The state and any licensee under this chapter or chapter 99F shall not be liable to any person for any claim which may arise from this process. In addition to any other penalty provided by law, any money or thing of value that has been obtained by, or is owed to, a voluntarily excluded person as a result of wagers made by the person after the person has

The minimum capacity of an excursion gambling boat or gambling structure is two hundred fifty persons.

Sec. 9. Section 99F.6, subsection 4, paragraph a, subparagraphs (2), (3), and (5), Code 2019, are amended to read as follows:

However, if a licensee who is also licensed to conduct pari-mutuel wagering at a horse racetrack has unpaid debt from the pari-mutuel racetrack operations, the first receipts of the gambling games operated within the racetrack enclosure less reasonable operating expenses, taxes, and fees allowed under this chapter shall be first used to pay the annual
indebtedness.

(3) The commission shall authorize, subject to the debt payments for horse racetracks and the provisions of paragraph "b" for dog racetracks, a licensee who is also licensed to conduct pari-mutuel dog or horse racing to use receipts from gambling games and sports wagering within the racetrack enclosure to support the horse racing industry and to supplement purses for races particularly for Iowa-bred horses pursuant to an agreement which shall be negotiated between the licensee and representatives of the dog or horse owners. For agreements subject to commission approval concerning purses for horse racing beginning on or after January 1, 2006, the agreements shall provide that total annual purses for all horse racing shall be no less than eleven percent of the first two hundred million dollars of net receipts, and six percent of net receipts above two hundred million dollars. In addition, live standardbred horse racing shall not be conducted at the horse racetrack in Polk county, but the purse moneys designated for standardbred racing pursuant to section 99D.7, subsection 5, paragraph "b", shall be included in calculating the total annual purses required to be paid pursuant to this subsection.

Agreements that are subject to commission approval concerning horse purses for a period of time beginning on or after January 1, 2006, shall be jointly submitted to the commission for approval.

(5) For purposes of this paragraph, "net receipts" means the annual adjusted gross receipts from all gambling games and sports wagering net receipts, less the annual amount of money pledged by the owner of the facility to fund a project approved to receive vision Iowa funds as of July 1, 2004.

agreements with one or two entities to have up to a total of
two individually branded internet sites to conduct advance
deposit sports wagering for the licensee, unless one additional
operating agreement or individually branded internet site is
authorized by the commission.

under this section shall employ reasonable steps to prohibit
coaches, athletic trainers, officials, players, or other individuals who participate in an authorized sporting event that is the subject of sports wagering from sports wagering under this chapter. contests.

Code section 80.25, concerning gaming investigation and enforcement by the division of criminal investigation of the department of public safety, is amended to provide for investigation and enforcement concerning the new Code chapter. New Code section 99E.1 provides for definitions. A "fantasy sports contest" is defined as any fantasy or simulated game or contest in which all prizes and awards offered to winning participants are established and made known in advance of the contest, all winning outcomes reflect the relative knowledge and skill of the participants and are determined predominantly by accumulated statistical results of the performance of individuals, and no winning outcome is solely based on the score, or performance of any single actual team or combination of such teams or solely on any single performance of an individual athlete in any single actual sporting or other event. An "internet fantasy sports contest" is defined as a method of entering a fantasy sports contest by establishing an account with an internet fantasy sports contest service provider. An "internet fantasy sports contest player" is defined as a person who is at least 21 years of age who participates in an internet fantasy sports contest. The bill also defines "internet fantasy sports contest adjusted revenues", "internet fantasy sports contest service provider", and "location percentage".

New Code section 99E.2 provides that the system of entering an internet fantasy sports contest is legal when conducted by a licensed internet fantasy sports contest service provider as provided in the new Code chapter.

New Code section 99E.3 establishes the powers of the racing and gaming commission in relation to internet fantasy sports contests and internet fantasy sports contest service providers. Specifically, the Code section authorizes the commission to investigate and license internet fantasy sports contest service providers, assess fines and revoke or suspend licenses,
1 impose penalties for violations of the Code chapter, and take
2 any other action to enforce the requirements of the new Code
3 chapter.
4 New Code section 99E.4 establishes the requirements for an
5 applicant to be granted a license to conduct internet fantasy
6 sports contests. The Code section allows the commission
7 to charge the applicant a fee for the department of public
8 safety, division of criminal investigation, to defray the
9 costs associated with any investigation. The new Code
10 section provides that a license shall not be issued if there
11 is evidence that the applicant has failed to meet certain
12 qualifying requirements. The Code section provides that a
13 person who knowingly makes a false statement on the application
14 is guilty of an aggravated misdemeanor.
15 New Code section 99E.5 establishes the terms and conditions
16 of licenses issued to conduct internet fantasy sports contests.
17 The Code section provides that a license may be issued for
18 a period of not more than three years and provides for an
19 initial license fee of $5,000 and an annual license fee of
20 $1,000 or $5,000 for licensees with annual internet fantasy
21 sports contest adjusted revenues of $150,000 or more. The bill
22 provides that the license fees shall be deposited in the state
23 philanthropy, opportunity, reinvestment, and tourism fund as
24 created by the bill. The Code section also provides for the
25 payment of a regulatory fee to be set by the racing and gaming
26 commission based on the costs of administering and enforcing
27 the new Code chapter. The Code section further provides that
28 each licensee shall receive a credit for the amount of the
29 regulatory fee paid against taxes to be paid pursuant to the
30 new Code chapter. The Code section provides that a licensed
31 internet fantasy sports contest service provider shall use
32 commercially reasonable methods to prevent any employees and
33 certain family members from participating in internet fantasy
34 sports contests on the service provider’s digital platform,
35 verify that internet fantasy sports contest players located
in this state are 21 or older, ensure that participants in
a game or contest shall not be allowed to enter an internet
fantasy sports contest involving that game or contest, permit
individuals to establish an account with an internet fantasy
sports contest service provider by electronic communication and
to restrict themselves from entering an internet fantasy sports
contest, conduct an annual audit, and pay the tax imposed by
the new Code chapter.

New Code section 99E.6 provides for a tax of six and
three-quarters percent on internet fantasy sports contest
adjusted revenues. The bill defines “internet fantasy sports
contest adjusted revenues” as the total of fees and charges
collected, less winnings, in an internet fantasy sports contest
multiplied by the percentage of fees and charges paid by
participants who are located in this state in that contest.
The taxes imposed shall be paid by the internet fantasy
sports contest service provider to the treasurer of state as
determined by the commission. The bill provides that of the
taxes collected, an amount equal to one-half of one percent
of internet fantasy sports contest adjusted revenues shall be
deposited in the county endowment fund created in Code section
15E.311 with the remainder of taxes collected to be credited to
the state philanthropy, opportunity, reinvestment, and tourism
fund as created by the bill.

New Code section 99E.7 provides that a person under the
age of 21 shall not enter an internet fantasy sports contest.
A person who violates this Code section commits a scheduled
violation under Code section 805.8C and is subject to a $500
fine. Code section 805.8C is amended to reflect this violation
and applicable fine.

New Code section 99E.8 requires an internet fantasy sports
contest service provider to keep books and records on internet
fantasy sports contest adjusted revenues and to provide the
commission with reports and information as the commission may
require. The bill provides that a licensee promptly report
to the commission any criminal or disciplinary proceedings commenced against the licensee, any abnormal fantasy sports contest activity, and any other conduct with the potential to corrupt an outcome of an internet fantasy sports contest. The bill authorizes the commission to share any information received with the division of criminal investigation, any other law enforcement entity, or regulatory agency the commission deems appropriate. The commission shall promptly report information with a sports team or sports governing body as the commission deems appropriate if it will not interfere with an ongoing criminal investigation.
