EXPLANATION

5

The inclusion of this explanation does not constitute agreement with
6 the explanation's substance by the members of the general assembly.

6

7 This bill classifies the death of a driver involved in
8 a motor vehicle accident as a death affecting the public
9 interest. The bill requires a county medical examiner to
10 withdraw a sample of blood from a deceased driver involved in
11 a motor vehicle accident and provide the sample to the Iowa
12 division of criminal investigation criminalistics laboratory.
13 The bill requires the Iowa division of criminal investigation
14 criminalistics laboratory to test the sample for the purpose
15 of determining the alcohol concentration or presence of
16 a controlled substance or other drugs, or any combination
17 thereof, in the decedent's blood. The bill directs the Iowa
18 division of criminal investigation criminalistics laboratory
19 to retain the results of the testing for statistical purposes.
20 Information obtained under the bill shall only be released as a
21 public record for statistical purposes if individual identities
22 are not ascertainable.
