4 training coordinator in developing the requirements for this
5 course and may contract with outside providers for this course.

6 Sec. 3. NEW SECTION. 80I.1 Purpose — construction.

7 It is the purpose of this chapter to prohibit racial and
8 ethnic profiling in law enforcement, to foster trust and
9 cooperation with law enforcement in Iowa communities, and
10 to create a safer state for all Iowans, law enforcement and
11 citizens alike.

12 Sec. 4. NEW SECTION. 80I.2 Definitions.

13 As used in this chapter, unless the context otherwise
14 requires:

15 1. "Board" means the community policing advisory board.

16 2. a. "Discriminatory pretextual stop" means a stop
17 involving disparate treatment by the officer or a stop
18 for which the person's race, color, ethnicity, religion,
19 or national origin was considered or relied upon or was a
20 motivating factor in the officer's decision to make the stop
21 or to take other action during the stop, including a request
22 to consent to a search.

23 b. It is not a discriminatory pretextual stop when an
24 officer bases the officer's decision to make a stop on a
25 specific suspect description-based identification that includes
26 in the suspect's identification one or more of the personal
27 characteristics or traits listed in subsection 11.

28 3. "Disparate treatment" means differential treatment of
29 a person on the basis of race, color, ethnicity, religion, or
30 national origin.

31 4. "Division of criminal and juvenile justice planning" means
32 the division of criminal and juvenile justice planning of the
33 department of human rights.

34 5. "Law enforcement activities" mean any of the following:
35 traffic, bicyclist, or pedestrian stops by an officer; and

1 actions during a stop, including asking questions, frisks,
2 consensual and nonconsensual searches of an individual or any
3 property, seizing any property, removing occupants from a motor
4 vehicle during a traffic stop, issuing a warning or citation,
5 and making an arrest. "*Law enforcement activities*" does not
6 include roadblocks, vehicle check points, and security checks
7 where every person seeking to enter a venue or facility is
8 subject to detention, questioning, or a search of person or
9 property, and responses to requests for service.

10 6. "*Law enforcement agency*" means any governmental agency
11 that investigates persons suspected of or charged with a crime.

12 7. "*Officer*" means a peace officer, as defined in section
13 801.4 including while employed off-duty by a private employer
14 and in uniform, but not including a probation officer or a
15 parole officer.

16 8. "*Personal identifying information*" means a person's name,
17 address, or any other information that would allow a third
18 party to identify the person by name.

19 9. "*Pretextual stop*" means a stop by an officer of a driver
20 or passenger, a bicyclist, or a pedestrian for an alleged
21 violation of the law, to allow the officer to then question
22 and probe for information that might suggest the person
23 has committed some not apparent or yet-to-be identified law
24 violation. A stop shall be considered a pretextual stop under
25 the following circumstances:

26 a. When the race, color, ethnicity, religion, or national
27 origin of the person stopped was considered or relied upon
28 or was a motivating factor in making the decision to make a
29 racially discriminatory stop.

30 b. When the officer prolonged the stop beyond the amount
31 of time when the law enforcement tasks tied to the alleged
32 violation are or reasonably should have been completed.

33 10. "*Profiling*" means any of the following when an officer
34 is deciding to initiate law enforcement activities including
35 the use and scope of such activities:

1 *a.* Consideration or reliance upon actual or perceived race,
2 color, ethnicity, religion, or national origin.

3 *b.* Disparate treatment of a person.

4 *c.* Making or conducting a discriminatory pretextual stop.

5 11. "*Specific suspect description-based identification*" means
6 a reasonably detailed physical description of the personal
7 identifying characteristics of a potential suspect, including
8 but not limited to age, sex, ethnicity, race, or English
9 language proficiency.

10 12. "*Stop*" means the detention of a person by an officer,
11 including a temporary detention.

12 Sec. 5. NEW SECTION. 80I.3 Profiling — prohibition —
13 **allowed policy and actions.**

14 1. An officer shall not engage in profiling in the course of
15 performing law enforcement activities.

16 2. This section shall not prohibit any of the following:

17 *a.* A law enforcement agency's policy allowing the use of
18 information that has been provided by a victim describing the
19 personal identifying characteristics of an alleged perpetrator
20 of a crime in order to seek out persons who match that
21 description.

22 *b.* An action by an officer that relies upon any of the
23 following:

24 (1) Personal identifying information or a specific suspect
25 description-based identification. However, a specific suspect
26 description-based identification only provides probable
27 cause or reasonable suspicion to stop a person who reasonably
28 resembles the person described in that identification, and does
29 not allow an officer to stop a person merely because the person
30 is of the same race, color, ethnicity, religion, or national
31 origin as the suspect.

32 (2) A person's observed behavior linking that person or
33 another person to suspected unlawful activity that establishes
34 probable cause or a reasonable suspicion that criminal activity
35 is afoot.

1 (3) Other trustworthy information or circumstances,
2 relevant to the locality and time frame, linking a person to
3 suspected unlawful activity that establishes probable cause or
4 a reasonable suspicion that criminal activity is afoot.

5 c. A traffic stop when directed at the traffic-related
6 mission, namely, checking a driver's license, vehicle
7 registration, insurance or financial responsibility,
8 outstanding warrants, and issuing citations or preparing
9 warnings. However, the authority for a traffic stop ends
10 when the officer's tasks tied to the traffic infraction that
11 is the basis for the stop are or reasonably should have been
12 completed.

13 Sec. 6. NEW SECTION. 80I.4 Community policing advisory
14 board — establishment and role.

15 1. The attorney general shall establish a community
16 policing advisory board for the purpose of recognizing and
17 promoting awareness of profiling by law enforcement, reviewing

34 time of appointment.

24 leader of senate.

20 rights commission if the person believes that the person has
21 been a victim of profiling.

22 *c.* Advise the department of justice regarding the
23 department's development of guidelines for the collection,

27 8. Each year beginning July 1, 2024, the board shall do all
28 of the following:

29 *a.* Evaluate and comment upon the collection, compilation,
30 and reporting of traffic, bicycle, and pedestrian stop data by
31 law enforcement agencies reported to the department of justice.

32 *b.* Review the analysis of such data by the division of
33 criminal and juvenile justice planning and consider the
34 effectiveness of law enforcement training under section 80I.8,
35 including whether the training could be improved.

1 c. Work in partnership with state and local law enforcement
2 agencies to review and analyze profiling across geographic
3 areas of this state.

4 d. Consult available evidence-based research on intentional

18 f. Hold at least three annual public meetings to discuss

22 attorney general.

23 *b.* Require each law enforcement agency to prominently
24 publicize the compiled data reported to the attorney general
25 pursuant to section 80I.6, on at least a quarterly basis, on

14 reporting law enforcement agency's total results for each data
15 collection criterion for the calendar year.

16 3. If a law enforcement agency is noncompliant with the
17 collection, compilation, and reporting duties of this section,

10 commission when investigating or adjudicating a charge
11 of discrimination under section 216.10A, and for use by a
12 complainant upon receipt of a right to sue letter from the
13 commission. Such personal identifying stop data for an
14 individual officer and the division of criminal and juvenile
15 justice planning's analysis of that data are admissible in an
16 adjudication of a claim of unfair or discriminatory practice
17 under section 216.10A.

18 2. An officer is obligated to prevent, report, and respond
19 to profiling by a fellow officer. An officer or employee of a

EXPLANATION

1 The inclusion of this explanation does not constitute agreement with
2 the explanation's substance by the members of the general assembly.

3 This bill relates to law enforcement profiling by
4 standardizing collection and centralizing the compilation
5 and reporting of officer stop and compliant data, providing
6 for officer training, creating a community policing advisory
7 board, and providing for penalties and remedies, and includes
8 effective date provisions.

9 LAW ENFORCEMENT OFFICER TRAINING. The bill provides that
10 the minimum course study requirements, minimum basic training
11 requirements, and in-service training requirements established
12 by the Iowa law enforcement academy shall include a course
13 relating to the prevention of profiling.

14 LAW ENFORCEMENT PROFILING. The bill creates new Code
15 chapter 80I, relating to the prohibition of racial and ethnic
16 profiling in law enforcement.

17 DEFINITIONS. The bill defines "officer" to mean a peace
18 officer, as defined in Code section 801.4, including while
19 employed off-duty by a private employer and in uniform, but
20 does not include a probation or parole officer.

21 The bill defines "law enforcement activities" to mean
22 traffic, bicyclist, or pedestrian stops by an officer; and
23 actions during a stop, including asking questions, frisks,
24 consensual and nonconsensual searches of an individual or any
25 property, seizing any property, removing occupants from a motor
26 vehicle during a traffic stop, issuing a warning or citation,
27 and making an arrest. "Law enforcement activities" do not
28 include roadblocks, vehicle check points, and security checks
29 where every person seeking to enter a venue or facility is
30 subject to detention, questioning, or a search of a person or
31 property, and responses to requests for service.

32 The bill defines "profiling" to mean a stop by an officer
33 of a driver or passenger, a bicyclist, or a pedestrian for an
34 alleged violation of the law, to allow the officer to then
35 question and probe for information that might suggest the

1 person has committed some not apparent or yet to be identified
2 law violation. A stop shall be considered a pretextual stop
3 under the following circumstances: when the race, color,
4 ethnicity, religion, or national origin of the person stopped
5 was considered or relied upon or a motivating factor in making
6 the decision to make a racially discriminatory stop; or when
7 the officer prolonged the stop beyond the amount of time when
8 the law enforcement tasks tied to the alleged violation are or
9 reasonably should have been completed.

10 The bill defines "disparate treatment" to mean differential
11 treatment of a person on the basis of race, color, ethnicity,
12 religion, or national origin.

13 The bill defines "pretextual stop" to mean a stop by an
14 officer of a driver or passenger, a bicyclist, or a pedestrian
15 for an alleged violation of the law, to allow the officer to
16 then question and probe for information that might suggest the
17 person had committed some not apparent or yet to be identified
18 law violation.

19 The bill defines a "discriminatory pretextual stop" to
20 mean a stop involving disparate treatment by the officer or a
21 stop for which the person's race, color, ethnicity, religion,
22 or national origin was considered or relied upon or was a
23 motivating factor in the officer's decision to make the stop
24 or to take other action during the stop, including a request
25 to consent to a search. It is not a discriminatory pretextual
26 stop when an officer bases the officer's decision to make a
27 stop on a specific suspect description-based identification
28 that includes in the suspect's identification one or more
29 of the personal characteristics or traits of race, color,
30 ethnicity, religion, or national origin. However, a specific
31 suspect description-based identification only provides probable
32 cause or reasonable suspicion to stop a person who reasonably
33 resembles the person described in that identification, and does
34 not allow an officer to stop a person merely because the person
35 is of the same race, color, ethnicity, religion, or national

1 origin as the suspect.

2 PROFILING. The bill prohibits an officer from engaging
3 in profiling in the course of performing law enforcement
4 activities. It is not profiling under the following
5 circumstances: when a law enforcement agency's policy allowing
6 the use of information that has been provided by a victim
7 describing the personal identifying characteristics of an
8 alleged perpetrator; an action by an officer that relies
9 upon personal identifying information, a specific suspect
10 description-based identification, a person's observed behavior,
11 and other trustworthy information, except such information
12 only provides probable cause or reasonable suspicion to stop
13 a person who reasonably resembles the person described in
14 that identification; and a traffic stop when directed at the
15 traffic-related mission, namely, checking driver's license,
16 vehicle registration, insurance or financial responsibility,
17 outstanding warrants, and issuing citations or preparing
18 warnings, except the authority for a traffic stop ends when
19 the officer's tasks tied to the traffic infraction that is
20 the basis for the stop are or reasonably should have been
21 completed.

22 COMMUNITY POLICING ADVISORY BOARD. The bill requires the
23 attorney general to establish a community policing advisory
24 board for the purpose of recognizing and promoting awareness of
25 profiling by law enforcement, providing advice in development
26 of best practices to prevent profiling, and monitoring
27 implementation of best practices in the field. In establishing
28 the board, the bill requires the attorney general to ensure
29 that the board is racially and ethnically diverse and gender
30 balanced. The bill specifies that the attorney general shall
31 also provide or arrange for the staff necessary to assist the
32 board.

33 The bill provides that the community policing advisory
34 board shall consist of 16 voting members and four ex officio,
35 nonvoting members. The attorney general shall appoint the

1 following nine board members: four representatives from
2 community organizations historically associated with efforts
3 to eliminate racial discrimination, of whom one representative
4 shall be at least 16 years of age but not more than 24 years
5 of age at the time of appointment; three representatives from
6 advocacy groups that support individuals who have experienced
7 discrimination based on race, color, ethnicity, religion, or
8 national origin; and two clergy members who have significant
9 experience in addressing and reducing racial discrimination and
10 other biases.

11 The bill specifies that the following individuals shall also
12 serve on the community policing advisory board: the attorney
13 general or the attorney general's designee, the director of
14 the department of public safety, the director of the Iowa law
15 enforcement academy, the state public defender or the state
16 public defender's designee, the director of the Iowa civil
17 rights commission, the president of the board of directors of
18 the Iowa police chiefs association or the president's designee;
19 and the president of the Iowa state sheriffs' and deputies'
20 association or the president's designee.

21 The bill specifies that the board shall also include four
22 members of the general assembly who shall serve as ex officio,
23 nonvoting members, with one member each appointed by the
24 majority leader of the senate, the minority leader of the
25 senate, the speaker of the house of representatives, and the
26 minority leader of the house of representatives.

27 The board members generally serve staggered four-year terms.

28 The bill provides that the members of the board shall only
29 receive reimbursement for actual expenses for performance of
30 their official duties as members of the board.

31 The bill specifies that the board shall be subject to the
32 provisions of Code chapters 21 (open meetings) and 22 (open
33 records).

34 BOARD ACTIONS REQUIRED BY APRIL 1, 2023. The bill requires
35 the board to develop a standard notice form to be provided

1 to each individual stopped by an officer, when practicable,
2 informing the individual of the individual's right to file
3 a complaint with the Iowa civil rights commission if the
4 individual believes that the individual has been a victim of
5 profiling.

6 The bill provides that the board shall advise the attorney
7 general when developing rules for the collection, compilation,
8 and reporting of traffic, bicycle, and pedestrian stop data
9 to ensure the use of uniform reporting practices across all
10 reporting law enforcement agencies.

11 The bill requires the board to approve rules prior to their
12 adoption by the department of justice pursuant to Code chapter
13 17A.

14 BOARD ACTION REQUIRED BY JULY 1, 2024, AND EVERY YEAR
15 THEREAFTER. The bill provides that the board shall annually do
16 the following: evaluate and comment upon the data compiled and
17 reported to the attorney general by law enforcement agencies
18 and the analysis of the data by the division of criminal and
19 juvenile justice planning of the department of human rights;
20 assess the collection, compilation, and reporting of stop
21 data compiled by law enforcement agencies, assess the law
22 enforcement training requirement, and determine if these
23 requirements are effective; work in partnership with state and
24 local law enforcement agencies to review and analyze profiling
25 across geographic areas of the state; consult available
26 evidence-based research on intentional and implicit biases,
27 and the impact on law enforcement stop, search, and seizure
28 tactics; issue an annual report that provides the board's
29 analysis of the past and current status of profiling across
30 the state; and make policy recommendations for eliminating
31 profiling.

32 The bill also requires the board to hold at least three
33 annual public meetings to discuss profiling and potential
34 reforms to prevent profiling.

35 NOTICE ABOUT FILING PROFILING COMPLAINT. The bill requires

1 a law enforcement agency to require, when practicable, each
2 officer who makes a stop to provide to each individual stopped
3 a standard notice form, developed by the community policing
4 advisory board, that discloses the individual's right to file
5 a complaint with the Iowa civil rights commission if the
6 individual believes that profiling has occurred.

7 DATA COLLECTED, COMPILED, AND REPORTED BY A LAW ENFORCEMENT
8 AGENCY. The bill requires that each state and local law
9 enforcement agency shall annually submit to the department of
10 justice, no later than December 31 of each year, the agency's
11 current policies that address profiling, and the agency shall
12 post and maintain the current policy on the internet site of
13 the agency. The bill requires that each law enforcement agency
14 collect, compile, and report annually to the department of
15 justice the following information related to stops including
16 stops that involve questioning, driver's license and vehicle
17 registration checks that do not result in a citation or
18 warning: the time, date, location, and duration of the stop;
19 the reason for the stop; the results of the stop; the warning
20 given or citation issued, if applicable; the offense the
21 individual was arrested for, if applicable; the identifying
22 characteristics of the individual stopped, including perceived
23 race, ethnicity, English language proficiency, sex, and
24 approximate age; and the actions taken by the officer during
25 the stop. The actions to be reported include but are not
26 limited to the following: whether the officer asked for
27 consent to search the person and whether consent was provided;
28 whether the officer searched the individual or any property,
29 and if a search was performed, the basis for the search;
30 whether the officer seized any property, and a description
31 of the property that was seized and the basis for seizing
32 the property; whether the officer used physical force or
33 physical force was used against the officer; and any additional
34 information which the officer or law enforcement agency
35 considers appropriate.

1 The bill provides that the attorney general, in consultation
2 with the division of criminal and juvenile justice of the
3 department of human rights, the board, and law enforcement
4 agencies, shall develop a uniform standardized form for each
5 law enforcement agency to use in collecting, compiling, and
6 reporting the information required to be reported.

7 The bill provides that each state law enforcement agency
8 and the local law enforcement agencies in the state with
9 jurisdiction over 50,000 residents shall submit the agency's
10 first report on or before January 1, 2024. The local law
11 enforcement agencies in the state with jurisdiction over 25,000
12 residents but not more than 50,000 residents shall submit
13 the agency's first report on or before January 1, 2025. The
14 remaining local law enforcement agencies shall submit the
15 agency's first report on or before January 1, 2026.

16 The bill provides that a law enforcement agency shall not
17 grant access to personal identifying information contained
18 in the data collected by the law enforcement agency to any
19 individual except to a federal, state, local, or tribal
20 government employee or agent who requires access to such
21 information in order to fulfill the purposes of the bill.
22 However, the bill provides that a law enforcement agency
23 may permit a contractor or nongovernmental agent access to
24 personal identifying information that is contained in the data
25 collected, if the contractor or nongovernmental agent signs an
26 agreement which prohibits further disclosure of the personal
27 identifying information beyond disclosure to the contractor or
28 nongovernmental agent.

29 DATA COMPILED BY THE DIVISION OF CRIMINAL AND JUVENILE
30 JUSTICE PLANNING OF THE DEPARTMENT OF HUMAN RIGHTS. The
31 bill requires the attorney general, in consultation with
32 the community policing advisory board and the Iowa civil
33 rights commission, and with input from stakeholders including
34 federal, state, and local law enforcement agencies, local
35 communities, researchers, and civil rights organizations, to

1 adopt rules pursuant to Code chapter 17A for law enforcement
2 agency collection and compilation of law enforcement activities
3 related to traffic, bicycle, or pedestrian stops, and citizen
4 complaints. The rules adopted under the bill shall do the
5 following: require each law enforcement agency to collect
6 and compile data as required under the bill; require each law
7 enforcement agency to prominently publicize the compiled data
8 on the law enforcement agency's internet site; require each law
9 enforcement agency to maintain all data collected, compiled,
10 and reported under the bill for at least 15 years; and provide
11 for the protection and privacy of any personal identifying
12 information about the officer or the individual stopped that is
13 contained in the collected and compiled data.

14 The bill requires the division of criminal and juvenile
15 justice planning of the department of human rights to in turn
16 compile the data collected from law enforcement agencies for
17 analysis. The bill specifies that the division shall analyze
18 the data provided. The bill further requires the division
19 to provide the compiled data and analysis to the community
20 policing advisory board, the Iowa civil rights commission, the
21 department of justice, and the public.

22 TRAINING GUIDELINES. The bill provides that the director
23 of the Iowa law enforcement academy, subject to the approval
24 of the Iowa law enforcement academy council, shall develop
25 and disseminate training guidelines and best practices to
26 reduce and eliminate profiling. In developing the training
27 guidelines and best practices, the director shall consult with
28 the department of justice, the community policing advisory
29 board, the Iowa civil rights commission, and the division of
30 criminal and juvenile justice planning of the department of
31 human rights, with opportunity for input from federal, state,
32 and local law enforcement agencies, civil rights organizations,
33 and persons having an interest and expertise in the field of
34 cultural awareness and diversity.

35 STATUTORY REMEDIES. The bill provides that the remedies

1 authorized in the bill are not exclusive and do not foreclose
2 an individual from asserting any remedies the individual may
3 have based on the common law or other statutes.

4 UNFAIR EMPLOYMENT PRACTICES — RETALIATION — PENALTIES.
5 The bill provides that it shall be an unfair discriminatory
6 practice under the Iowa civil rights Act, Code chapter 216,
7 for a peace officer to engage in profiling described in the
8 bill. The bill also specifies certain behaviors that do
9 not constitute an unfair discriminatory practice. The bill
10 provides that it is an unfair or discriminatory practice for
11 an employer or the employees of the employer to discriminate
12 against another employee because the employee makes a charge,
13 testifies against, assists, or participates in any manner in
14 an investigation, proceeding, or hearing related to profiling.
15 The bill specifies that it shall be an unlawful employment
16 practice under the Iowa civil rights Act, Code chapter 216, for
17 an employer or the employees, or other agents, to discriminate
18 against an employee because of the employee's opposition to
19 profiling, or because the officer made a charge, testified
20 against, assisted, or participated in any manner in an
21 investigation, proceeding, or hearing related to profiling.

22 The bill specifies that an officer or an employee of a
23 law enforcement agency who retaliates against an officer or
24 employee for making a charge, testifying against, assisting, or
25 participating in any manner in an investigation, proceeding, or
26 hearing related to profiling shall be subject to discipline,
27 including dismissal.

28 USE OF DATA IN DISPARATE TREATMENT AND DISPARATE IMPACT
29 CASES. The bill specifies that data compiled pursuant to the
30 bill is admissible in individual and pattern and practice
31 disparate treatment profiling cases and in disparate impact
32 profiling cases under the Iowa civil rights Act.

33 DRIVER'S LICENSE AND NONOPERATOR'S IDENTIFICATION. The bill
34 provides that the department of transportation shall request
35 a person who applies for a driver's license or nonoperator's

1 identification card or for renewal of a driver's license or
2 nonoperator's identification card to disclose and specify the
3 person's race, ethnicity, and primary language, each of which
4 may be disclosed and specified at the person's discretion.

5 Under the bill, prior to January 15, 2024, and prior
6 to January 15 of each year thereafter, the department of
7 transportation shall submit a report to the general assembly
8 detailing the number of driver's license and nonoperator's
9 identification card holders who have disclosed and specified a
10 race, ethnicity, or primary language.

11 The bill provides that the department shall electronically
12 maintain as part of a person's record the race, ethnicity,
13 and primary language information obtained by the department,
14 but shall not include such information on the face or in any
15 machine-readable portion of the person's driver's license or
16 nonoperator's identification card.

17 The department of transportation shall not release race,
18 ethnicity, and primary language information collected under
19 this Code section except to any of the following: the
20 department of justice, the community policing advisory
21 board, the Iowa civil rights commission, the state court
22 administrator, and the division of criminal and juvenile
23 justice planning of the department of human rights for use in
24 research activities and in producing statistical reports and
25 analysis as permitted by law.

26 STATE MANDATE. The bill may include a state mandate as
27 defined in Code section 25B.3. The bill makes inapplicable
28 Code section 25B.2, subsection 3, which would relieve a
29 political subdivision from complying with a state mandate if
30 funding for the cost of the state mandate is not provided or
31 specified. Therefore, political subdivisions are required to
32 comply with any state mandate included in the bill.

33 EFFECTIVE DATE. The bill takes effect on October 1, 2022.
