EXPLANATION

9 The inclusion of this explanation does not constitute agreement with
10 the explanation's substance by the members of the general assembly.

11 This bill relates to persons selected by the general
12 assembly to represent the state at a convention called by the
13 United States Congress to propose amendments to the United
14 States Constitution.

15 The bill defines an Article V convention as a convention
16 called by the United States Congress as provided by Article
17 V of the United States Constitution upon application of the
18 legislatures of at least two-thirds of the states to propose
19 amendments to the United States Constitution. "Commissioner"
20 is defined to mean a person selected to represent the state at
21 an Article V convention. The bill also defines an unauthorized
22 amendment as a proposed amendment at an Article V convention
23 that is outside the subject matter of the state's joint
24 resolution calling for the convention or is in contravention
25 of any instructions provided to commissioners by the state.
26 Finally, the bill defines an unauthorized rule as a proposed
27 rule for governing the Article V convention that is in conflict
28 with a rule that each state be granted one vote and that a
29 majority vote is required to propose an amendment to the United
30 States Constitution.

31 The bill provides that a commissioner shall not propose or
32 vote to approve an unauthorized amendment or an unauthorized
33 rule at an Article V convention. The bill also requires a
34 commissioner to take an oath recognizing these prohibitions.
35 The bill provides that a commissioner violating the provisions

1 of the bill shall be subject to removal and replacement as
2 a commissioner by the state and shall be guilty of a simple
3 misdemeanor. A simple misdemeanor is punishable by confinement
4 for no more than 30 days and a fine of at least \$105 but not
5 more than \$855.

6 The bill takes effect upon enactment.
