33 FLOOD RECOVERY. Under new Code section 418.16, the bill
34 establishes a flood recovery fund in the state treasury under
35 the control of the flood mitigation board. The board may award

1 moneys from the fund to eligible political subdivisions of
2 the state as provided in the bill. A political subdivision
3 of the state is eligible to receive moneys from the fund if
4 the political subdivision is located in a county designated
5 under presidential disaster declaration DR-4421-IA and is also
6 located in a county where the federal emergency management
7 agency's individual assistance program has been activated.
8 The bill sets forth project application requirements and
9 the criteria the board must consider when reviewing project
10 applications. The bill makes an appropriation to the flood
11 recovery fund for FY 2018-2019, and authorizes the department
12 of homeland security and emergency management to adopt
13 emergency rules. This division of the bill takes effect upon
14 enactment.

15 STATE BUDGET PROCESS. The bill codifies provisions relating
16 to the salary model administrator that appeared annually in
17 previous standings appropriations bills, with one exception.
18 The provisions, in part, required the five institutions under
19 the jurisdiction of the state board of regents to provide
20 salary data to the department of management and the legislative
21 services agency to operate the state's salary model. The bill
22 instead requires such action by the institutions governed by
23 the state board of regents pursuant to Code section 262.7.
24 These institutions include the state university of Iowa
25 including the university of Iowa hospitals and clinics, the
26 Iowa state university of science and technology including the
27 agricultural experiment station, the university of northern
28 Iowa, the Iowa braille and sight saving school, the state
29 school for the deaf, the Oakdale campus, and the university
30 of Iowa hospitals and clinics' center for disabilities and
31 development.

32 The bill also codifies provisions relating to the state
33 budget process that appeared biennially and applied annually
34 in previous standings appropriations bills. The provisions
35 specify the contents of the estimates of expenditure

1 requirements required to be submitted by all departments and
2 establishments of the government, including the judicial
3 branch, each year to the director of the department of
4 management.

5 BLACKOUT SPECIAL REGISTRATION PLATES. The bill authorizes
6 the department of transportation (DOT) to issue blackout
7 special registration plates. The bill requires the plates'
8 background to be black and the plates' letters and numbers to
9 be white.

10 The bill provides that the special blackout fee for
11 letter-number designated blackout plates is \$35. An applicant
12 may obtain personalized blackout plates upon payment of the \$25
13 fee for personalized plates set forth under current law, which
14 is in addition to the special blackout fee. The bill requires
15 the fees collected by the DOT for the plates to be paid monthly
16 to the treasurer of state and deposited in the road use tax
17 fund.

18 Upon receipt of the special registration plates, the
19 applicant must surrender the current registration plates to
20 the county treasurer. The county treasurer must validate the
21 special registration plates in the same manner as regular
22 registration plates are validated. The annual special blackout
23 fee for letter-number designated plates is \$10, which is in
24 addition to the regular annual registration fee. The annual
25 fee for personalized blackout plates is \$5, which is in
26 addition to the annual special blackout fee and the regular
27 annual registration fee. The bill requires the annual special
28 blackout fee to be credited in the same way as the special
29 blackout fee.

30 The bill prohibits the DOT from conditioning the issuance
31 of blackout plates on the receipt of any number of orders for
32 blackout plates.
