EXPLANATION

20           The inclusion of this explanation does not constitute agreement with  
21           the explanation's substance by the members of the general assembly.

22       Under current law, while a transportation network company  
23 (TNC) driver is logged on to a TNC's digital network and is  
24 available to receive requests for a prearranged ride, but is  
25 not engaged in a prearranged ride, primary automobile insurance  
26 must cover the TNC driver in the amount of at least \$50,000  
27 because of bodily injury to or death of one person in any one  
28 accident, at least \$100,000 because of bodily injury to or  
29 death of two or more persons in any one accident, and at least  
30 \$25,000 because of injury to or destruction of property of  
31 others in any one accident. While a TNC driver is engaged in  
32 a prearranged ride, primary automobile insurance must cover  
33 the TNC driver in the amount of at least \$1 million because of  
34 bodily injury to or death of one or more persons and injury to  
35 or destruction of property of others in any one accident.

1 This bill requires primary automobile insurance to cover  
2 the TNC driver in the amount of at least \$1 million because of  
3 bodily injury to or death of one or more persons and injury to  
4 or destruction of property of others in any one accident while  
5 the TNC driver is logged on to a TNC's digital network and is  
6 available to receive requests for a prearranged ride, but is  
7 not engaged in a prearranged ride.
