26 EXPLANATION

27 The inclusion of this explanation does not constitute agreement with  
28 the explanation's substance by the members of the general assembly.

29 This bill requires the installation and maintenance of  
30 adult changing stations at certain locations. The bill  
31 defines the term "adult changing station". An adult changing  
32 station is required to be installed and maintained in certain  
33 buildings and facilities with future construction dates;  
34 certain buildings or facilities undergoing future renovations;  
35 buildings or facilities with the capacity to serve 1,500 or

1 more persons in any one day; shopping malls, retail stores,  
2 and certain entertainment venues with a floor space of 40,000  
3 square feet or more; certain public transportation facilities;  
4 galleries, libraries, museums, and tourist information centers;  
5 parks, playgrounds, recreational centers, zoos, and amusement  
6 or theme parks; certain airports; rest areas; education  
7 facilities; hospitals; and rehabilitation facilities. Each  
8 location required to install an adult changing station is  
9 required to install conspicuous signage at the entrance of each  
10 adult changing station indicating its location.

11 A violation of the bill is punishable by a civil penalty  
12 not to exceed \$250 to be assessed by the department of human  
13 rights. Moneys collected are to be remitted to the treasurer  
14 of state for deposit in the general fund.

15 The bill may include a state mandate as defined in Code  
16 section 25B.3. The bill makes inapplicable Code section 25B.2,  
17 subsection 3, which would relieve a political subdivision from  
18 complying with a state mandate if funding for the cost of  
19 the state mandate is not provided or specified. Therefore,  
20 political subdivisions are required to comply with any state  
21 mandate included in the bill.

22 The bill takes effect January 1, 2021.

23 The bill shall be known as Adalynn's law.
