26 EXPLANATION

27 The inclusion of this explanation does not constitute agreement with
28 the explanation's substance by the members of the general assembly.

29 This bill relates to the reporting of certain gifts and
30 bequests received by the executive branch.

31 Currently, all gifts and bequests received by a department
32 or accepted by the governor on behalf of the state are required
33 to be reported to the Iowa ethics and campaign disclosure board
34 and the general assembly's standing committees on government
35 oversight. Each year, the board is required to submit a report

1 to the legislative services agency listing all of the gifts and
2 bequests received during the previous year with a value of over
3 \$1,000 as well as all gifts and bequests a department receives
4 from a person if the cumulative value of the gifts and bequests
5 from the person to the department exceeds \$1,000 during the
6 previous calendar year.

7 The bill limits the reporting requirement to gifts and
8 bequests with a value of \$50 or more. The bill requires the
9 recipient reports to the board to be filed electronically
10 within 20 days of receiving the gift or bequest using the
11 board's internet reporting system. The bill eliminates
12 the filing requirement with the general assembly's standing
13 committees on government oversight.
