31 the explanation's substance by the members of the general assembly.

32 This bill relates to controlled substances.

33 The bill allows the board of pharmacy to change the scheduled  
34 status of cannabis-derived products and cannabis-derived  
35 investigational products based on scheduling decisions of the

1 United States food and drug administration and the federal  
2 drug enforcement administration in the federal schedule of  
3 controlled substances.

4 The bill classifies nine synthetic opioids, one opioid  
5 analgesic, ten synthetic cannabinoids, and seven synthetic  
6 cathinones as schedule I controlled substances under the Iowa  
7 uniform controlled substances Act (Act). The bill classifies  
8 all products which contain derivatives of barbituric acid  
9 (butalbital) as schedule III controlled substances under the  
10 Act, subject to reporting to the prescription monitoring  
11 program, and classifies one central nervous system depressant  
12 and one central nervous system stimulant as schedule IV  
13 controlled substances under the Act. The bill classifies any  
14 United States food and drug administration-approved product  
15 containing cannabidiol that contains no more than 0.1 percent  
16 tetrahydrocannabinols as a schedule V controlled substance  
17 under the Act.

18 The bill strikes language referring to medical marijuana  
19 programs of the board of pharmacy.

20 The bill is effective upon enactment.
