EXPLANATION

6
7

The inclusion of this explanation does not constitute agreement with
the explanation's substance by the members of the general assembly.

8 Under current law, a motor vehicle that is 25 model years
9 old or older may be registered as an antique vehicle. The
10 registration fee for an antique vehicle is generally \$50
11 per year, though it may be higher for certain motor homes
12 and vehicles weighing more than three tons, or lower for
13 vehicles owned by the same person since before January 1, 2009.
14 Alternatively, a motor truck, truck tractor, road tractor, or
15 motor home may register as a "limited use" antique vehicle for
16 purposes of operating to and from state and county fairs or
17 other places of entertainment or education for exhibition or
18 educational purposes. The registration fee for "limited use"
19 antique vehicles is \$35 per year plus \$20 per year per special
20 "limited use" plate. An antique vehicle may display authentic
21 Iowa registration plates from the model year of the motor
22 vehicle, furnished by the person and approved by the department
23 of transportation (DOT), in lieu of the current and valid Iowa
24 registration plates issued for the vehicle, provided that the
25 current and valid Iowa registration plates and the registration
26 card issued for the vehicle are simultaneously carried within
27 the vehicle and are available for inspection upon a peace
28 officer's request.

29 This bill allows the owner of an antique vehicle to display
30 special registration plates that are designed by the DOT to
31 mirror plates from the model year of the motor vehicle and
32 that are furnished by the DOT. The bill requires the DOT to
33 issue antique vehicle special registration plates upon proper
34 application and payment of fees. The bill further requires
35 that the antique vehicle plate be designed to be as identical

1 as practicable to the regular registration plate issued for the
2 model year of the antique vehicle.

3 The bill provides that the special antique vehicle fee for
4 letter-number designated antique vehicle plates is \$50 and that
5 an applicant may obtain personalized antique vehicle plates
6 upon the payment of the \$25 fee for personalized plates set
7 forth under current law, which is in addition to the special
8 antique vehicle fee. The annual special antique vehicle
9 fee for letter-number designated plates is \$10, which is in
10 addition to the regular annual registration fee. The annual
11 fee for personalized antique vehicle plates is \$5, which is
12 in addition to the annual special antique vehicle fee and the
13 regular annual registration fee. The bill requires the fees
14 collected by the DOT for antique vehicle plates to be paid
15 monthly to the treasurer of state and deposited in the road use
16 tax fund. The treasurer of state must then credit monthly from
17 the statutory allocations fund to the department of cultural
18 affairs (DCA) the amount of special fees for antique vehicle
19 plates collected in the previous month. The moneys received by
20 the DCA under the bill are appropriated to the DCA to support
21 to the state of Iowa historical society to preserve and promote
22 automotive history within the state.

23 Finally, the bill provides that the owner of a "limited use"
24 antique vehicle displaying antique vehicle plates need not also
25 purchase "limited use" plates.
