6 EXPLANATION

7 The inclusion of this explanation does not constitute agreement with
8 the explanation's substance by the members of the general assembly.

9 This bill relates to the vacation of certain termination of
10 parental rights orders.

11 Under the bill, if the court issues an order granting the
12 termination of parental rights petition of a biological parent
13 who indicated as the grounds for termination that the parent
14 has signed a release of custody and the release has not been
15 revoked, but the court has not issued an order granting the
16 termination of parental rights of any other putative biological
17 parent nor has the other putative biological parent consented
18 to the adoption in lieu of termination of the parent's parental
19 rights thereby prohibiting the filing of an adoption petition,
20 the court shall allow the parent for whom the court issued an
21 order terminating parental rights to request a vacation of the
22 order within 30 days of issuance of the granting of the order.
23 The period for the request shall not be waived or extended and
24 a vacation shall not be granted after the expiration of the
25 period. The juvenile court shall grant the vacation request
26 only if it is in the best interest of the child. The supreme
27 court shall prescribe rules to establish a period of 30 days
28 in which a terminated parent may request a vacation of a
29 termination order under the bill.
