30 Sec. 24. NEW SECTION. 452A.41 Levy and collection of excise
31 tax on electric fuel.

32 1. An excise tax of two and six-tenths cents is imposed on
33 each kilowatt hour of electric fuel delivered or placed into
34 the battery or other energy storage device of an electric motor
35 vehicle at a location in this state other than a residence.

1 2. The tax for electric fuel delivered by a licensed
2 electric fuel dealer for use in this state shall attach at the
3 time of the delivery and shall be collected by the dealer from
4 the purchaser and paid to the department in the same manner
5 as the excise taxes on natural gas and liquefied petroleum
6 gas are paid by dealers to the department as provided in this
7 chapter. The tax for electric fuel used by a licensed electric
8 fuel user shall attach at the time of the use of the fuel and
9 shall be paid to the department by the licensed electric fuel
10 user in the same manner as the excise taxes on natural gas and
11 liquefied petroleum gas are paid by users to the department as
12 provided in this chapter.

13 3. The department shall adopt rules governing the
14 dispensing of electric fuel by licensed dealers and users. The
15 director may require by rule that reports and returns be filed
16 by electronic transmission. The department shall require that
17 all charging stations located at dealer and user locations
18 through which electric fuel can be dispensed shall be metered,
19 inspected, tested for accuracy, and sealed and licensed by
20 the department of agriculture and land stewardship, and that
21 electric fuel delivered into the battery or other energy
22 storage device of any electric motor vehicle shall be dispensed
23 only through tested, metered charging stations. The department
24 of agriculture and land stewardship may adopt rules pursuant
25 to chapter 17A to administer the department of agriculture and
26 land stewardship's duties under this subsection.

27 4. *a.* For the purpose of determining the amount of
28 liability for the electric fuel tax, each dealer and user
29 shall file with the department not later than the last day
30 of each calendar month a monthly tax return certified under
31 penalties for false certification. The return shall show, with
32 reference to each location at which fuel is delivered or placed
33 by the dealer or user into the battery or other energy storage
34 device of any electric motor vehicle during the next preceding
35 calendar month, information as required by the department.

1 *b.* The amount of tax due shall be computed by multiplying
2 the appropriate tax rate per kilowatt hour by the number of
3 kilowatt hours of electric fuel delivered or placed by the
4 dealer or user into the batteries or other energy storage
5 devices of electric motor vehicles.

6 *c.* The return shall be accompanied by remittance in the
7 amount of the tax due for the month in which the fuel was placed
8 into the batteries or other energy storage devices of electric
9 motor vehicles.

10 5. Moneys collected under this subchapter by a licensed
11 electric fuel dealer or user are deemed to be held in trust for
12 the state of Iowa.

13 Sec. 25. NEW SECTION. **452A.42 Electric fuel dealer's and**
14 **user's license.**

15 1. A person shall not sell or dispense electric fuel within
16 this state at a location other than a residence or otherwise
17 act as a licensed electric fuel dealer or user unless the

20 department an application signed under penalty for false
21 certificate setting forth all of the following:

22 *a.* The name under which the licensee will transact business
23 in this state.

24 *b.* The location, with street number address, of the
25 principal office or place of business of the licensee within

29 is a partnership, or the names and addresses of the principal
30 officers, if the licensee is a corporation or association.

31 3. A dealer's or user's license shall be required for each
32 separate place of business or location, other than a residence,
33 where electric fuel is delivered or placed into the battery or
34 other energy storage device of an electric motor vehicle.

35 4. *a.* The department may deny the issuance of a license to

1 an applicant who is substantially delinquent in the payment of
2 a tax due, or the interest or penalty on the tax, administered
3 by the department. If the applicant is a partnership, a
4 license may be denied if a partner owes any delinquent tax,
5 interest, or penalty. If the applicant is a corporation, a
6 license may be denied if any officer having a substantial legal
7 or equitable interest in the ownership of the corporation owes
8 any delinquent tax, interest, or penalty of the applicant
9 corporation.

10 *b.* The department may deny the issuance of a license if
11 an application for a license to transact business as a dealer
12 or user in this state is filed by a person whose license or
13 registration has been canceled for cause at any time under the
14 provisions of this chapter or any prior motor fuel tax law, if
15 the department has reason to believe that the application is
16 not filed in good faith, or if the application is filed by some
17 person as a subterfuge for the real person in interest whose
18 license or registration has been canceled for cause under the
19 provisions of this chapter or any prior motor fuel tax law.
20 The applicant shall be given fifteen days' notice in writing of
21 the date of the hearing and shall have the right to appear in
22 person or by counsel and present testimony.

23 5. *a.* The application in proper form having been accepted
24 for filing, and the other conditions and requirements of this
25 section and subchapter IV having been complied with, the
26 department shall issue to the applicant a license to transact
27 business as an electric fuel dealer or user in this state. The
28 license shall remain in full force and effect until canceled as
29 provided in this chapter.

30 *b.* The license shall not be assignable and shall be valid
31 only for the licensee in whose name it is issued.

32 *c.* The department shall keep and file all applications and
33 bonds and a record of all licensees.

34 **Sec. 26. NEW SECTION. 452A.43 Records.**

2 which the dealer or user dispenses electric fuel into the
3 batteries or other energy storage devices of electric motor
4 vehicles, including pertinent records and papers as required
5 by the department.

6 2. If in the normal conduct of a dealer's or user's business
7 the records are maintained and kept at an office outside this
8 state, the records shall be made available for audit and
9 examination by the department at the office outside this state,
10 but the audit and examination shall be without expense to this
11 state.

12 3. The department, after an audit and examination of records
13 required to be maintained under this section, may authorize
14 their disposal upon the written request of the dealer or user.

15 Sec. 27. NEW SECTION. 452A.44 Refunds.

16 1. A person who uses electric fuel for any of the nontaxable
17 purposes set forth in section 452A.17, subsection 1, paragraph
18 "a", for motor fuel and undyed special fuel, and who has paid
19 the electric fuel tax either directly to the department or by

21 a refund permit, upon presentation to and approval by the
22 department of a claim for refund, subject to the conditions set
23 forth in section 452A.17, subsection 1, paragraph "b", shall be
24 reimbursed and repaid the amount of the tax which the claimant
25 has paid on the kilowatt hours so used, except that the amount
26 of a refund payable may be applied by the department against
27 any tax liability outstanding on the books of the department
28 against the claimant. Refunds under this section are subject
29 to the limitations and requirements set forth in section
30 452A.17, subsection 3, for motor fuel and undyed special fuel
31 refunds.

32 2. A person shall not claim a refund under this section
33 until the person has obtained a refund permit meeting the
34 requirements of section 452A.18 from the department. The
35 department may revoke a refund permit pursuant to section

1 452A.19.

2 3. Tax collected on electric fuel that is not taxable, or
3 tax collected in excess of the actual amount of tax due, is
4 subject to section 452A.22.

5 Sec. 28. Section 452A.52, Code 2019, is amended to read as
6 follows:

7 **452A.52 Fuels imported in ~~supply tanks of motor vehicles~~ —**
8 **applicability.**

9 1. a. ~~No~~ A person shall not bring into this state in
10 the fuel supply tanks of a commercial motor vehicle, or any
11 other container, regardless of whether ~~or not~~ the supply tanks
12 are connected to the motor of the vehicle, any motor fuel or
13 special fuel to be used in the operation of the vehicle in
14 this state unless that person has paid or made arrangements in
15 advance with the state department of transportation for payment
16 of Iowa fuel taxes on the gallonage consumed in operating the
17 vehicle in this state; ~~except that this subchapter shall not~~
18 ~~apply to a private passenger automobile.~~

19 b. A person shall not bring into this state in the batteries
20 or other energy storage devices of a commercial motor vehicle,
21 or any other energy storage device, regardless of whether the
22 batteries or storage devices are connected to the motor of
23 the vehicle, any electric fuel to be used in the operation
24 of the vehicle in this state unless that person has paid or
25 made arrangements in advance with the state department of
26 transportation for payment of Iowa fuel taxes on the kilowatt
27 hours consumed in operating the vehicle in this state.

28 2. Any person who is unable to display either of the
29 permits or the license provided in section 452A.53 and brings
30 into the state in the fuel supply tanks of a commercial motor
31 vehicle more than thirty gallons of motor fuel or special fuel,
32 or brings into the state in the batteries or other energy
33 storage devices of a commercial motor vehicle more than three
34 hundred fifty kilowatt hours of electric fuel, in violation
35 of subsection 1 commits a simple misdemeanor punishable as

1 a scheduled violation under section 805.8A, subsection 13,
2 paragraph "c".

3 3. This subchapter shall not apply to a private passenger
4 automobile.

5 Sec. 29. Section 452A.53, subsections 2, 3, and 5, Code
6 2019, are amended to read as follows:

7 2. Persons choosing not to make advance arrangements with
8 the state department of transportation by procuring a permit or
9 license are not relieved of their responsibility to purchase
10 motor fuel, ~~and special fuel,~~ and electric fuel commensurate
11 with their use of the state's highway system. When there
12 is reasonable cause to believe that there is evasion of the
13 fuel tax on commercial motor vehicles, the state department
14 of transportation may audit persons not holding a permit
15 or license. Audits shall be conducted pursuant to section
16 452A.55 and in accordance with international fuel tax agreement
17 guidelines. The state department of transportation shall
18 collect all taxes due and refund any overpayment.

19 3. A permanent international fuel tax agreement permit
20 or license may be obtained upon application to the state
21 department of transportation. A fee of ten dollars shall be
22 charged for each permit or license issued. The holder of
23 a permanent permit or license shall have the privilege of
24 bringing into this state in the fuel supply tanks of commercial
25 motor vehicles any amount of motor fuel or special fuel, or in
26 the batteries or other energy storage devices of commercial
27 motor vehicles any amount of electric fuel, to be used in the
28 operation of the vehicles and for that privilege shall pay
29 Iowa ~~motor fuel or special fuel~~ taxes as provided in section
30 452A.54.

31 5. Each vehicle operated into or through Iowa in interstate
32 operations using motor fuel, ~~or special fuel,~~ or electric fuel
33 acquired in any other state shall carry in or on the vehicle a
34 duplicate or evidence of the permit or license required in this
35 section. A fee not to exceed fifty cents shall be charged for

1 each duplicate or other evidence of a permit or license issued.

2 Sec. 30. Section 452A.54, subsections 1, 2, and 4, Code
3 2019, are amended to read as follows:

4 1. Fuel tax liability under this subchapter shall be
5 computed on the total number of gallons of each kind of
6 motor fuel and special fuel, and the total number of kilowatt
7 hours of electric fuel, consumed in the operation in Iowa by
8 commercial motor vehicles subject to this subchapter at the
9 same rate for each kind of fuel as would be applicable if taxed
10 under subchapter I of this chapter and section 452A.41. A
11 refund against the fuel tax liability so computed shall be
12 allowed, on excess Iowa motor fuel purchased, in the amount
13 of fuel tax paid at the prevailing rate per gallon set out
14 under subchapter I of this chapter on motor fuel and special
15 fuel, and rate per kilowatt hour set out under section 452A.41
16 on electric fuel, consumed by commercial motor vehicles, the
17 operation of which is subject to this subchapter.

18 2. Notwithstanding any provision of this chapter to the
19 contrary, except as provided in this section, the holder of a
20 permanent international fuel tax agreement permit or license
21 may make application to the state department of transportation
22 for a refund, not later than the last day of the third month
23 following the quarter in which the overpayment of Iowa fuel
24 tax paid on excess purchases of motor fuel or special fuel
25 was reported as provided in section 452A.8, or electric
26 fuel was reported as provided in section 452A.41, and which
27 application is supported by such proof as the state department
28 of transportation may require. The state department of
29 transportation shall refund Iowa fuel tax paid on motor fuel,
30 ~~or~~ special fuel, or electric fuel purchased in excess of the
31 amount consumed by such commercial motor vehicles in their
32 operation on the highways of this state.

33 4. To determine the amount of fuel taxes due under this
34 subchapter and to prevent the evasion thereof, the state
35 department of transportation shall require a quarterly report

1 on forms prescribed by the state department of transportation.
2 It shall be filed not later than the last day of the month
3 following the quarter reported, and each quarter thereafter.
4 These reports shall be required of all persons who have been
5 issued a permit or license under this subchapter and shall
6 cover actual operation and fuel consumption in Iowa on the
7 basis of the permit or license holder's average consumption
8 of fuel in Iowa, determined by the total miles traveled and
9 the total fuel purchased and consumed for highway use by the
10 permittee's or licensee's commercial motor vehicles in the
11 permittee's or licensee's entire operation in all states to
12 establish an overall miles per gallon ratio or miles per
13 kilowatt hour ratio, which ratio shall be used to compute the
14 gallons or kilowatt hours used for the miles traveled in Iowa.
15 Failure to receive a quarterly report or fuel credentials by
16 mail, facsimile transmission, or any other means of delivery
17 does not relieve a person from the person's fuel tax liability
18 or from the requirement to display current fuel credentials.

19 Sec. 31. Section 452A.57, subsections 3, 5, and 8, Code
20 2019, are amended to read as follows:

21 3. "*Commercial motor vehicle*" means a passenger vehicle
22 that has seats for more than nine passengers in addition to
23 the driver, any road tractor, any truck tractor, or any truck
24 having two or more axles which passenger vehicle, road tractor,
25 truck tractor, or truck is propelled on the public highways
26 by either motor fuel, or special fuel, or electric fuel.

27 "*Commercial motor vehicle*" does not include a motor truck with a
28 combined gross weight of less than twenty-six thousand pounds,
29 operated as a part of an identifiable one-way fleet and which
30 is leased for less than thirty days to a lessee for the purpose
31 of moving property which is not owned by the lessor.

32 5. "*Fuel taxes*" means the per gallon and per kilowatt excise
33 taxes imposed under subchapters I and III of this chapter, and
34 section 452A.41, with respect to motor fuel, and undyed special
35 fuel, and electric fuel.

1 8. "Motor vehicle" shall mean and include all vehicles,
2 except those operated on rails, which are propelled by internal
3 combustion engines or electric motors and are of such design as
4 to permit their mobile use on public highways for transporting
5 persons or property. A farm tractor while operated on a farm
6 or for the purpose of hauling farm machinery, equipment, or
7 produce shall not be deemed to be a motor vehicle. "Motor
8 vehicle" shall not include "mobile machinery and equipment" as
9 defined in [this section](#).

10 Sec. 32. Section 452A.58, subsection 2, Code 2019, is
11 amended to read as follows:

12 2. A lessor of a commercial motor vehicle shall be deemed
13 a carrier with respect to such vehicles leased to others by
14 the lessor and motor fuel, ~~or~~ special fuel, or electric fuel
15 consumed thereby if the lessor supplies or pays for the motor
16 fuel, ~~or~~ special fuel, or electric fuel consumed by such
17 vehicle or makes rental or other charges calculated to include
18 the cost of such fuel.

19 Sec. 33. Section 452A.59, Code 2019, is amended to read as
20 follows:

21 **452A.59 Administrative rules.**

22 The department of revenue and the state department
23 of transportation are authorized and empowered to adopt
24 rules under [chapter 17A](#), relating to the administration
25 and enforcement of [this chapter](#) as deemed necessary by the
26 departments. However, when in the opinion of the director
27 it is necessary for the efficient administration of this
28 chapter, the director may regard persons in possession of motor
29 fuel, special fuel, biofuel, alcohol, or alcohol derivative
30 substances as blenders, dealers, eligible purchasers,
31 exporters, importers, restrictive suppliers, suppliers,
32 terminal operators, or nonterminal storage facility operators,
33 or persons in possession of electric fuel as electric fuel
34 dealers or users.

35 Sec. 34. Section 452A.60, subsection 1, Code 2019, is

1 amended to read as follows:

2 1. The department of revenue or the state department of
3 transportation shall prescribe and furnish all forms, as
4 applicable, upon which reports, returns, and applications shall
5 be made and claims for refund presented under [this chapter](#)
6 and may prescribe forms of record to be kept by suppliers,
7 restrictive suppliers, importers, exporters, blenders, common
8 carriers, contract carriers, licensed compressed natural gas,
9 liquefied natural gas, and liquefied petroleum gas dealers
10 and users, licensed electric fuel dealers and users, terminal
11 operators, nonterminal storage facility operations, and
12 interstate commercial motor vehicle operators.

13 Sec. 35. Section 452A.62, subsection 1, paragraph a, Code

23 storage facility, licensed compressed natural gas, liquefied
24 natural gas, or liquefied petroleum gas dealer or user,
25 licensed electric fuel dealer or user, or any other person
26 who possesses fuel upon which the tax has not been paid to
27 determine financial responsibility for the payment of the taxes
28 imposed by [this chapter](#).

29 Sec. 37. Section 452A.63, subsection 1, Code 2019, is
30 amended to read as follows:

31 1. All information obtained by the department of revenue or
32 the state department of transportation from the examining of
33 reports, returns, or records required to be filed or kept under

8 names of suppliers, restrictive suppliers, and importers and as
9 to each of them the total gallons of motor fuel, undyed special
10 fuel, and ethanol blended gasoline withdrawn from terminals
11 or imported into the state during that month. The department
12 of revenue or the state department of transportation, upon
13 request of officials entrusted with enforcement of the motor
14 fuel tax laws of the federal government or any other state, may
15 forward to these officials any pertinent information which the

24 supply tank of a motor vehicle, and every sale of electric
25 fuel dispensed by the seller into the battery or other energy
26 storage device of an electric motor vehicle shall, unless
27 otherwise provided, be presumed to include as a part of the
28 purchase price the fuel tax due the state of Iowa under the
29 provisions of **this chapter**. Every person collecting fuel tax
30 money as part of the selling price of motor fuel, ~~or~~ undyed
31 special fuel, or electric fuel shall hold the tax money in
32 trust for the state of Iowa unless the fuel tax on the fuel
33 has been previously paid to the state of Iowa. Any person
34 receiving fuel tax money in trust and failing to remit it to
35 the department of revenue on or before time required shall be

7 special fuel, or electric fuel.

8 e. For any person to act as a supplier, restrictive
9 supplier, importer, exporter, blender, ~~or~~ compressed natural
10 gas, liquefied natural gas, or liquefied petroleum gas dealer
11 or user, or electric fuel dealer or user without the required

17 has not paid or had charged to the person's account with a
18 distributor or dealer, or with respect to which the person does
19 not, within the time required in [this chapter](#), report and pay
20 the applicable fuel tax.

21 Sec. 40. Section 452A.74, subsection 1, Code 2019, is
22 amended by adding the following new paragraph:

23 NEW PARAGRAPH. h. For any licensed electric fuel dealer or
24 user to dispense electric fuel into the battery or other energy

31 public safety, and any peace officer as requested by such
32 departments to enforce the provisions of [subchapter I](#), sections
33 [452A.40 through 452A.44](#), and [this subchapter](#) ~~of this chapter~~.
34 The department of revenue shall adopt rules providing for
35 enforcement under [subchapter I](#) and [this subchapter](#) ~~of this~~

1 ~~chapter~~ regarding the use of motor fuel or special fuel in
2 implements of husbandry. Enforcement personnel or requested
3 peace officers are authorized to stop a conveyance suspected
4 to be illegally transporting motor fuel or special fuel on
5 the highways, to investigate the cargo, and also have the
6 authority to inspect or test the fuel in the supply tank of a
7 conveyance to determine if legal fuel is being used to power
8 the conveyance. The operator of any vehicle transporting
9 motor fuel or special fuel shall, upon request, produce and
10 offer for inspection the manifest or loading and delivery
11 invoices pertaining to the load and trip in question and shall
12 permit the authority to inspect and measure the contents of
13 the vehicle. If the vehicle operator fails to produce the
14 evidence or if, when produced, the evidence fails to contain
15 the required information and it appears that there is an
16 attempt to evade payment of the fuel tax, the vehicle operator
17 will be subject to the penalty provisions contained in section
18 452A.74A.

19 Sec. 42. Section 452A.78, Code 2019, is amended to read as
20 follows:

21 **452A.78 Other remedies available.**

25 state of any other remedy it might have either at law or in
26 equity independent of this chapter. The state shall have the
27 right to maintain an action at law for the collection of said
28 taxes required to be paid herein and in connection therewith
29 shall be entitled to a writ of attachment without bond.

30 Sec. 43. Section 452A.79, Code 2019, is amended to read as

34 452A.84, the net proceeds of the excise tax on ~~the diesel~~
35 special fuel, ~~and~~ the excise tax on motor fuel and other

1 special fuel, the excise tax on electric fuel, and penalties
2 collected under the provision of this chapter, shall be
3 credited to the road use tax fund.

4 Sec. 44. Section 452A.80, Code 2019, is amended to read as
5 follows:

13 or records pertaining to ~~motor a~~ fuel tax ~~or undyed special~~
14 ~~fuel tax~~ imposed by this chapter, or any paper or document with
15 respect to refund of the tax. If the forms and records have
16 been reproduced in accordance with this section, the state
17 agency may destroy the originals and the reproductions shall
18 be competent evidence in any court in accordance with the
19 provision of section 622.30.

20 Sec. 45. CODE EDITOR DIRECTIVE. The Code editor shall
21 designate sections 452A.40 through 452A.44, as enacted by
22 this division of this Act, as a new subchapter within chapter
23 452A, and may redesignate the new and preexisting subchapters,
24 replace references to sections 452A.40 through 452A.44
25 with references to the new subchapter, and correct internal
26 references as necessary, including references in subchapter
27 headnotes.

28 Sec. 46. EFFECTIVE DATE. This division of this Act takes
29 effect July 1, 2020.

30 EXPLANATION

31 The inclusion of this explanation does not constitute agreement with
32 the explanation's substance by the members of the general assembly.

33 This bill relates to motor vehicle taxes and fees.

34 DIVISION I — REGISTRATION FEES FOR ELECTRIC VEHICLES.

35 Under current law, Code section 321.109(1)(a) provides that all

1 motor vehicles including vehicles designated by manufacturers
2 as station wagons, 1993 and subsequent model year multipurpose
3 vehicles, and 2010 and subsequent model year motor trucks
4 with an unladen weight of 10,000 pounds or less, except motor
5 trucks registered under Code section 321.122, business-trade
6 trucks, special trucks, motor homes, motorsports recreational
7 vehicles, ambulances, hearses, autocycles, motorcycles,
8 motorized bicycles, and 1992 and older model year multipurpose
9 vehicles, are subject to an annual registration fee equal to 1
10 percent of the value of the vehicle as fixed by the department
11 of transportation (DOT) plus 40 cents for each 100 pounds of
12 weight of the vehicle as fixed by the DOT.

13 For each battery electric motor vehicle subject to an annual
14 registration fee under Code section 321.109(1)(a), the bill
15 requires the owner to pay an annual battery electric motor
16 vehicle registration fee of \$130, which is in addition to the
17 regular annual registration fee imposed for the vehicle. For
18 each plug-in hybrid electric motor vehicle subject to an annual
19 registration fee under Code section 321.109(1)(a), the bill
20 requires the owner to pay an annual plug-in hybrid electric
21 motor vehicle registration fee of \$65, which is in addition to
22 the regular annual registration fee imposed for the vehicle.

23 Under current law, motorcycles are subject to an annual
24 registration fee of \$20. However, if a motorcycle is more
25 than five model years old, the annual registration fee is \$10.
26 The bill requires the owner of a motorcycle that is a battery
27 electric motor vehicle or plug-in hybrid electric motor vehicle
28 to pay an annual electric motorcycle registration fee of \$9,
29 which is in addition to the regular annual registration fee
30 imposed for the motorcycle.

31 Under Code section 321.17, operating a motor vehicle of a
32 type required to be registered which is not registered, or for
33 which the appropriate fees have not been paid, is punishable by
34 a scheduled fine of \$50.

35 This division of the bill takes effect January 1, 2020.

1 DIVISION II — HYDROGEN FUEL EXCISE TAX. The bill imposes
2 an excise tax of 65 cents per gallon on hydrogen used as a
3 special fuel in motor vehicles. The bill specifies that a
4 diesel gallon equivalent of hydrogen is 2.49 pounds. The
5 bill makes corresponding changes to Code chapter 452A (motor
6 fuel and special fuel taxes) to ensure that the excise tax
7 on hydrogen is collected in the same manner as the existing
8 excise taxes on compressed natural gas, liquefied natural
9 gas, and liquefied petroleum gas. The bill applies the
10 provisions of Code chapter 452A to dealers and users of
11 hydrogen, including but not limited to provisions relating to
12 license requirements, reporting and filing requirements, record
13 retention requirements and audits, refunds, the interstate fuel
14 use tax, the inventory tax, and a variety of unlawful acts that
15 may result in a conviction for theft or fraudulent practice,
16 including but not limited to those listed in Code sections
17 452A.73, 452A.74, 452A.74A, and 452A.75. In accordance with
18 article VII, section 8, of the Iowa Constitution and Code
19 section 452A.79, revenues from the excise tax on hydrogen used
20 as a special fuel in motor vehicles are credited to the road
21 use tax fund.

22 By operation of law, Code section 321.40(9) provides that
23 a person who owns or controls a vehicle that uses hydrogen
24 will be issued a special fuel user identification sticker by
25 the county treasurer, and the person must place the sticker
26 adjacent to the place where the special fuel is delivered into
27 the vehicle fuel supply tank. Under Code section 312.2(9),
28 1.75 cents per gallon from the excise tax on hydrogen will be
29 deposited in the revitalize Iowa's sound economy fund. Under
30 Code section 312.2(10), .25 cents per gallon from the excise
31 tax on hydrogen will be deposited in the secondary road fund.
32 The provisions of Code chapter 323 (dealer and distributor
33 franchises for motor fuel and special fuel) apply to dealers
34 and distributors that sell hydrogen used as a special fuel.
35 Hydrogen used as a special fuel is excluded from the sales and

1 use tax under Code section 423.2(56) and the local sales and
2 services tax under Code section 423B.5(1).

3 The bill does not amend Code chapter 476C, which authorizes
4 a renewable energy fuel tax credit for producers and purchasers
5 of hydrogen fuel. The bill also does not amend Code section
6 216B.3 (department for the blind), 260C.19A (community
7 colleges), 262.25A (board of regents), 307.21 (department of
8 transportation), or 904.312A (department of corrections), which
9 require that 10 percent of motor vehicles purchased by such
10 entities be equipped with engines which utilize alternative
11 methods of propulsion, including electricity but not including
12 hydrogen.

13 This division of the bill takes effect January 1, 2020.

14 DIVISION III — ELECTRIC FUEL EXCISE TAX. The bill provides
15 that electric fuel means electrical energy delivered or placed
16 into the battery or other energy storage device of an electric
17 motor vehicle from a source outside the motor vehicle for
18 purposes of propelling the motor vehicle. The bill imposes an
19 excise tax of 2.6 cents on each kilowatt hour of electric fuel
20 delivered or placed into the battery or other energy storage
21 device of an electric motor vehicle at a location in this
22 state other than a residence. The tax attaches at the time of
23 the delivery by a dealer and must be collected by the dealer
24 from the purchaser and paid to the Iowa department of revenue
25 (IDR) in the same manner as the excise taxes on natural gas
26 and liquefied petroleum gas are paid by dealers under current
27 law. Alternatively, the tax attaches at the time of use by
28 a licensed electric fuel user and must be paid to IDR in the
29 same manner as the excise taxes on natural gas and liquefied
30 petroleum gas are paid by users under current law.

31 All charging stations located at dealer and user locations
32 through which electric fuel can be dispensed must be metered,
33 inspected, tested for accuracy, and sealed and licensed by the
34 department of agriculture and land stewardship.

35 For the purpose of determining the amount of liability for

1 the electric fuel tax, each dealer and user must file with IDR
2 not later than the last day of each calendar month a monthly
3 tax return certified under penalties for false certification.
4 The return must be accompanied by remittance in the amount of
5 the tax due for the month in which the fuel was placed into
6 the batteries or other energy storage devices of electric
7 motor vehicles. The bill specifies that moneys collected by a
8 licensed electric fuel dealer or user for the excise tax are
9 deemed to be held in trust for the state of Iowa.

10 The bill prohibits a person from selling or dispensing
11 electric fuel within this state at a location other than a
12 residence or from otherwise acting as a licensed electric fuel
13 dealer or user unless the person holds an uncanceled license
14 issued by IDR. The bill specifies the application requirements
15 for a license, and provides for grounds under which IDR may
16 deny the issuance of a license.

17 The bill requires a licensed electric fuel dealer or user
18 to maintain, for a period of three years, records of all
19 transactions by which the dealer or user dispenses electric
20 fuel into the batteries or other energy storage devices of
21 electric motor vehicles, including pertinent records and papers
22 as required by IDR. After an audit and examination of such
23 records, IDR may authorize their disposal upon the written
