4 EXPLANATION

5 The inclusion of this explanation does not constitute agreement with
6 the explanation's substance by the members of the general assembly.

7 This bill relates to the establishment of a disaster
8 recovery homeowner assistance program and fund administered by
9 the Iowa finance authority, and transfers of moneys to certain
10 funds.

11 The bill creates a disaster recovery homeowner assistance
12 fund (fund) within the Iowa finance authority (authority). The
13 fund may consist of any moneys appropriated by the general
14 assembly and any other moneys that are lawfully available to
15 the authority. The authority may use all moneys in the fund,
16 including interest, earnings, and recaptures for the purposes
17 of the fund. Moneys in the fund at the end of each fiscal year
18 do not revert to any other fund but remain in the fund for
19 expenditure for subsequent fiscal years. The bill prohibits
20 the authority from using more than 5 percent of the moneys in
21 the fund at the beginning of a fiscal year for purposes of
22 administrative costs and other program support.

23 Notwithstanding any other law to the contrary, the bill
24 permits the authority to transfer any unobligated and
25 unencumbered moneys in the revolving loan program funds
26 created pursuant to Code sections 16.46, 16.47, 16.48, or
27 16.49, for deposit in any other fund created under Code
28 chapter 16, part 4. Notwithstanding Code sections 8.39(1)
29 and 8.39(3), and notwithstanding any other law to the
30 contrary, the bill permits the executive director of the
31 authority to transfer any unobligated and unencumbered moneys
32 in any fund created pursuant to Code section 16.5(1)(s),
33 for deposit in the disaster recovery homeowner assistance
34 fund with the prior written consent and approval of the
35 governor. The prior consent and approval of the director of

1 the department of management is not required to transfer the
2 funds. Notwithstanding Code sections 8.39(2) and 8.39(3),
3 and notwithstanding any other law to the contrary, the bill
4 permits the executive director of the Iowa finance authority to
5 transfer any unobligated and unencumbered moneys in any fund
6 created pursuant to Code section 15.106A(1)(o), for deposit in
7 the disaster recovery homeowner assistance fund, with the prior
8 written approval of the director of the economic development
9 authority and the prior written approval of the governor.

10 The bill directs the authority to establish and administer a
11 disaster recovery homeowner assistance program (program) and to
12 use moneys in the fund to provide forgivable loans to eligible
13 homeowners of disaster-affected homes. "Disaster-affected
14 home" is defined in the bill as a primary residence that is
15 destroyed or damaged due to a natural disaster that occurs on
16 or after the effective date of the bill, and that is located
17 in a county that due to the natural disaster is the subject
18 of a state of disaster emergency proclamation by the governor
19 that authorizes disaster recovery homeowners assistance; or a
20 primary residence that is destroyed or damaged due to a natural
21 disaster that occurred on or after March 12, 2019, but before
22 the effective date of the bill, and is located in a county that
23 has been declared a major disaster by the president of the
24 United States on or after March 12, 2019, and that is also a
25 county in which individuals are eligible for federal individual
26 assistance.

27 The authority may enter into an agreement with one or more
28 local program administrators (administrator) to administer the
29 program, and moneys in the fund may be expended following a
30 state of disaster emergency proclamation by the governor that
31 authorizes disaster recovery homeowner assistance. "Local
32 program administrator" is defined in the bill as the cities of
33 Ames, Cedar Falls, Cedar Rapids, Council Bluffs, Davenport, Des
34 Moines, Dubuque, Iowa City, Waterloo, and West Des Moines; and
35 a council of governments whose territory includes at least one

1 county that is the subject of the state of disaster emergency
2 proclamation by the governor that authorizes disaster recovery
3 homeowner assistance; or a qualified local organization or
4 governmental entity as determined by rules as adopted by the
5 authority.

6 To be considered for a forgivable loan under the program,
7 a homeowner must register for the disaster case management
8 program established pursuant to Code section 29C.20B.

9 The disaster case manager may refer the homeowner to the
10 appropriate administrator.

11 To be eligible for a forgivable loan under the program,
12 the bill requires a homeowner to own a disaster-affected home
13 (home) located in a county that has been proclaimed a state
14 of disaster emergency by the governor; the home must have
15 sustained damage greater than the damage that is covered by the
16 homeowner's property and casualty insurance policy insuring
17 the home plus any other state or federal disaster-related
18 financial assistance that the homeowner is eligible to receive;
19 an administrator must deem the home suitable for rehabilitation
20 or damaged beyond reasonable repair; and if the homeowner is
21 seeking a forgivable loan for the repair or rehabilitation of
22 the homeowner's disaster-affected home, the home cannot be
23 proposed for buyout by the county or city in which the home is
24 located.

25 If a homeowner is referred to an administrator by the
26 homeowner's manager, the bill allows the authority to award
27 a forgivable loan to the eligible homeowner for repair or
28 rehabilitation of the disaster-affected home, or for down
29 payment assistance on the purchase of replacement housing,
30 and the cost of reasonable repairs to be performed on the
31 replacement housing to render it decent, safe, sanitary, and
32 in good repair. Replacement housing purchased by a homeowner
33 cannot be located in a 100-year floodplain. All awarded
34 forgivable loans must be interest-free and have a five-year
35 term. The maximum forgivable loan that may be awarded to any

1 one eligible homeowner shall be determined by the authority
2 by rule. "Decent, safe, sanitary, and in good repair" is
3 defined in the bill to mean the same as described in 24 C.F.R.
4 §5.703. "Replacement housing" is defined in the bill as
5 housing purchased by a homeowner to replace a disaster-affected
6 home that is destroyed or damaged beyond reasonable repair as
7 determined by a local program administrator.

8 A uniform percentage of a forgivable loan awarded to a
9 homeowner must be forgiven by the authority on a monthly
10 basis as determined by rules adopted by the authority. If
11 a homeowner who has been awarded a forgivable loan sells a
12 disaster-affected home or replacement housing for which the
13 homeowner received the forgivable loan prior to the end of
14 the five-year term, the remaining principal on the forgivable
15 loan becomes due and payable pursuant to rules adopted by the
16 authority.

17 The authority is required to adopt rules to implement and
18 administer the fund and the program.

19 The bill takes effect upon enactment.
