EXPLANATION

The inclusion of this explanation does not constitute agreement with...
the explanation's substance by the members of the general assembly.

This bill relates to state and local revenue and finances including modifying individual income taxes, sales and use taxes, water service tax, certain tax credits, and provisions relating to county juvenile court expenses and mental health region funding. The bill is organized into divisions.

DIVISION I — INDIVIDUAL INCOME TAX BRACKETS AND RATES

BEGINNING 2021 TAX YEAR. Current law provides nine regular tax brackets containing progressively higher amounts of taxable income that are taxed at progressively higher tax rates, from a low of 0.33 percent, to a high of 8.53 percent. The taxable income amounts in each tax bracket are indexed to inflation and increased each year. For tax years beginning on or after January 1, 2021, the bill reduces the tax rate in each bracket, and reduces the number of brackets to eight, as follows:

<table>
<thead>
<tr>
<th>Income over:</th>
<th>But not over:</th>
<th>Tax</th>
</tr>
</thead>
<tbody>
<tr>
<td>1) $0</td>
<td>$3,364</td>
<td>0.30%</td>
</tr>
<tr>
<td>2) $3,364</td>
<td>$6,728</td>
<td>2.00%</td>
</tr>
<tr>
<td>3) $6,728</td>
<td>$15,138</td>
<td>3.73%</td>
</tr>
<tr>
<td>4) $15,138</td>
<td>$25,230</td>
<td>5.07%</td>
</tr>
<tr>
<td>5) $25,230</td>
<td>$33,640</td>
<td>5.36%</td>

<tr>
<td>6) $33,640</td>
<td>$50,460</td>
<td>5.63%</td>

<tr>

<td>6.97%</td>

<td>7.48%</td>

The individual tax rates listed above apply for all tax years beginning on or after January 1, 2021, until such time as a different tax rate takes effect as described in division III.

DIVISION II — CONTINGENT EFFECTIVE DATE IN 2018 IOWA ACTS — NET GENERAL FUND REVENUES CALCULATION. For purposes of describing contingent individual income tax changes in 2018 Iowa Acts, chapter 1161, section 133, the term “trigger year” means the first tax year after the following occurrence:

the net general fund revenues for FY 2022 equal or exceed $8,314,600,000, and also equal or exceed 104 percent of the
1 net general fund revenues for FY 2021; or if the previous
2 conditions are not satisfied, on or after the January 1
3 following the first fiscal year for which the net general
4 fund revenues equal or exceed $8,314,600,000, and also equal
5 or exceed 104 percent of the net general fund revenues for
6 the fiscal year immediately preceding that fiscal year. The
7 bill strikes the above-mentioned condition relating to net
8 general fund revenues exceeding 104 percent of the net general
9 fund revenues for the preceding fiscal year. Therefore, the
10 "trigger year" occurs when net general fund revenues equal
11 or exceed $8,314,600,000 during FY 2022 or any fiscal year
12 thereafter, and the contingent individual income tax changes
13 described in division III of the bill become effective as well
14 as other tax changes in 2018 Iowa Acts, chapter 1161, sections
15 99 through 134.
16 DIVISION III — FUTURE CONTINGENT INDIVIDUAL INCOME TAXES
17 BEGINNING IN 2023 TAX YEAR. Commencing with the tax year
18 beginning January 1, 2023, the bill reduces the number of
19 individual income tax brackets to four and reduces the tax
20 rates in the aggregate if certain net tax receipt revenue
21 targets are met or exceeded as described in division II of
22 the bill. For a married couple filing a joint return, the
23 taxable income amounts in each individual bracket are doubled.
24 The taxable income amounts in each tax bracket are indexed to
25 inflation and increased each year. The contingent individual
26 income tax brackets and rates are as follows for individuals
27 other than a married couple filing jointly if the certain net
28 tax receipt revenue targets are met or exceeded:

<table>
<thead>
<tr>
<th>Income over:</th>
<th>But not over:</th>
<th>Tax</th>
</tr>
</thead>
<tbody>
<tr>
<td>1) $0</td>
<td>$6,000</td>
<td>4.00%</td>
</tr>
<tr>
<td>2) $6,000</td>
<td>$30,000</td>
<td>4.45%</td>
</tr>
<tr>
<td>3) $30,000</td>
<td>$75,000</td>
<td>4.99%</td>
</tr>
<tr>
<td>4) $75,000 or more</td>
<td>$100,000 or more</td>
<td>5.50%</td>
</tr>
</tbody>
</table>

34 The contingent income tax brackets and rates for a married
35 couple filing a joint return are as follows if the certain net
tax receipt revenue targets are met or exceeded:

<table>
<thead>
<tr>
<th>Income over:</th>
<th>But not over:</th>
<th>Tax</th>
</tr>
</thead>
<tbody>
<tr>
<td>1) $0</td>
<td>$12,000</td>
<td>4.00%</td>
</tr>
<tr>
<td>2) $12,000</td>
<td>$60,000</td>
<td>4.45%</td>
</tr>
<tr>
<td>3) $60,000</td>
<td>$150,000</td>
<td>4.99%</td>
</tr>
<tr>
<td>4) $150,000  or more</td>
<td>5.50%</td>
<td></td>
</tr>
</tbody>
</table>

Current Iowa law allows married persons to file separately on a combined return so there are no separate tax brackets for a married couple filing a joint return. However, the ability for married persons to file separately on a combined return is repealed in the “trigger year” in 2018 Iowa Acts, chapter 1161, due to the starting point to calculate Iowa income taxes moving from federal adjusted gross income to federal taxable income, and federal law does not permit married persons to file separately on a combined return.

DIVISION IV — CHILD AND DEPENDENT CARE AND EARLY CHILDHOOD TAX CREDITS. Currently, an individual may claim 30 percent of the federal child and dependent care credit provided in section 21 of the Internal Revenue Code against the individual income tax if the individual’s net income is less than $45,000. Under the bill, an individual may claim 30 percent of the federal child and dependent care credit provided in section 21 of the Internal Revenue Code against the individual income tax if the individual’s net income is less than $90,000.

The bill also increases the income threshold determining the eligibility of a taxpayer for the early childhood development tax credit. The bill increases the eligibility threshold from a taxpayer whose net income is less than $45,000 per year to less than $90,000 per year. By increasing the eligibility threshold, taxpayers whose net income is less than $90,000 are now eligible to take the early childhood development tax credit equaling 25 percent of the first $1,000 which the taxpayer has paid to others for early childhood development expenses for each dependent ages three through five.

The changes in the division apply to tax years beginning on
or after January 1, 2021.

DIVISION V — PRECEPTOR TAX CREDIT. The bill establishes a preceptor tax credit to be administered by the department of public health and the department of revenue.

The bill defines "preceptor" to mean a licensed practicing physician who provides on-site education to a medical student or resident at a hospital or medical clinic in a rural area.

The bill defines "rural area" to mean any county in the state other than the 10 largest counties according to the most recent federal decennial census.

The bill allows a tax credit against the taxes imposed in Code chapter 422, division II (personal income tax), equal to $1,000 per medical student or resident supervised by the preceptor up to a maximum of $10,000 per year.

Any tax credit in excess of the preceptor's tax liability for the tax year is not refundable and shall not be credited to the tax liability for any following year.

The credits shall be issued annually on a first-come, first-served basis and shall not exceed $100,000 in cumulative value.

The bill specifies that the department of public health in collaboration with the department of revenue shall develop a system for the application, review, and authorization of the issuance of the preceptor tax credit.

The bill requires the department of public health and the department of revenue to adopt rules to administer the tax credit.

The tax credit applies to tax years beginning on or after January 1, 2021.

DIVISION VI — SALES AND USE TAX. An amendment to the Iowa Constitution was ratified on November 2, 2010, which created a natural resources and outdoor recreation trust fund (fund) and dedicated a portion of state revenues to the fund for the purposes of protecting and enhancing water quality and natural areas in the state including parks, trails, and fish
1 and wildlife habitat, and conserving agricultural soils in
2 the state (article VII, section 10). The fund is codified in
3 Code section 461.31. Pursuant to the amendment, the amount
4 credited to the fund will be equal to the amount generated
5 by an increase in the state sales tax rate occurring after
6 the effective date of the constitutional amendment, but shall
7 not exceed the amount that a state sales tax rate of 0.375
8 percent would generate. The state sales tax rate has not
9 been increased since the effective date of the constitutional
10 amendment, so no amounts have been credited to the fund. The
11 bill increases the sales tax rate and the use tax rate from 6
12 percent to 7 percent on January 1, 2021. The bill allocates
13 the moneys from the natural resources and outdoor recreation
14 trust fund in another part of the bill. The bill also amends
15 the transfer of sales and use tax revenues to the secure an
16 advanced vision for education fund (SAVE) in Code sections
17 423.2A(2) and 423.43 to ensure that SAVE receives the same
18 amount of sales and use tax revenues as it did prior to the
19 sales and use tax increases provided in the bill.
20 DIVISION VII — WATER SERVICE TAX REPEAL. Currently, an
21 excise tax at the rate of 6 percent is imposed on the sales
22 price from the sale or furnishing by a water utility of a water
23 service in the state to consumers or users. The bill strikes
24 and replaces the current future repeal provisions of the water
25 service tax in Code section 423G.7 and provides that the water
26 service tax is repealed January 1, 2021.
27 The amendment to Code section 421.71 specifies that the
28 applicable law related to a private cause of action associated
29 with the collection of the water service tax remains in the
30 2020 Code, despite the repeal of the water service tax in the
31 bill.
32 DIVISION VIII — SALES AND USE TAX EXEMPTIONS. Beginning
33 January 1, 2021, the bill exempts the sale of feminine hygiene
34 products as defined in the bill from the sales tax. The bill
35 also exempts the sale of child and adult diapers on or after
January 1, 2021, whether cloth or disposable.

The bill makes a conforming amendment in Code section 423.3(68)(c)(1)(a) by striking a reference to child and adult diapers that relate to the tax-free holiday.

By operation of Code section 423.6, an item exempt from the imposition of the sales tax is also exempt from the use tax imposed in Code section 423.5.

DIVISION IX — JUVENILE COURT EXPENSES. The bill provides that juvenile court expenses shall be paid from the indigent defense fund established in Code section 815.11. Currently, most juvenile court expenses incurred by a county are eventually paid by the state through the indigent defense fund; however, certain juvenile expenses are a charge upon the county in which the juvenile proceedings are held pursuant to a formula in Code section 232.141(3). The bill strikes the county expense formula in Code section 232.141(3), therefore allowing most juvenile court expenses to be paid from the indigent defense fund without the county paying some expenses based upon the formula.

DIVISION X — MENTAL HEALTH REGION FUNDING. The bill strikes current Code section 225C.7A containing the mental health and disability regional services fund and replaces that Code section by establishing a mental health and disability services state supplement fund under the authority of the department of human services. Moneys in the fund shall be used solely for purposes of making state supplement payments under the Code section. For each fiscal year beginning on or after July 1, 2020, the moneys available in a fiscal year in the mental health and disability services state supplement fund are appropriated to the department of human services and shall be distributed to each county on a per capita basis. For a county to be eligible to receive a state supplement payment, the county, or the county’s mental health and disability services region on behalf of the county, shall submit a core services domain report to the department of human services.
services on or before a date established by the department by rule. The contents of the report shall enable the department to evaluate, along with other available information, whether each county or the county's mental health and disability services region is in substantial compliance with the required core service domains under Code section 331.397(4) and Code section 331.397A(4). If the county is not in substantial compliance with the required core service domains and has failed to comply with a corrective action plan required by the department of human services, the department shall reduce the amount of the state supplement payment by an amount commensurate with the level of noncompliance, not to exceed 15 percent of the state supplement payment amount.

State supplement payments received by a county under new Code section 225C.7A shall be deposited in the county services fund under Code section 331.424A and used solely for payment of services provided under the regional service system management plan.

Code section 331.424A(6) establishes the amount certified for levy by the county each fiscal year to raise funds for mental health and disability services under the regional service system. Revenues from taxes imposed by the county credited to the county mental health and disability services fund shall not exceed an amount equal to the county budgeted amount, which is the amount necessary to meet the county's financial obligations for the payment of services provided under the regional service system management plan, not to exceed an amount equal to the product of the regional per capita expenditure target amount multiplied by the county's population, and, for fiscal years beginning on or after July 1, 2023, reduced by the amount of the county's cash flow reduction amount. The bill modifies the county budgeted amount that may be certified for levy by the county for such services. For the fiscal year beginning July 1, 2020, and each subsequent fiscal year, the county budgeted amount determined for each county...
S.F. _____ H.F. _____

1 shall be the amount necessary to meet the county's financial
2 obligations for the payment of services provided under the
3 regional service system management plan approved pursuant to
4 Code section 331.393, not to exceed an amount equal to the
5 product of the statewide per capita expenditure target amount
6 multiplied by the county's population, and, for fiscal years
7 beginning on or after July 1, 2023, reduced by the amount of
8 the county’s cash flow reduction amount, if applicable. The
9 statewide per capita expenditure target amount is reduced in
10 the bill from $47.28 to $12.50.

11 If division X of the bill takes effect on or after March
12 31, 2020, a county may recertify the county’s budget for the
13 fiscal year beginning July 1, 2020, as necessary to implement
14 the provisions of division X of the bill. Similarly, to the
15 extent necessary to implement the provisions of division X of
16 the bill, a mental health and disability services region may
17 amend the region’s regional service system management plan or
18 annual service and budget plan for the fiscal year beginning
19 July 1, 2020, and the department of management may, for the
20 fiscal year beginning July 1, 2020, certify the taxes back to
21 the applicable county auditor after June 15.

22 Division X of the bill authorizes the department of human
23 services to adopt emergency rules to implement the provisions
24 of division X of the bill and the rules shall be effective
25 immediately upon filing unless a later date is specified in
26 the rules. However, any emergency rules adopted shall also be
27 published as a notice of intended action as provided in Code
28 section 17A.4.

29 The division takes effect upon enactment and applies July 1,
30 2020, for fiscal years beginning on or after that date.
31 DIVISION XI — CONSTITUTIONAL IMPLEMENTATION. The bill
32 amends provisions in Code chapter 461 (the natural resources
33 and outdoor recreation Act) that is to implement Article VII,
34 section 10, of the Constitution of the State of Iowa when
35 the sales tax is increased. The Code chapter establishes
1 the natural resources and outdoor recreation trust fund
2 (trust fund) and associated accounts (renamed trust accounts)
3 supported by a portion of state revenue generated by an
4 increase in the state's sales tax. The purpose of the
5 constitutional provision is to protect and enhance water
6 quality and natural areas, including parks, trails, and fish
7 and wildlife habitat, and conserve agricultural soils in this
8 state.
9
10 ALLOCATIONS OF TRUST FUND MONEYS. The bill alters the
11 percentage of moneys to be allocated from the trust fund
12 (trust fund moneys) to its trust accounts, including the
13 natural resources trust account administered by the department
14 of natural resources (DNR), the soil conservation and water
15 protection trust account (renamed the soil conservation and
16 nonpoint source water protection trust account) administered
17 by the department of agriculture and land stewardship (DALS),
18 the watershed protection trust account administered by DNR
19 in cooperation with DALS, the local conservation partnership
20 trust account administered by DNR, the trails trust account
21 by DOT in cooperation with DNR, and the lake restoration
22 trust account (renamed the lake and stream restoration trust
23 account) administered by DNR. It also reduces the allocations
24 of trust fund moneys to the Iowa resources enhancement and
25 protection (REAP) fund administered by DNR. It transfers
26 trust fund moneys allocated to the renamed soil conservation
27 and nonpoint source water protection trust account and the
28 watershed protection trust account to the water quality
29 infrastructure fund used to support nonpoint water quality
30 programs administered by DALS; and to the water quality
31 financial assistance fund administered by the Iowa finance
32 authority (IFA) to support the wastewater and drinking water
33 treatment financial assistance program (administered by IFA),
34 the water quality financing program (administered by IFA), and
35 the water quality urban infrastructure program (administered by
S.F. _____ H.F. _____

1 DALs). The bill revises provisions in the local conservation
2 partnership trust account as a program to be administered
3 by DNR. The bill provides that trust fund moneys may be
4 transferred from the renamed soil conservation and nonpoint
5 source water protection trust account to the water quality
6 infrastructure fund and from the watershed protection trust
7 account to the water quality financial assistance fund upon
8 direction by the custodial department. The bill eliminates
9 current funding sources, including the annual appropriation
10 to the REAP fund from the general fund which is due to expire
11 on June 30, 2021, and both a tax on the sales price on water
12 service, which another division of this bill repeals, and the
13 use of wagering tax receipts, which would otherwise expire on
14 July 1, 2029.

ADMINISTRATION. The bill provides that the legislative
16 council is to appoint a committee to review the trust fund and
17 its allocations. The bill requires the economic development
18 authority to be involved in decisions that use trust fund
19 moneys to support initiatives with a recreational purpose. In
20 making decisions to expend trust fund moneys, a higher priority
21 is given to supporting an initiative that furthers a goal of
22 the Iowa nutrient reduction strategy. A higher priority is
23 provided to maintaining or preserving existing public use lands
24 rather than acquiring new land. Several provisions place
25 restrictions upon the use of trust fund moneys for support
26 relating to certain initiatives, including athletic fields or
27 facilities. Trust fund moneys cannot be used to support an
28 exercise of eminent domain powers.

REPEAL. Code chapter 461 is repealed December 31, 2050.

EFFECTIVE DATE. The division of the bill takes effect
31 January 1, 2021.
