EXPLANATION

10           The inclusion of this explanation does not constitute agreement with  
11           the explanation's substance by the members of the general assembly.

12       This bill relates to the enhance Iowa board.

13       The bill increases the term of voting members on the board  
14 from two to three years. The bill provides for a transition  
15 from the current two-year staggered terms to three-year  
16 staggered terms.

17       The bill directs the board, rather than the economic  
18 development authority, to adopt rules to administer the  
19 programs established in Code chapter 15F.

20       The bill eliminates the requirement that the board, at the  
21 beginning of each fiscal year, allocate \$100,000 from the  
22 community attraction and tourism fund to market projects that  
23 are receiving moneys from the fund.
