4 EXPLANATION

5 The inclusion of this explanation does not constitute agreement with
6 the explanation's substance by the members of the general assembly.

7 This bill relates to education funding by establishing the
8 state percent of growth and the categorical state percent of
9 growth for the budget year beginning July 1, 2020, modifying
10 provisions and references relating to the property tax
11 replacement payments, and modifying various appropriations for
12 certain education funding programs.

13 The bill establishes a state percent of growth of 2.5 percent
14 for the budget year beginning July 1, 2020. The state percent
15 of growth is used to calculate the amount of supplemental state
16 aid for a budget year as part of the state school foundation
17 program. The bill also establishes a categorical state percent
18 of growth of 2.5 percent for the budget year beginning July
19 1, 2020. The categorical state percent of growth is used to
20 calculate the amount of supplemental state aid for each of the
21 categorical funding supplements.

22 Code section 257.16B provides for school district property
23 tax replacement payments. Under current law, for each budget
24 year beginning on or after July 1, 2019, each school district's
25 property tax replacement payment amount is equal to the school
26 district's weighted enrollment for the budget year multiplied
27 by the difference of the following: (1) the regular program
28 state cost per pupil for the budget year beginning July 1,
29 2019, multiplied by 100 percent less the regular program
30 foundation base per pupil percentage; and (2) the regular
31 program state cost per pupil for the budget year beginning July
32 1, 2012, multiplied by 100 percent less the regular program
33 foundation base per pupil percentage. The regular program
34 foundation base per pupil percentage is 87.5 percent.

35 The bill modifies the property tax replacement payment

1 calculation for budget years beginning on or after July 1,
2 2020. For budget years beginning on or after July 1, 2020,
3 each school district's property tax replacement payment amount
4 is equal to the school district's weighted enrollment for the
5 applicable budget year multiplied by the difference of the
6 following: (1) the regular program state cost per pupil for
7 the budget year beginning July 1, 2020, multiplied by 100
8 percent less the regular program foundation base per pupil
9 percentage; and (2) the regular program state cost per pupil
10 for the budget year beginning July 1, 2012, multiplied by 100
11 percent less the regular program foundation base per pupil
12 percentage.

13 Code section 257.16C establishes a transportation equity
14 program to provide additional funding for school districts with
15 a transportation cost per pupil that exceeds the statewide
16 adjusted transportation cost per pupil, as determined by the
17 department of management. If the balance of the fund exceeds
18 the amount necessary to make all transportation equity aid
19 payments, moneys remaining in the fund are required to be used
20 for transportation base funding payments as calculated under
21 Code section 257.16C(4).

22 For each fiscal year beginning on or after July 1, 2020,
23 Code section 257.16C appropriates from the general fund of the
24 state to the transportation equity fund the sum of the amount
25 appropriated for the immediately preceding fiscal year plus
26 the product of the amount appropriated for the immediately
27 preceding fiscal year multiplied by the categorical percent
28 of growth for the corresponding school budget year. The
29 bill amends Code section 257.16C so that this appropriation
30 calculation begins with the fiscal year beginning July 1, 2021,
31 and appropriates \$24,475,000 to the transportation equity fund
32 for the fiscal year beginning July 1, 2020.

33 The bill amends Code section 257.35 to reduce the state aid
34 for area education agencies and the portion of the combined
35 district cost calculated for these agencies for the fiscal

1 year beginning July 1, 2020, and ending June 30, 2021, by an
2 additional \$15 million. The reduction for each area education
3 agency shall be prorated based on the reduction that the agency
4 received in the fiscal year beginning July 1, 2003.

5 The bill provides that in lieu of the appropriation provided
6 in Code section 257.20(2), the appropriation for the fiscal
7 year beginning July 1, 2020, and ending June 30, 2021, for
8 paying instructional support state aid for such fiscal year is
9 zero.

10 The bill takes effect upon enactment.
