EXPLANATION

S.F. 602

1           The inclusion of this explanation does not constitute agreement with  
2           the explanation's substance by the members of the general assembly.

3       This bill extends certain incentives for whole grade sharing  
4 by school districts and for school district reorganization or  
5 dissolution for five additional years, from July 1, 2019, to  
6 July 1, 2024.

7       The bill provides for a reduced uniform levy as an incentive  
8 for school districts that reorganize on or before July 1, 2024.

9       School districts that execute a whole grade sharing  
10 agreement and adopt a resolution to study the effect of  
11 undergoing a reorganization or dissolution to take effect on  
12 or before July 1, 2024, are allowed to receive a weighting of  
13 one-tenth of the percentage of a student's school day during  
14 which the student attends classes in another district, is  
15 taught by a teacher jointly employed, or attends classes taught  
16 by a teacher employed by another district. This supplementary  
17 weighting is available for not more than three years. However,  
18 a school district that reorganizes before July 1, 2024, is  
19 eligible, for up to three years following reorganization, to  
20 continue to receive supplementary weighting in an amount that  
21 is equal to the funding that the district received in the year  
22 preceding the effective date of its reorganization.

23       The bill does not affect the combined maximum total six-year  
24 limitation on a school district's eligibility for supplementary  
25 weighting.
