EXPLANATION

1           The inclusion of this explanation does not constitute agreement with  
2           the explanation's substance by the members of the general assembly.

3       This bill relates to fees for services provided by the child  
4 support recovery unit (unit). Currently, individuals who apply  
5 for child support services in nonassistance cases pay a \$25  
6 application fee. The bill eliminates the \$25 application fee.  
7       The bill also amends the provision relating to the payment  
8 of an annual fee for individuals who receive services from  
9 the unit in nonassistance cases. The current state statute  
10 specifies that the annual fee is \$25 and is collected from  
11 the obligee after \$500 in support has been distributed to the  
12 family. Under the bill, which cites to the revised federal  
13 law, the fee will be \$35 and will be collected from the obligee  
14 after \$550 in support has been distributed to the family. By  
15 citing directly to the federal law rather than specifying an  
16 amount in state statute, any changes in the federal law will  
17 automatically govern the amount of the annual fee without the  
18 need for changes in the state statute.  
19       The bill also makes conforming changes.
