21 The inclusion of this explanation does not constitute agreement with
22 the explanation's substance by the members of the general assembly.

23 This bill establishes a pilot program to collect fees from
24 nonresidents at lake Manawa state park.

25 Current law prohibits the department of natural resources

32 to the park through one year after the date of purchase.
33 A nonresident who purchases an annual pass may purchase a
34 second annual pass to use for a different vehicle for \$15.
35 The bill allows the department to decide whether to charge

S.F. 132

1 separate nonresident and resident fees for camping and shelter
2 reservations and for beach access. The bill requires the
3 department to determine an effective method of collecting fees.
4 The pilot program is repealed on July 1, 2022.
