in an eligible postsecondary institution
9 as defined in section 261E.2.

10 Sec. 2. Section 263.2, Code 2020, is amended to read as
11 follows:

12 **263.2 Degrees — reports.**

13 1. A person shall not be admitted to courses of instruction
14 in the university if the person has not completed the
15 elementary instruction in such branches as are taught in the
16 public or accredited nonpublic schools throughout the state.

17 2. Graduates of the university shall receive degrees or
18 diplomas, or other evidences of distinction such as are usually
19 conferred and granted by universities and are authorized by the
20 state board of regents.

21 3. The state university of Iowa, in collaboration with the
22 university hospitals and clinics, shall submit an annual report
23 to the general assembly providing the following information:

24 a. The states in which members of each graduating class
25 from the college of dentistry and the college of medicine
26 reside during the year immediately following graduation. The
27 information shall be broken down by residents of Iowa at the
28 time of application to the college and nonresidents at the time
29 of application to the college.

30 b. The states in which the university of Iowa hospitals and
31 clinics primary care and specialty residents reside in the year
32 following completion of medical residency. The information
33 shall be broken down by primary care and various areas of
34 specialty, and whether the medical residents were residents
35 of Iowa prior to applying for admission at an undergraduate

1 college or university, received a baccalaureate from a
2 postsecondary institution in Iowa, or graduated from a medical
3 school in Iowa, and whether or not the medical residents were
4 residents of the state at the time of acceptance into the
5 university of Iowa hospitals and clinics' residency programs.

6 EXPLANATION

7 The inclusion of this explanation does not constitute agreement with
8 the explanation's substance by the members of the general assembly.

9 This bill requires the state board of regents to adopt a
10 policy requiring that not less than 75 percent of the students
11 accepted at the colleges of medicine and dentistry at the
12 state university of Iowa be residents of Iowa or persons who
13 prior to applying to the college of medicine or dentistry were
14 enrolled in a community college in Iowa, an accredited private
15 institution in Iowa, or a regents university.

16 The bill also requires the state university of Iowa, in
17 collaboration with the university of Iowa hospitals and clinics
18 (UIHC), to submit an annual report to the general assembly
19 with information relating to the graduates of the colleges of
20 dentistry and medicine and UIHC residency programs. The annual
21 report must include information regarding which states the
22 college of dentistry and college of medicine graduates and the
23 medical residents moved to in the year following graduation
24 or completion of medical residency, as well as information
25 regarding whether or not the students and medical residents
26 were Iowa residents at the time of admission to the college or
27 acceptance in the medical residency, and information regarding
28 the medical residents' areas of specialty.
