2 This bill repeals the honey creek premier destination park
3 bond program.

4 Current law creates within the department of natural
5 resources the honey creek premier destination park authority,
6 which implements and administers the honey creek premier
7 destination park bond program. The law requires the authority
8 to dissolve no later than two years after the date of final
9 payment of all outstanding bonds and the satisfaction of all
10 outstanding obligations of the authority, except to the extent
11 necessary to remain in existence to fulfill any outstanding
12 covenants or provisions with bondholders or third parties made
13 in accordance with Iowa Code chapter 463C. Upon dissolution,
14 all assets of the authority shall be deposited into the general
15 fund of the state unless otherwise directed by the general
16 assembly.

17 All outstanding bonds of the authority were defeased on
18 November 25, 2013, and subsequently redeemed on June 1, 2016.
19 The dissolution of the authority was effective June 1, 2018.

20 The bill makes conforming changes in the Iowa Code to remove
21 references to the authority. The bill also retains language
22 regarding competitive bidding that would otherwise have been
23 repealed.
