29 EXPLANATION

30 The inclusion of this explanation does not constitute agreement with
31 the explanation's substance by the members of the general assembly.

32 This bill relates to the administration of elections.

33 The bill eliminates the second Tuesday in December as a
34 possible date for a special election on a public measure in
35 a school district or merged area in an even-numbered year.

1 The bill also eliminates the first Tuesday in December as a
2 possible date for a special election on a public measure in a
3 city in an even-numbered year.

4 The bill makes the false or fraudulent signing of nomination
5 papers on behalf of another person and the misuse of voter
6 registration information election misconduct in the second
7 degree. Under current law, misuse of voter registration
8 information is election misconduct in the third degree. A
9 person who commits election misconduct in the second degree is
10 guilty of an aggravated misdemeanor. An aggravated misdemeanor
11 is punishable by confinement for no more than two years and a
12 fine of at least \$625 but not more than \$6,250.

13 The bill permits the state commissioner of elections to
14 require a written explanation from a county commissioner who
15 has been issued a notice of technical infraction. Such an
16 explanation must contain measures the county commissioner took
17 to redress the issues in the notice.

18 The bill requires a person circulating a petition for
19 nomination to include that person's name, signature, address,
20 and phone number. The bill also specifies that a signature
21 line must contain a signer's residential address. The bill
22 prohibits a signature line from being counted if the signature
23 line contains a partial address or a post office box address,
24 or if any of the required information is crossed out or
25 redacted at the time of filing. The bill requires nomination
26 papers to be rejected if they do not contain information
27 required by Code section 43.18 (affidavit of candidacy).

28 The bill requires the state commissioner to issue a
29 certificate of nomination to each county commissioner as soon
30 as is practicable if a challenge to the nomination pursuant
31 to section 43.24 is pending. Current law requires the state
32 commissioner to issue such a certificate at least 69 days
33 before a primary election.

34 The bill permits objections to be filed to certificates of
35 nomination for candidates to replace candidates who have died

1 or withdrawn their nomination.

2 The bill permits the state commissioner to examine election
3 security assessments conducted or authorized by government or
4 private entities. Such information retains its confidential
5 status. The bill also permits the state commissioner to share
6 information provided by a county to an appropriate government
7 agency to safeguard against cybersecurity or physical threats
8 and to adopt rules for minimum security standards to which
9 county commissioners must adhere. The state commissioner may
10 limit access to the statewide voter registration system if a
11 county commissioner fails to meet these standards.

12 The bill requires a county commissioner of elections
13 to report to the state commissioner of elections when the
14 county commissioner believes that a cybersecurity incident or
15 data breach has occurred. The bill also requires a county
16 commissioner to report to the state commissioner on an annual
17 basis if the county commissioner has no reason to believe that
18 a cybersecurity incident or data breach has occurred.

19 The bill requires the state registrar of voters to adopt
20 rules regarding access to the statewide voter registration
21 system and training requirements, technology safeguards, and
22 breach incident response requirements.

23 The bill extends the deadline by which voter registration
24 forms must be submitted to voter registration agencies, motor
25 vehicle driver's license stations, and county treasurer's
26 offices participating in county issuance of driver's licenses
27 from 5:00 p.m. to 11:59 p.m. on the day registration closes for
28 an election.

29 The bill changes the time frame for the state commissioner
30 of elections to send an acknowledgment of receipt of a voter
31 registration form or change of information, if that form was
32 submitted within 14 days of a regularly scheduled election,
33 from within 7 days to within 48 hours.

34 The bill requires county commissioners of elections to
35 report temporary combinations of precincts to the state

1 commissioner of elections at least 25 days before the next
2 election for which the precinct will be active, or at least 10
3 days prior to an election held pursuant to section 69.14.

4 The bill allows the state commissioner of elections to
5 prescribe, and county commissioners of elections to place
6 on ballots, uniform abbreviations for political parties and
7 organizations. The bill allows abbreviations for the names of
8 political parties and organizations to be used on the remainder
9 of the ballot if the full name and abbreviation appear in the
10 voter instruction portion of the ballot.

11 The bill allows the state commissioner of elections to adopt
12 rules to establish pilot programs related to post-election
13 audits.

14 The bill requires the state commissioner of elections to
15 adopt rules for the implementation of the absentee voting
16 system.

17 The bill moves the first day to mail absentee ballots to
18 the first business day on which mail delivery is available
19 following the 29th day before an election in the event that the
20 United States post office is closed and not delivering mail on
21 the 29th day before an election.

22 The bill takes effect upon enactment.
