24 EXPLANATION

25 The inclusion of this explanation does not constitute agreement with
26 the explanation's substance by the members of the general assembly.

27 Under current law, two registration plates are issued
28 for any motor vehicle other than an auticycle, motorcycle,
29 motorized bicycle, or truck tractor, and are required to be
30 attached to the front and rear of the vehicle, with certain
31 exceptions.

32 This bill provides that only one registration plate shall
33 be issued for a motor vehicle. The registration plate shall
34 be attached to the rear of the motor vehicle, except that the
35 registration plate for a truck tractor shall be attached to the

1 front of the truck tractor, consistent with current law.

2 The bill also makes corresponding Code language changes,
3 makes some Code language changes to enhance readability,
4 directs the Code editor to make changes to language referring
5 to two registration plates rather than one, and provides for
6 the transition from the use of two registration plates to the
7 use of one registration plate.
