9 EXPLANATION

10 The inclusion of this explanation does not constitute agreement with  
11 the explanation's substance by the members of the general assembly.

12 Current law allows the superintendent of credit unions  
13 of the credit union division of the department of commerce  
14 to subpoena witnesses and compel the production of any  
15 relevant record during the period of an examination of a  
16 state credit union by the superintendent. This bill expands  
17 the superintendent's subpoena authority by allowing the  
18 superintendent to compel the production of any relevant record  
19 related to any period of examination, or related to any report  
20 or filing made by or provided to the credit union division.

21 Under current law, whenever a person subpoenaed by the  
22 superintendent of credit unions fails to produce a record as  
23 required by the terms of the subpoena, the superintendent may  
24 apply to the district court of Polk county to issue an order  
25 compelling compliance. The refusal of any person to obey such  
26 an order issued by the district court without reasonable cause  
27 constitutes contempt of court.
