A BILL FOR

1 An Act relating to appropriations for health and human
2 services and veterans and including other related provisions
3 and appropriations, providing penalties, and including
4 effective date and retroactive and other applicability date
5 provisions.
6 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:
DIVISION I

DEPARTMENT ON AGING — FY 2022-2023

Section 1. DEPARTMENT ON AGING. There is appropriated from the general fund of the state to the department on aging for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For aging programs for the department on aging and area agencies on aging to provide citizens of Iowa who are 60 years of age and older with case management, Iowa's aging and disabilities resource center, and other services which may include but are not limited to adult day, respite care, chore, information and assistance, and material aid, for information and options counseling for persons with disabilities who are 18 years of age or older, and for salaries, support, administration, maintenance, and miscellaneous purposes, and for not more than the following full-time equivalent positions:

$11,804,082 FTEs 28.00

1. Funds appropriated in this section may be used to supplement federal funds under federal regulations. To receive funds appropriated in this section, a local area agency on aging shall match the funds with moneys from other sources according to rules adopted by the department. Funds appropriated in this section may be used for elderly services not specifically enumerated in this section only if approved by an area agency on aging for provision of the service within the area.

2. Of the funds appropriated in this section, $418,700 is transferred to the economic development authority for the Iowa commission on volunteer services to be used for the retired and senior volunteer program.

3. a. The department on aging shall establish and enforce procedures relating to expenditure of state and federal funds by area agencies on aging that require compliance with both
1 state and federal laws, rules, and regulations, including but
2 not limited to all of the following:
3 (1) Requiring that expenditures are incurred only for goods
4 or services received or performed prior to the end of the
5 fiscal period designated for use of the funds.
6 (2) Prohibiting prepayment for goods or services not
7 received or performed prior to the end of the fiscal period
8 designated for use of the funds.
9 (3) Prohibiting prepayment for goods or services not
10 defined specifically by good or service, time period, or
11 recipient.
12 (4) Prohibiting the establishment of accounts from which
13 future goods or services which are not defined specifically by
14 good or service, time period, or recipient, may be purchased.
15 b. The procedures shall provide that if any funds are
16 expended in a manner that is not in compliance with the
17 procedures and applicable federal and state laws, rules, and
18 regulations, and are subsequently subject to repayment, the
19 area agency on aging expending such funds in contravention of
20 such procedures, laws, rules and regulations, not the state,
21 shall be liable for such repayment.
22 4. Of the funds appropriated in this section, $1,312,000
23 shall be used for the purposes of chapter 231E and to
24 administer the prevention of elder abuse, neglect, and
25 exploitation program pursuant to section 231.56A, in accordance
26 with the requirements of the federal Older Americans Act of
28 5. Of the funds appropriated in this section, $1,000,000
29 shall be used to fund continuation of the aging and disability
30 resource center lifelong links to provide individuals and
31 caregivers with information and services to plan for and
32 maintain independence.
33 6. Of the funds appropriated in this section, $850,000
34 shall be used by the department on aging, in collaboration with
35 the department of human services and affected stakeholders,
1 to continue to expand the pilot initiative to provide
2 long-term care options counseling utilizing support planning
3 protocols, to assist non-Medicaid eligible consumers who
4 indicate a preference to return to the community and are
5 deemed appropriate for discharge, to return to their community
6 following a nursing facility stay; and shall be used by the
7 department on aging to fund home and community-based services
8 to enable older individuals to avoid more costly utilization
9 of residential or institutional services and remain in their
10 homes. The department on aging shall submit a report regarding
11 the outcomes of the pilot initiative to the governor and the
12 general assembly by December 15, 2022.

DIVISION II

Sec. 2. OFFICE OF LONG-TERM CARE OMBUDSMAN — FY 2022-2023

Sec. 6. **LIMITATION OF COUNTY COMMISSIONS OF VETERAN AFFAIRS FUND STANDING APPROPRIATIONS.** Notwithstanding the standing appropriation in section 35A.16 for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the amount appropriated from the general fund of the state pursuant to that section.
1 for the following designated purposes shall not exceed the
2 following amount:
3 For the county commissions of veteran affairs fund under
4 section 35A.16:
5 ........................................................................... $ 990,000
6
7 DEPARTMENT OF HUMAN SERVICES — FY 2022–2023
8 Sec. 7. TEMPORARY ASSISTANCE FOR NEEDY FAMILIES BLOCK
9 GRANT. There is appropriated from the fund created in section
10 8.41 to the department of human services for the fiscal year
11 beginning July 1, 2022, and ending June 30, 2023, from moneys
12 received under the federal temporary assistance for needy
13 families (TANF) block grant pursuant to the federal Personal
14 Responsibility and Work Opportunity Reconciliation Act of 1996,
15 Pub. L. No. 104–193, and successor legislation, the following
16 amounts, or so much thereof as is necessary, to be used for the
17 purposes designated:
18 1. To be credited to the family investment program account
19 and used for assistance under the family investment program
20 under chapter 239B:
21 ........................................................................... $ 5,002,006
22 2. To be credited to the family investment program account
23 and used for the job opportunities and basic skills (JOBS)
24 program and implementing family investment agreements in
25 accordance with chapter 239B:
26 ........................................................................... $ 5,412,060
27 3. To be used for the family development and
28 self-sufficiency grant program in accordance with section
29 216A.107:
30 ........................................................................... $ 2,888,980
31 Notwithstanding section 8.33, moneys appropriated in this
32 subsection that remain unencumbered or unobligated at the close
33 of the fiscal year shall not revert but shall remain available
34 for expenditure for the purposes designated until the close of
35 the succeeding fiscal year. However, unless such moneys are
H.F. 2578

1 encumbered or obligated on or before September 30, 2023, the
2 moneys shall revert.
3 4. For field operations:
4 ................................................................. $ 31,296,232
5 5. For general administration:
6 ................................................................. $ 3,744,000
7 6. For state child care assistance:
8 ................................................................. $ 47,166,826
9 a. Of the funds appropriated in this subsection,
10 $26,205,412 is transferred to the child care and development
11 block grant appropriation made by the Eighty-ninth General
12 Assembly, 2022 session, for the federal fiscal year beginning
13 October 1, 2022, and ending September 30, 2023. Of this
14 amount, $200,000 shall be used for provision of educational
15 opportunities to registered child care home providers in order
16 to improve services and programs offered by this category
17 of providers and to increase the number of providers. The
18 department may contract with institutions of higher education
19 or child care resource and referral centers to provide
20 the educational opportunities. Allowable administrative
21 costs under the contracts shall not exceed 5 percent. The
22 application for a grant shall not exceed two pages in length.
23 b. Any funds appropriated in this subsection remaining
24 unallocated shall be used for state child care assistance
25 payments for families who are employed including but not
26 limited to individuals enrolled in the family investment
27 program.
28 7. For child and family services:
29 ................................................................. $ 32,380,654
30 8. For child abuse prevention grants:
31 ................................................................. $ 125,000
32 9. For pregnancy prevention grants on the condition that
33 family planning services are funded:
34 ................................................................. $ 1,913,203
35 Pregnancy prevention grants shall be awarded to programs
in existence on or before July 1, 2022, if the programs have demonstrated positive outcomes. Grants shall be awarded to pregnancy prevention programs which are developed after July 1, 2022, if the programs are based on existing models that have demonstrated positive outcomes. Grants shall comply with the requirements provided in 1997 Iowa Acts, chapter 208, section 14, subsections 1 and 2, including the requirement that grant programs must emphasize sexual abstinence. Priority in the awarding of grants shall be given to programs that serve areas of the state which demonstrate the highest percentage of unplanned pregnancies of females of childbearing age within the geographic area to be served by the grant.

10. For technology needs and other resources necessary to meet federal and state reporting, tracking, and case management requirements and other departmental needs:

11. a. Notwithstanding any provision to the contrary, including but not limited to requirements in section 8.41 or provisions in 2021 Iowa Acts or 2022 Iowa Acts regarding the receipt and appropriation of federal block grants, federal funds from the temporary assistance for needy families block grant received by the state and not otherwise appropriated in this section and remaining available for the fiscal year beginning July 1, 2022, are appropriated to the department of human services to the extent as may be necessary to be used in the following priority order: the family investment program, for state child care assistance program payments for families who are employed, and for the family investment program share of system costs for eligibility determination and related functions. The federal funds appropriated in this paragraph "a" shall be expended only after all other funds appropriated in subsection 1 for assistance under the family investment program, in subsection 6 for state child care assistance, or in subsection 10 for technology needs and other resources necessary to meet departmental needs, as applicable, have been
1 expended. For the purposes of this subsection, the funds
2 appropriated in subsection 6, paragraph "a", for transfer
3 to the child care and development block grant appropriation
4 are considered fully expended when the full amount has been
5 transferred.
6 b. The department shall, on a quarterly basis, advise the
7 general assembly and department of management of the amount of
8 funds appropriated in this subsection that was expended in the
9 prior quarter.
10 12. Of the amounts appropriated in this section,
11 $12,962,008 for the fiscal year beginning July 1, 2022, is
12 transferred to the appropriation of the federal social services
13 block grant made to the department of human services for that
14 fiscal year.
15 13. For continuation of the program providing categorical
16 eligibility for the supplemental nutrition assistance program
17 (SNAP) as specified for the program in the section of this
18 division of this Act relating to the family investment program
19 account:
20 ............................................................... $  14,236
21 14. The department may transfer funds allocated in this
22 section to the appropriations made in this division of this Act
23 for the same fiscal year for general administration and field
24 operations for resources necessary to implement and operate the
25 services referred to in this section and those funded in the
26 appropriation made in this division of this Act for the same
27 fiscal year for the family investment program from the general
28 fund of the state.
29 15. With the exception of moneys allocated under this
30 section for the family development and self-sufficiency grant
31 program, to the extent moneys allocated in this section are
32 deemed by the department not to be necessary to support the
33 purposes for which they are allocated, such moneys may be used
34 in the same fiscal year for any other purpose for which funds
35 are allocated in this section or in section 8 of this division
1 of this Act for the family investment program account. If
2 there are conflicting needs, priority shall first be given
3 to the family investment program account as specified under
4 subsection 1 of this section and used for the purposes of
5 assistance under the family investment program in accordance
6 with chapter 239B, followed by state child care assistance
7 program payments for families who are employed, followed by
8 other priorities as specified by the department.

Sec. 8. FAMILY INVESTMENT PROGRAM ACCOUNT.

1. Moneys credited to the family investment program (FIP)
2 account for the fiscal year beginning July 1, 2022, and
3 ending June 30, 2023, shall be used to provide assistance in
4 accordance with chapter 239B.

2. The department may use a portion of the moneys credited
3 to the FIP account under this section as necessary for
4 salaries, support, maintenance, and miscellaneous purposes,
5 including administrative and information technology costs
6 associated with rent reimbursement and other income assistance
7 programs administered by the department.

3. The department may transfer funds allocated in
4 subsection 4, excluding the allocation under subsection 4,
5 paragraph "b", to the appropriations made in this division of
6 this Act for the same fiscal year for general administration
7 and field operations for resources necessary to implement
8 and operate the services referred to in this section and
9 those funded in the appropriations made in section 7 for the
10 temporary assistance for needy families block grant and in
11 section 9 for the family investment program from the general
12 fund of the state in this division of this Act for the same
13 fiscal year.

4. Moneys appropriated in this division of this Act and
5 credited to the FIP account for the fiscal year beginning July
6 1, 2022, and ending June 30, 2023, are allocated as follows:
7 a. To be retained by the department of human services to
8 be used for coordinating with the department of human rights
1 to more effectively serve participants in FIP and other shared
2 clients and to meet federal reporting requirements under the
3 federal temporary assistance for needy families block grant:
4 ................................................................. $ 10,000
5 b. To the department of human rights for staffing,
6 administration, and implementation of the family development
7 and self-sufficiency grant program in accordance with section
8 216A.107:
9 ................................................................. $ 7,192,834
10 (1) Of the funds allocated for the family development
11 and self-sufficiency grant program in this paragraph "b",
12 not more than 5 percent of the funds shall be used for the
13 administration of the grant program.
14 (2) The department of human rights may continue to implement
15 the family development and self-sufficiency grant program
16 statewide during fiscal year 2022-2023.
17 (3) The department of human rights may engage in activities
18 to strengthen and improve family outcomes measures and
19 data collection systems under the family development and
20 self-sufficiency grant program.
21 c. For the diversion subaccount of the FIP account:
22 ................................................................. $ 1,293,000
23 A portion of the moneys allocated for the diversion
24 subaccount may be used for field operations, salaries, data
25 management system development, and implementation costs and
26 support deemed necessary by the director of human services
27 in order to administer the FIP diversion program. To the
28 extent moneys allocated in this paragraph "c" are deemed by the
29 department not to be necessary to support diversion activities,
30 such moneys may be used for other efforts intended to increase
31 engagement by family investment program participants in work,
32 education, or training activities, or for the purposes of
33 assistance under the family investment program in accordance
34 with chapter 239B.
35 d. For the SNAP employment and training program:
1. The department shall apply the federal SNAP employment and training state plan in order to maximize to the fullest extent permitted by federal law the use of the 50 percent federal reimbursement provisions for the claiming of allowable federal reimbursement funds from the United States department of agriculture pursuant to the federal SNAP employment and training program for providing education, employment, and training services for eligible SNAP participants, including but not limited to related dependent care and transportation expenses.

2. The department shall continue the categorical federal SNAP eligibility at 160 percent of the federal poverty level and continue to eliminate the asset test from eligibility requirements, consistent with federal SNAP program requirements. The department shall include as many SNAP households as is allowed by federal law. The eligibility provisions shall conform to all federal requirements including requirements addressing individuals who are disqualified for committing an intentional program violation or are otherwise ineligible.

e. For the JOBS program, not more than:

5. Of the child support collections assigned under FIP, an amount equal to the federal share of support collections shall be credited to the child support recovery appropriation made in this division of this Act. Of the remainder of the assigned child support collections received by the child support recovery unit, a portion shall be credited to the FIP account, a portion may be used to increase recoveries, and a portion may be used to sustain cash flow in the child support payments account. If as a consequence of the appropriations and allocations made in this section the resulting amounts are insufficient to sustain cash assistance payments and meet federal maintenance of effort requirements, the department
shall seek supplemental funding. If child support collections assigned under FIP are greater than estimated or are otherwise determined not to be required for maintenance of effort, the state share of either amount may be transferred to or retained in the child support payments account.

Sec. 9. FAMILY INVESTMENT PROGRAM GENERAL FUND. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

To be credited to the family investment program (FIP) account and used for family investment program assistance under chapter 239B and other costs associated with providing needs-based benefits or assistance:

$41,003,978

1. Of the funds appropriated in this section, $6,606,198 is allocated for the JOBS program.

2. Of the funds appropriated in this section, $4,313,854 is allocated for the family development and self-sufficiency grant program.

3. a. Notwithstanding section 8.39, for the fiscal year beginning July 1, 2022, if necessary to meet federal maintenance of effort requirements or to transfer federal temporary assistance for needy families block grant funding to be used for purposes of the federal social services block grant or to meet cash flow needs resulting from delays in receiving federal funding or to implement, in accordance with this division of this Act, activities currently funded with juvenile court services, county, or community moneys and state moneys used in combination with such moneys; to comply with federal requirements; or to maximize the use of federal funds; the department of human services may transfer funds within or between any of the appropriations made in this division of this Act and appropriations in law for the federal social services
block grant to the department for the following purposes,
provided that the combined amount of state and federal
temporary assistance for needy families block grant funding
for each appropriation remains the same before and after the
transfer:
(1) For the family investment program.
(2) For state child care assistance.
(3) For child and family services.
(4) For field operations.
(5) For general administration.
b. This subsection shall not be construed to prohibit the
use of existing state transfer authority for other purposes.
The department shall report any transfers made pursuant to this
subsection to the general assembly.
4. Of the funds appropriated in this section, $195,000
shall be used for a contract for tax preparation assistance
to low-income Iowans to expand the usage of the earned income
tax credit. The purpose of the contract is to supply this
assistance to underserved areas of the state. The department
shall not retain any portion of the allocation under this
subsection for administrative costs.
5. Of the funds appropriated in this section, $70,000 shall
be used for the continuation of the parenting program, as
specified in 441 IAC ch. 100, relating to parental obligations,
in which the child support recovery unit participates, to
support the efforts of a nonprofit organization committed to
strengthening the community through youth development, healthy
living, and social responsibility headquartered in a county
with a population over 450,000 according to the 2020 certified
federal census. The funds allocated in this subsection shall
be used by the recipient organization to develop a larger
community effort, through public and private partnerships, to
support a broad-based multi-county parenthood initiative that
promotes payment of child support obligations, improved family
relationships, and full-time employment.
6. The department may transfer funds appropriated in this section, excluding the allocation in subsection 2 for the family development and self-sufficiency grant program, to the appropriations made in this division of this Act for general administration and field operations as necessary to administer this section, section 7 for the temporary assistance for needy families block grant, and section 8 for the family investment program account.

Sec. 10. CHILD SUPPORT RECOVERY. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the following amount, or so much thereof as is necessary, to be used for the purposes designated:

For child support recovery, including salaries, support, maintenance, and miscellaneous purposes, and for not more than the following full-time equivalent positions:

1. The department shall expend up to $24,000, including federal financial participation, for the fiscal year beginning July 1, 2022, for a child support public awareness campaign. The department and the office of the attorney general shall cooperate in continuation of the campaign. The public awareness campaign shall emphasize, through a variety of media activities, the importance of maximum involvement of both parents in the lives of their children as well as the importance of payment of child support obligations.

2. Federal access and visitation grant moneys shall be issued directly to private not-for-profit agencies that provide services designed to increase compliance with the child access provisions of court orders, including but not limited to neutral visitation sites and mediation services.

3. The appropriation made to the department for child support recovery may be used throughout the fiscal year in the manner necessary for purposes of cash flow management, and for
cash flow management purposes the department may temporarily draw more than the amount appropriated, provided the amount appropriated is not exceeded at the close of the fiscal year.

Sec. 11. HEALTH CARE TRUST FUND — MEDICAL ASSISTANCE — FY 2022-2023. Any funds remaining in the health care trust fund created in section 453A.35A for the fiscal year beginning July 1, 2022, and ending June 30, 2023, are appropriated to the department of human services to supplement the medical assistance program appropriations made in this division of this Act, for medical assistance reimbursement and associated costs, including program administration and costs associated with program implementation.

Sec. 12. MEDICAID FRAUD FUND — MEDICAL ASSISTANCE — FY 2022-2023. Any funds remaining in the Medicaid fraud fund created in section 249A.50 for the fiscal year beginning July 1, 2022, and ending June 30, 2023, are appropriated to the department of human services to supplement the medical assistance appropriations made in this division of this Act, for medical assistance reimbursement and associated costs, including program administration and costs associated with program implementation.

Sec. 13. MEDICAL ASSISTANCE. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For medical assistance program reimbursement and associated costs as specifically provided in the reimbursement methodologies in effect on June 30, 2022, except as otherwise expressly authorized by law, consistent with options under federal law and regulations, and contingent upon receipt of approval from the office of the governor of reimbursement for each abortion performed under the program:

$ 1,539,659,031

1. Iowans support reducing the number of abortions
performed in our state. Funds appropriated under this section shall not be used for abortions, unless otherwise authorized under this section.

2. The provisions of this section relating to abortions shall also apply to the Iowa health and wellness plan created pursuant to chapter 249N.

3. The department shall utilize not more than $60,000 of the funds appropriated in this section to continue the AIDS/HIV health insurance premium payment program as established in 1992 Iowa Acts, Second Extraordinary Session, chapter 1001, section 409, subsection 6. Of the funds allocated in this subsection, not more than $5,000 may be expended for administrative purposes.

4. Of the funds appropriated in this Act to the department of public health for addictive disorders, $950,000 for the fiscal year beginning July 1, 2022, is transferred to the department of human services for an integrated substance-related disorder managed care system. The departments of human services and public health shall work together to maintain the level of mental health and substance-related disorder treatment services provided by the managed care contractors. Each department shall take the steps necessary to continue the federal waivers as necessary to maintain the level of services.

5. The department shall aggressively pursue options for providing medical assistance or other assistance to individuals with special needs who become ineligible to continue receiving services under the early and periodic screening, diagnostic, and treatment program under the medical assistance program due to becoming 21 years of age who have been approved for additional assistance through the department's exception to policy provisions, but who have health care needs in excess of the funding available through the exception to policy provisions.

6. Of the funds appropriated in this section, up to
$3,050,082 may be transferred to the field operations or general administration appropriations in this division of this Act for operational costs associated with Part D of the federal Medicare Prescription Drug Improvement and Modernization Act of 2003, Pub. L. No. 108-173.

7. Of the funds appropriated in this section, up to $442,100 may be transferred to the appropriation in this division of this Act for health program operations to be used for clinical assessment services and prior authorization of services.

8. A portion of the funds appropriated in this section may be transferred to the appropriations in this division of this Act for general administration, health program operations, the children’s health insurance program, or field operations to be used for the state match cost to comply with the payment error rate measurement (PERM) program for both the medical assistance and children’s health insurance programs as developed by the centers for Medicare and Medicaid services of the United States department of health and human services to comply with the federal Improper Payments Information Act of 2002, Pub. L. No. 107-300, and to support other reviews and quality control activities to improve the integrity of these programs.

9. Of the funds appropriated in this section, a sufficient amount is allocated to supplement the incomes of residents of nursing facilities, intermediate care facilities for persons with mental illness, and intermediate care facilities for persons with an intellectual disability, with incomes of less than $50 in the amount necessary for the residents to receive a personal needs allowance of $50 per month pursuant to section 249A.30A.

10. One hundred percent of the nonfederal share of payments to area education agencies that are medical assistance providers for medical assistance-covered services provided to medical assistance-covered children, shall be made from the appropriation made in this section.

11. A portion of the funds appropriated in this section may
be transferred to the appropriation in this division of this Act for health program operations to be used for administrative activities associated with the money follows the person demonstration project.

12. Of the funds appropriated in this section, $349,011 shall be used for the administration of the health insurance premium payment program, including salaries, support, maintenance, and miscellaneous purposes.

13. a. The department may increase the amounts allocated for salaries, support, maintenance, and miscellaneous purposes associated with the medical assistance program, as necessary, to sustain cost management efforts. The department shall report any such increase to the general assembly and the department of management.

b. If the savings to the medical assistance program from ongoing cost management efforts exceed the associated cost for the fiscal year beginning July 1, 2022, the department may transfer any savings generated for the fiscal year due to medical assistance program cost management efforts to the appropriation made in this division of this Act for health program operations or general administration to defray the costs associated with implementing the efforts.

14. For the fiscal year beginning July 1, 2022, and ending June 30, 2023, the replacement generation tax revenues required to be deposited in the property tax relief fund pursuant to section 437A.8, subsection 4, paragraph “d”, and section 437A.15, subsection 3, paragraph “f”, shall instead be credited to and supplement the appropriation made in this section and used for the allocations made in this section.

15. a. Of the funds appropriated in this section, up to $50,000 may be transferred by the department to the appropriation made in this division of this Act to the department for the same fiscal year for general administration to be used for associated administrative expenses and for not more than 1.00 full-time equivalent position, in addition to
those authorized for the same fiscal year, to be assigned to
implementing the children's mental health home project.
b. Of the funds appropriated in this section, up to $400,000
may be transferred by the department to the appropriation made
to the department in this division of this Act for the same
fiscal year for Medicaid program-related general administration
planning and implementation activities. The funds may be used
for contracts or for personnel in addition to the amounts
appropriated for and the positions authorized for general
administration for the fiscal year.
c. Of the funds appropriated in this section, up to
$3,000,000 may be transferred by the department to the
appropriations made in this division of this Act for the
same fiscal year for general administration or health
program operations to be used to support the development
and implementation of standardized assessment tools for
persons with mental illness, an intellectual disability, a
developmental disability, or a brain injury.
16. Of the funds appropriated in this section, $150,000
shall be used for lodging expenses associated with care
provided at the university of Iowa hospitals and clinics for
patients with cancer whose travel distance is 30 miles or more
and whose income is at or below 200 percent of the federal
poverty level as defined by the most recently revised poverty
income guidelines published by the United States department of
health and human services. The department of human services
shall establish the maximum number of overnight stays and the
maximum rate reimbursed for overnight lodging, which may be
based on the state employee rate established by the department
of administrative services. The funds allocated in this
subsection shall not be used as nonfederal share matching
funds.
17. Of the funds appropriated in this section, up to
$3,383,880 shall be used for administration of the state family
planning services program pursuant to section 217.41B, and
1 of this amount, the department may use up to $200,000 for
2 administrative expenses.
3 18. Of the funds appropriated in this section, $1,545,530
4 shall be used and may be transferred to other appropriations
5 in this division of this Act as necessary to administer the
6 provisions in the division of this Act relating to Medicaid
7 program administration.
8 19. The department shall comply with the centers for
9 Medicare and Medicaid services' guidance related to Medicaid
10 program and children's health insurance program maintenance
11 of effort provisions, including eligibility standards,
12 methodologies, procedures, and continuous enrollment, to
13 receive the enhanced federal medical assistance percentage
14 under section 6008(b) of the federal Families First Coronavirus
15 Response Act, Pub. L. No. 116-127. The department shall
16 utilize and implement all tools, processes, and resources
17 available to expediently return to normal eligibility and
18 enrollment operations in compliance with federal guidance and
19 expectations.
20 20. A portion of the funds appropriated in this section
21 may be transferred to the appropriation made in this division
22 of this Act for the children's health insurance program,
23 if the children's health insurance program appropriation
24 is insufficient to cover the designated purposes of that
25 appropriation.
26 21. No later than January 1, 2023, the department of
27 human services shall implement a tiered rate reimbursement
28 methodology for psychiatric intensive inpatient care under the
29 Medicaid program based on the level of patient acuity and other
30 factors as recommended in the inpatient bed tracking study
31 committee report submitted to the governor and the general
32 assembly on December 1, 2021.
33 22. The department of human services shall submit a Medicaid
34 state plan amendment to the centers for Medicare and Medicaid
35 services to request the addition of functional family therapy
and multisystemic therapy for youth as covered services under the Medicaid program. The department shall include functional family therapy and multisystemic therapy under the Medicaid program as covered services upon receipt of federal approval.

23. Of the funds appropriated in this section, $7,400,000 shall be used to implement reductions in the waiting list for the home and community-based services waiver for persons with an intellectual disability.

Sec. 14. HEALTH PROGRAM OPERATIONS. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For health program operations:

1. The department of inspections and appeals shall provide all state matching funds for survey and certification activities performed by the department of inspections and appeals. The department of human services is solely responsible for distributing the federal matching funds for such activities.

2. Of the funds appropriated in this section, $50,000 shall be used for continuation of home and community-based services waiver quality assurance programs, including the review and streamlining of processes and policies related to oversight and quality management to meet state and federal requirements.

3. Of the amount appropriated in this section, up to $200,000 may be transferred to the appropriation for general administration in this division of this Act to be used for additional full-time equivalent positions in the development of key health initiatives such as development and oversight of managed care programs and development of health strategies targeted toward improved quality and reduced costs in the Medicaid program.

4. Of the funds appropriated in this section, $1,000,000
shall be used for planning and development, in cooperation with
the department of public health, of a phased-in program to
provide a dental home for children.
5. a. Of the funds appropriated in this section, $188,000
shall be credited to the autism support program fund created
in section 225D.2 to be used for the autism support program
created in chapter 225D, with the exception of the following
amount of this allocation which shall be used as follows:
5 b. Of the funds allocated in this subsection, $25,000 shall
be used for the public purpose of continuation of a grant to
a nonprofit provider of child welfare services that has been
in existence for more than 115 years, is located in a county
with a population between 220,000 and 250,000 according to the
2020 federal decennial census, is licensed as a psychiatric
medical institution for children, and provides school-based
programming, to be used for support services for children with
autism spectrum disorder and their families.
Sec. 15. STATE SUPPLEMENTARY ASSISTANCE.
1. There is appropriated from the general fund of the
state to the department of human services for the fiscal year
beginning July 1, 2022, and ending June 30, 2023, the following
amount, or so much thereof as is necessary, to be used for the
purpose designated:
For the state supplementary assistance program:

$ 7,349,002

2. The department shall increase the personal needs
allowance for residents of residential care facilities by the
same percentage and at the same time as federal supplemental
security income and federal social security benefits are
increased due to a recognized increase in the cost of living.
The department may adopt emergency rules to implement this
subsection.
3. If during the fiscal year beginning July 1, 2022,
the department projects that state supplementary assistance
expenditures for a calendar year will not meet the federal
pass-through requirement specified in Tit. XVI of the federal Social Security Act, section 1618, as codified in 42 U.S.C.$1382g, the department may take actions including but not limited to increasing the personal needs allowance for residential care facility residents and making programmatic adjustments or upward adjustments of the residential care facility or in-home health-related care reimbursement rates prescribed in this division of this Act to ensure that federal requirements are met. In addition, the department may make other programmatic and rate adjustments necessary to remain within the amount appropriated in this section while ensuring compliance with federal requirements. The department may adopt emergency rules to implement the provisions of this subsection.

4. Notwithstanding section 8.33, moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated, including for liability amounts associated with the supplemental nutrition assistance program payment error rate, until the close of the succeeding fiscal year.

Sec. 16. CHILDREN’S HEALTH INSURANCE PROGRAM.

1. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For maintenance of the healthy and well kids in Iowa (hawk-i) program pursuant to chapter 514I, including supplemental dental services, for receipt of federal financial participation under Tit. XXI of the federal Social Security Act, which creates the children’s health insurance program:

$ 41,713,403

2. Of the funds appropriated in this section, $158,850 is allocated for continuation of the contract for outreach with the department of public health.
3. A portion of the funds appropriated in this section may be transferred to the appropriations made in this division of this Act for field operations or health program operations to be used for the integration of hawk-i program eligibility, payment, and administrative functions under the purview of the department of human services, including for the Medicaid management information system upgrade.

Sec. 17. CHILD CARE ASSISTANCE. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For child care programs:

$40,816,931

1. Of the funds appropriated in this section, $34,966,931 shall be used for state child care assistance in accordance with section 237A.13.

2. Nothing in this section shall be construed or is intended as or shall imply a grant of entitlement for services to persons who are eligible for assistance due to an income level consistent with the waiting list requirements of section 237A.13. Any state obligation to provide services pursuant to this section is limited to the extent of the funds appropriated in this section.

3. A list of the registered and licensed child care facilities operating in the area served by a child care resource and referral service shall be made available to the families receiving state child care assistance in that area.

4. Of the funds appropriated in this section, $5,850,000 shall be credited to the early childhood programs grants account in the early childhood Iowa fund created in section 256I.11. The moneys shall be distributed for funding of community-based early childhood programs targeted to children from birth through five years of age developed by early childhood Iowa areas in accordance with approved community
plans as provided in section 256I.8.

5. The department may use any of the funds appropriated in this section as a match to obtain federal funds for use in expanding child care assistance and related programs. For the purpose of expenditures of state and federal child care funding, funds shall be considered obligated at the time expenditures are projected or are allocated to the department’s service areas. Projections shall be based on current and projected caseload growth, current and projected provider rates, staffing requirements for eligibility determination and management of program requirements including data systems management, staffing requirements for administration of the program, contractual and grant obligations and any transfers to other state agencies, and obligations for decategorization or innovation projects.

6. A portion of the state match for the federal child care and development block grant shall be provided as necessary to meet federal matching funds requirements through the state general fund appropriation made for child development grants and other programs for at-risk children in section 279.51.

7. If a uniform reduction ordered by the governor under section 8.31 or other operation of law, transfer, or federal funding reduction reduces the appropriation made in this section for the fiscal year, the percentage reduction in the amount paid out to or on behalf of the families participating in the state child care assistance program shall be equal to or less than the percentage reduction made for any other purpose payable from the appropriation made in this section and the federal funding relating to it. The percentage reduction to the other allocations made in this section shall be the same as the uniform reduction ordered by the governor or the percentage change of the federal funding reduction, as applicable. If there is an unanticipated increase in federal funding provided for state child care services, the entire amount of the increase, except as necessary to meet federal requirements...
1 including quality set asides, shall be used for state child
care assistance payments. If the appropriations made for
purposes of the state child care assistance program for the
fiscal year are determined to be insufficient, it is the intent
of the general assembly to appropriate sufficient funding for
the fiscal year in order to avoid establishment of waiting list
requirements.

8. Notwithstanding section 8.33, moneys advanced for
purposes of the programs developed by early childhood Iowa
areas, advanced for purposes of wraparound child care, or
received from the federal appropriations made for the purposes
of this section that remain unencumbered or unobligated at the
close of the fiscal year shall not revert to any fund but shall
remain available for expenditure for the purposes designated
until the close of the succeeding fiscal year.

Sec. 18. JUVENILE INSTITUTION. There is appropriated
from the general fund of the state to the department of human
services for the fiscal year beginning July 1, 2022, and ending
June 30, 2023, the following amounts, or so much thereof as is
necessary, to be used for the purposes designated:

1. a. For operation of the state training school at Eldora
and for salaries, support, maintenance, and miscellaneous
purposes, and for not more than the following full-time
equivalent positions:

25. $ 17,606,871
26. FTEs 207.00

b. Of the funds appropriated in this subsection, $91,000
shall be used for distribution to licensed classroom teachers
at this and other institutions under the control of the
department of human services based upon the average student
yearly enrollment at each institution as determined by the
department.

2. A portion of the moneys appropriated in this section
shall be used by the state training school at Eldora for
grants for adolescent pregnancy prevention activities at the
1 institution in the fiscal year beginning July 1, 2022.
2 3. Of the funds appropriated in this subsection, $212,000
3 shall be used by the state training school at Eldora for a
4 substance use disorder treatment program at the institution for
5 the fiscal year beginning July 1, 2022.
6 4. Notwithstanding section 8.33, moneys appropriated in
7 this section that remain unencumbered or unobligated at the
8 close of the fiscal year shall not revert but shall remain
9 available for expenditure for the purposes designated until the
10 close of the succeeding fiscal year.
11 Sec. 19. CHILD AND FAMILY SERVICES.
12 1. There is appropriated from the general fund of the
13 state to the department of human services for the fiscal year
14 beginning July 1, 2022, and ending June 30, 2023, the following
15 amount, or so much thereof as is necessary, to be used for the
16 purpose designated:
17 For child and family services:
18 ............................................................... $ 93,571,677
19 2. The department may transfer funds appropriated in this
20 section as necessary to pay the nonfederal costs of services
21 reimbursed under the medical assistance program, state child
22 care assistance program, or the family investment program which
23 are provided to children who would otherwise receive services
24 paid under the appropriation in this section. The department
25 may transfer funds appropriated in this section to the
26 appropriations made in this division of this Act for general
27 administration and for field operations for resources necessary
28 to implement and operate the services funded in this section.
29 3. a. (1) Of the funds appropriated in this section, up to
30 $40,500,000 is allocated as the statewide expenditure target
31 under section 232.143 for group foster care maintenance and
32 services. If the department projects that such expenditures
33 for the fiscal year will be less than the target amount
34 allocated in this paragraph “a”, the department may reallocate
35 the excess to provide additional funding for family foster
H.F. 2578

1 care, supervised apartment living, family-centered services, 2 shelter care, or the child welfare emergency services addressed 3 with the allocation for shelter care.
4 (2) If 2022 Iowa Acts, House File 2507, amending section 5 232.143, is enacted, notwithstanding subparagraph (1), of 6 the funds appropriated in this section, up to $40,500,000 is 7 allocated for group foster care maintenance and services. If 8 the department projects that such expenditures for the fiscal 9 year will be less than the target amount in this paragraph “a”, 10 the department may reallocate the excess to provide additional 11 funding for family foster care, supervised apartment living, 12 family-centered services, shelter care, or the child welfare 13 emergency services addresses with the allocation for shelter 14 care.
15 b. Unless 2022 Iowa Acts, House File 2507, is enacted, 16 if at any time after September 30, 2022, annualization of a 17 service area’s current expenditures indicates a service area 18 is at risk of exceeding its group foster care expenditure 19 target under section 232.143 by more than 5 percent, the 20 department and juvenile court services shall examine all 21 group foster care placements in that service area in order to 22 identify those which might be appropriate for termination. 23 In addition, any aftercare services believed to be needed 24 for the children whose placements may be terminated shall be 25 identified. The department and juvenile court services shall 26 initiate action to set dispositional review hearings for the 27 placements identified. In such a dispositional review hearing, 28 the juvenile court shall determine whether needed aftercare 29 services are available and whether termination of the placement 30 is in the best interest of the child and the community. If 31 2022 Iowa Acts, House File 2507, is enacted, the applicable 32 provisions of House File 2507 shall supersede the provisions 33 of this paragraph “b”.
34 4. In accordance with the provisions of section 232.188, 35 the department shall continue the child welfare and juvenile
1 justice funding initiative during fiscal year 2022-2023. Of
2 the funds appropriated in this section, $1,717,000 is allocated
3 specifically for expenditure for fiscal year 2022-2023 through
4 the decategorization services funding pools and governance
5 boards established pursuant to section 232.188.
6 5. A portion of the funds appropriated in this section
7 may be used for emergency family assistance to provide other
8 resources required for a family participating in a family
9 preservation or reunification project or successor project to
10 stay together or to be reunified.
11 6. Of the funds appropriated in this section, a sufficient
12 amount is allocated for shelter care and the child welfare
13 emergency services contracting implemented to provide for or
14 prevent the need for shelter care.
15 7. Federal funds received by the state during the fiscal
16 year beginning July 1, 2022, as the result of the expenditure
17 of state funds appropriated during a previous state fiscal
18 year for a service or activity funded under this section are
19 appropriated to the department to be used as additional funding
20 for services and purposes provided for under this section.
21 Notwithstanding section 8.33, moneys received in accordance
22 with this subsection that remain unencumbered or unobligated at
23 the close of the fiscal year shall not revert to any fund but
24 shall remain available for the purposes designated until the
25 close of the succeeding fiscal year.
26 8. a. Of the funds appropriated in this section, up to
27 $3,290,000 is allocated for the payment of the expenses of
28 court-ordered services provided to juveniles who are under the
29 supervision of juvenile court services, which expenses are a
30 charge upon the state pursuant to section 232.141, subsection
31 4. Of the amount allocated in this paragraph “a”, up to
32 $1,556,000 shall be made available to provide school-based
33 supervision of children adjudicated under chapter 232, of which
34 not more than $15,000 may be used for the purpose of training.
35 A portion of the cost of each school-based liaison officer
shall be paid by the school district or other funding source as approved by the chief juvenile court officer.
b. Of the funds appropriated in this section, up to $748,000 is allocated for the payment of the expenses of court-ordered services provided to children who are under the supervision of the department, which expenses are a charge upon the state pursuant to section 232.141, subsection 4.
c. Notwithstanding section 232.141 or any other provision of law to the contrary, the amounts allocated in this subsection shall be distributed to the judicial districts as determined by the state court administrator and to the department's service areas as determined by the administrator of the department of human services' division of child and family services. The state court administrator and the division administrator shall make the determination of the distribution amounts on or before June 15, 2022.
d. Notwithstanding chapter 232 or any other provision of law to the contrary, a district or juvenile court shall not order any service which is a charge upon the state pursuant to section 232.141 if there are insufficient court-ordered service funds available in the district court or departmental service area distribution amounts to pay for the service. The chief juvenile court officer and the departmental service area manager shall encourage use of the funds allocated in this subsection such that there are sufficient funds to pay for all court-related services during the entire year. The chief juvenile court officers and departmental service area managers shall attempt to anticipate potential surpluses and shortfalls in the distribution amounts and shall cooperatively request the state court administrator or division administrator to transfer funds between the judicial districts' or departmental service areas' distribution amounts as prudent.
e. Notwithstanding any provision of law to the contrary, a district or juvenile court shall not order a county to pay for any service provided to a juvenile pursuant to an order.
entered under chapter 232 which is a charge upon the state
under section 232.141, subsection 4.

f. Of the funds allocated in this subsection, not more than
$83,000 may be used by the judicial branch for administration
of the requirements under this subsection.

g. Of the funds allocated in this subsection, $17,000
shall be used by the department of human services to support
the interstate commission for juveniles in accordance with
the interstate compact for juveniles as provided in section
232.173.

9. Of the funds appropriated in this section, $12,253,000 is
allocated for juvenile delinquent graduated sanctions services.
Any state funds saved as a result of efforts by juvenile court
services to earn a federal Tit. IV-E match for juvenile court
services administration may be used for the juvenile delinquent
graduated sanctions services.

10. Of the funds appropriated in this section, $1,658,000 is
transferred to the department of public health to be used for
the child protection center grant program for child protection
centers located in Iowa in accordance with section 135.118.
The grant amounts under the program shall be equalized so that
each center receives a uniform base amount of $245,000, and so
that the remaining funds are awarded through a funding formula
based upon the volume of children served. To increase access
to child protection center services for children in rural
areas, the funding formula for the awarding of the remaining
funds shall provide for the awarding of an enhanced amount to
eligible grantees to develop and maintain satellite centers in
underserved regions of the state.

11. Of the funds appropriated in this section, $4,025,000 is
allocated for the preparation for adult living program pursuant
to section 234.46.

12. Of the funds appropriated in this section, $227,000
shall be used for the public purpose of continuing a grant to a
nonprofit human services organization, providing services to
individuals and families in multiple locations in southwest Iowa and Nebraska for support of a project providing immediate, sensitive support and forensic interviews, medical exams, needs assessments, and referrals for victims of child abuse and their nonoffending family members.

13. Of the funds appropriated in this section, $300,000 is allocated for the foster care youth council approach of providing a support network to children placed in foster care.

14. Of the funds appropriated in this section, $202,000 is allocated for use pursuant to section 235A.1 for continuation of the initiative to address child sexual abuse implemented pursuant to 2007 Iowa Acts, chapter 218, section 18, subsection 21.

15. Of the funds appropriated in this section, $630,000 is allocated for the community partnership for child protection sites.

16. Of the funds appropriated in this section, $371,000 is allocated for the department's minority youth and family projects under the redesign of the child welfare system.

17. Of the funds appropriated in this section, $851,000 is allocated for funding of the community circle of care collaboration for children and youth in northeast Iowa.

18. Of the funds appropriated in this section, at least $147,000 shall be used for the continuation of the child welfare provider training program.

19. Of the funds appropriated in this section, $211,000 shall be used for continuation of the central Iowa system of care program grant for the purposes of funding community-based services and other supports with a system of care approach for children with serious emotional disturbance and their families through a nonprofit provider that is located in a county with a population of over 420,000 but less than 450,000 according to the 2010 certified federal census, is licensed as a psychiatric medical institution for children, and was a system of care grantee prior to July 1, 2022.
20. Of the funds appropriated in this section, $235,000 shall be used for the public purpose of the continuation and expansion of a system of care program grant implemented in Cerro Gordo and Linn counties to utilize a comprehensive and long-term approach for helping children and families by addressing the key areas in a child’s life of childhood basic needs, education and work, family, and community.

21. Of the funds appropriated in this section, $110,000 shall be used for the public purpose of funding community-based services and other supports with a system of care approach for children with a serious emotional disturbance and their families through a nonprofit provider of child welfare services that has been in existence for more than 115 years, is located in a county with a population of more than 230,000 according to the 2020 certified federal census, is licensed as a psychiatric medical institution for children, and was a system of care grantee prior to July 1, 2022.

22. If a separate funding source is identified that reduces the need for state funds within an allocation under this section, the allocated state funds may be redistributed to other allocations under this section for the same fiscal year.

23. Of the funds appropriated in this section, a portion may be used for family-centered services for purposes of complying with the federal Family First Prevention Services Act of 2018, Pub. L. No. 115-123, and successor legislation.

24. Of the funds appropriated in this section, $3,850,718 shall be used to support placements in qualified residential treatment programs.

Sec. 20. ADOPTION SUBSIDY.

1. There is appropriated from the general fund of the state to the department of human services for the fiscal year beginning July 1, 2022, and ending June 30, 2023, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

   a. For adoption subsidy payments and related costs and for
1 other services provided for under paragraph "b", subparagraph 2 (2):
3 ................................................................. $ 40,596,007
4 b. (1) Of the funds appropriated in this section, a
5 sufficient amount is allocated for adoption subsidy payments
6 and related costs.
7 (2) Any funds appropriated in this section remaining after
8 the allocation under subparagraph (1) are designated and
9 allocated as state savings resulting from implementation of
10 the federal Fostering Connections to Success and Increasing
12 legislation, as determined in accordance with 42 U.S.C.
13 §673(a)(8), and shall be used for post-adoption services and
14 for other purposes allowed under these federal laws, Tit. IV-B
15 or Tit. IV-E of the federal Social Security Act.
16 (a) The department of human services may transfer funds
17 allocated in this subparagraph (2) to the appropriation for
18 child and family services in this division of this Act for the
19 purposes designated in this subparagraph (2).
20 (b) Notwithstanding section 8.33, moneys allocated
21 under this subparagraph (2) shall not revert to any fund but
22 shall remain available for the purposes designated in this
23 subparagraph (2) until expended.
24 2. The department may transfer funds appropriated in
25 this section to the appropriation made in this division of
26 this Act for general administration for costs paid from the
27 appropriation relating to adoption subsidy.
28 3. Federal funds received by the state during the
29 fiscal year beginning July 1, 2022, as the result of the
30 expenditure of state funds during a previous state fiscal
31 year for a service or activity funded under this section are
32 appropriated to the department to be used as additional funding
33 for the services and activities funded under this section.
34 Notwithstanding section 8.33, moneys received in accordance
35 with this subsection that remain unencumbered or unobligated
1 at the close of the fiscal year shall not revert to any fund
2 but shall remain available for expenditure for the purposes
3 designated until the close of the succeeding fiscal year.
4 Sec. 21. JUVENILE DETENTION HOME FUND. Moneys deposited
5 in the juvenile detention home fund created in section 232.142
6 during the fiscal year beginning July 1, 2022, and ending June
7 30, 2023, are appropriated to the department of human services
8 for the fiscal year beginning July 1, 2022, and ending June 30,
9 2023, for distribution of an amount equal to a percentage of
10 the costs of the establishment, improvement, operation, and
11 maintenance of county or multicounty juvenile detention homes
12 in the fiscal year beginning July 1, 2021. Moneys appropriated
13 for distribution in accordance with this section shall be
14 allocated among eligible detention homes, prorated on the basis
15 of an eligible detention home's proportion of the costs of all
16 eligible detention homes in the fiscal year beginning July
17 1, 2021. The percentage figure shall be determined by the
18 department based on the amount available for distribution for
19 the fund. Notwithstanding section 232.142, subsection 3, the
20 financial aid payable by the state under that provision for the
21 fiscal year beginning July 1, 2022, shall be limited to the
22 amount appropriated for the purposes of this section.
23 Sec. 22. FAMILY SUPPORT SUBSIDY PROGRAM.
24 1. There is appropriated from the general fund of the
25 state to the department of human services for the fiscal year
26 beginning July 1, 2022, and ending June 30, 2023, the following
27 amount, or so much thereof as is necessary, to be used for the
28 purpose designated:
29 For the family support subsidy program subject to the
30 enrollment restrictions in section 225C.37, subsection 3:
31 ................................................................. $ 949,282
32 2. At least $931,536 of the moneys appropriated in this
33 section is transferred to the department of public health for
34 the family support center component of the comprehensive family
35 support program under chapter 225C, subchapter V.
1 3. If at any time during the fiscal year, the amount of
2 funding available for the family support subsidy program
3 is reduced from the amount initially used to establish the
4 figure for the number of family members for whom a subsidy
5 is to be provided at any one time during the fiscal year,
6 notwithstanding section 225C.38, subsection 2, the department
7 shall revise the figure as necessary to conform to the amount
8 of funding available.
9 Sec. 23. CONNER DECREE. There is appropriated from the
10 general fund of the state to the department of human services
11 for the fiscal year beginning July 1, 2022, and ending June 30,
12 2023, the following amount, or so much thereof as is necessary,
13 to be used for the purpose designated:
14 For building community capacity through the coordination
15 and provision of training opportunities in accordance with the
16 consent decree of Conner v. Branstad, No. 4-86-CV-30871(S.D.
17 Iowa, July 14, 1994):
18 ................................................................. $ 33,632
19 Sec. 24. MENTAL HEALTH INSTITUTES.
20 1. There is appropriated from the general fund of the
21 state to the department of human services for the fiscal year
22 beginning July 1, 2022, and ending June 30, 2023, the following
23 amounts, or so much thereof as is necessary, to be used for the
24 purposes designated:
25 a. For operation of the state mental health institute at
26 Cherokee as required by chapters 218 and 226 for salaries,
27 support, maintenance, and miscellaneous purposes, and for not
28 more than the following full-time equivalent positions:
29 ................................................................. $ 15,613,624
30 ................................................................. FTEs 169.00
31 b. For operation of the state mental health institute at
32 Independence as required by chapters 218 and 226 for salaries,
33 support, maintenance, and miscellaneous purposes, and for not
34 more than the following full-time equivalent positions:
35 ................................................................. $ 19,688,928
1. Notwithstanding sections 218.78 and 249A.11, any
2. a. revenue received from the state mental health institute at
3. Cherokee or the state mental health institute at Independence
pursuant to 42 C.F.R §438.6(e) may be retained and expended by
the mental health institute.
4. b. Notwithstanding sections 218.78 and 249A.11, any
COVID-19 related funding received through federal funding
sources by the state mental health institute at Cherokee or the
state mental health institute at Independence may be retained
and expended by the mental health institute.
5. 3. Notwithstanding any provision of law to the contrary,
a Medicaid member residing at the state mental health
institute at Cherokee or the state mental health institute
at Independence shall retain Medicaid eligibility during
the period of the Medicaid member's stay for which federal
financial participation is available.
6. 4. Notwithstanding section 8.33, moneys appropriated in
this section that remain unencumbered or unobligated at the
close of the fiscal year shall not revert but shall remain
available for expenditure for the purposes designated until the
close of the succeeding fiscal year.
Sec. 25. STATE RESOURCE CENTERS.
1. There is appropriated from the general fund of the
state to the department of human services for the fiscal year
beginning July 1, 2022, and ending June 30, 2023, the following
amounts, or so much thereof as is necessary, to be used for the
purposes designated:
2. a. For the state resource center at Glenwood for salaries,
support, maintenance, and miscellaneous purposes:
               ......................................................... $ 16,288,739
3. b. For the state resource center at Woodward for salaries,
support, maintenance, and miscellaneous purposes:
               ......................................................... $ 13,409,294
4. 2. The department may continue to bill for state resource
center services utilizing a scope of services approach used for private providers of intermediate care facilities for persons with an intellectual disability services, in a manner which does not shift costs between the medical assistance program, mental health and disability services regions, or other sources of funding for the state resource centers.

3. The state resource centers may expand the time-limited assessment and respite services during the fiscal year.

4. If the department's administration and the department of management concur with a finding by a state center's superintendent that projected revenues can reasonably be expected to pay the salary and support costs for a new employee position, or that such costs for adding a particular number of new positions for the fiscal year would be less than the overtime costs if new positions would not be added, the superintendent may add the new position or positions. If the vacant positions available to a resource center do not include the position classification desired to be filled, the state resource center's superintendent may reclassify any vacant position as necessary to fill the desired position. The superintendents of the state resource centers may, by mutual agreement, pool vacant positions and position classifications during the course of the fiscal year in order to assist one another in filling necessary positions.

5. If existing capacity limitations are reached in operating units, a waiting list is in effect for a service or a special need for which a payment source or other funding is available for the service or to address the special need, and facilities for the service or to address the special need can be provided within the available payment source or other funding, the superintendent of a state resource center may authorize opening not more than two units or other facilities and begin implementing the service or addressing the special need during fiscal year 2022-2023.

6. Notwithstanding section 8.33, and notwithstanding
H.F. 2578

1 the amount limitation specified in section 222.92, moneys
2 appropriated in this section that remain unencumbered or
3 unobligated at the close of the fiscal year shall not revert
4 but shall remain available for expenditure for the purposes
5 designated until the close of the succeeding fiscal year.
6 Sec. 26. SEXUALLY VIOLENT PREDATORS.
7 1. There is appropriated from the general fund of the
8 state to the department of human services for the fiscal year
9 beginning July 1, 2022, and ending June 30, 2023, the following
10 amount, or so much thereof as is necessary, to be used for the
11 purpose designated:
12 For costs associated with the commitment and treatment of
13 sexually violent predators in the unit located at the state
14 mental health institute at Cherokee, including costs of legal
15 services and other associated costs, including salaries,
16 support, maintenance, and miscellaneous purposes, and for not
17 more than the following full-time equivalent positions:
18 ................................................................. $ 13,891,276
19 ................................................................. FTEs 140.00
20 2. Unless specifically prohibited by law, if the amount
21 charged provides for recoupment of at least the entire amount
22 of direct and indirect costs, the department of human services
23 may contract with other states to provide care and treatment
24 of persons placed by the other states at the unit for sexually
25 violent predators at Cherokee. The moneys received under
26 such a contract shall be considered to be repayment receipts
27 and used for the purposes of the appropriation made in this
28 section.
29 3. Notwithstanding section 8.33, moneys appropriated in
30 this section that remain unencumbered or unobligated at the
31 close of the fiscal year shall not revert but shall remain
32 available for expenditure for the purposes designated until the
33 close of the succeeding fiscal year.
34 Sec. 27. FIELD OPERATIONS.
35 1. There is appropriated from the general fund of the
1 state to the department of human services for the fiscal year
2 beginning July 1, 2022, and ending June 30, 2023, the following
3 amount, or so much thereof as is necessary, to be used for the
4 purposes designated:
5 For field operations, including salaries, support,
6 maintenance, and miscellaneous purposes, and for not more than
7 the following full-time equivalent positions:
8 .......................................................... $ 65,894,438
9 .......................................................... FTEs 1,589.00
10 2. Priority in filling full-time equivalent positions
11 shall be given to those positions related to child protection
12 services and eligibility determination for low-income families.
13 Sec. 28. GENERAL ADMINISTRATION. There is appropriated
14 from the general fund of the state to the department of human
15 services for the fiscal year beginning July 1, 2022, and ending
16 June 30, 2023, the following amount, or so much thereof as is
17 necessary, to be used for the purpose designated:
18 For general administration, including salaries, support,
19 maintenance, and miscellaneous purposes, and for not more than
20 the following full-time equivalent positions:
21 .......................................................... $ 15,342,189
22 .......................................................... FTEs 294.00
23 1. The department shall report at least monthly to the
24 general assembly concerning the department’s operational and
25 program expenditures.
26 2. Of the funds appropriated in this section, $150,000 shall
27 be used for the provision of a program to provide technical
28 assistance, support, and consultation to providers of home and
29 community-based services under the medical assistance program.
30 3. Of the funds appropriated in this section, $50,000
31 is transferred to the Iowa finance authority to be used
32 for administrative support of the council on homelessness
33 established in section 16.2D and for the council to fulfill its
34 duties in addressing and reducing homelessness in the state.
35 4. Of the funds appropriated in this section, $200,000 shall
be transferred to and deposited in the administrative fund of
the Iowa ABLE savings plan trust created in section 121.4, to
be used for implementation and administration activities of the
Iowa ABLE savings plan trust.

5. Of the funds appropriated in this section, $200,000 is
transferred to the economic development authority for the Iowa
commision on volunteer services to continue to be used for the
RefugeeRISE AmeriCorps program established under section 15H.8
for member recruitment and training to improve the economic
well-being and health of economically disadvantaged refugees in
local communities across Iowa. Funds transferred may be used
to supplement federal funds under federal regulations.

6. Of the funds appropriated in this section, up to $300,000
shall be used as follows:

a. To fund not more than 1.00 full-time equivalent position
to address the department’s responsibility to support the work
of the children’s behavioral health system state board and
implementation of the services required pursuant to section
331.397.

b. To support the cost of establishing and implementing new
or additional services required pursuant to sections 331.397
and 331.397A.

c. Of the amount allocated, $32,000 shall be transferred
to the department of public health to support the costs of
establishing and implementing new or additional services
required pursuant to sections 331.397 and 331.397A.

7. Of the funds appropriated in this section, $800,000 shall
be used for the renovation and construction of certain nursing
facilities, consistent with the provisions of chapter 249K.

Sec. 29. DEPARTMENT-WIDE DUTIES. There is appropriated
from the general fund of the state to the department of human
services for the fiscal year beginning July 1, 2022, and ending
June 30, 2023, the following amount, or so much thereof as is
necessary, to be used for the purposes designated:

For salaries, support, maintenance, and miscellaneous
purposes at facilities under the purview of the department of
human services:

Sec. 30. VOLUNTEERS. There is appropriated from the general
fund of the state to the department of human services for the
fiscal year beginning July 1, 2022, and ending June 30, 2023,
the following amount, or so much thereof as is necessary, to be
used for the purpose designated:

For development and coordination of volunteer services:

Sec. 31. MEDICAL ASSISTANCE, STATE SUPPLEMENTARY
ASSISTANCE, AND SOCIAL SERVICE PROVIDERS REIMBURSED UNDER THE
DEPARTMENT OF HUMAN SERVICES.

1. a. (1) (a) Notwithstanding any provision of law to the
contrary, for the fiscal year beginning July 1, 2022, case-mix
nursing facilities shall be reimbursed in accordance with the
methodology in effect on June 30, 2022.

(b) For the fiscal year beginning July 1, 2022, non-case-mix
and special population nursing facilities shall be reimbursed
in accordance with the methodology in effect on June 30, 2022.

(c) For managed care claims, the department of human
services shall adjust the payment rate floor for nursing
facilities, annually, to maintain a rate floor that is no
lower than the Medicaid fee-for-service case-mix adjusted rate
calculated in accordance with subparagraph division (a) and
441 IAC 81.6. The department shall then calculate adjusted
reimbursement rates, including but not limited to add-on
payments, annually, and shall notify Medicaid managed care
organizations of the adjusted reimbursement rates within 30
days of determining the adjusted reimbursement rates. Any
adjustment of reimbursement rates under this subparagraph
division shall be budget neutral to the state budget.

(d) For the fiscal year beginning July 1, 2022, Medicaid
managed care long-term services and supports capitation rates
shall be adjusted to reflect the case-mix adjusted rates
1 specified pursuant to subparagraph division (a) for the patient
2 populations residing in Medicaid-certified nursing facilities.
3 (2) Medicaid managed care organizations shall adjust
4 facility-specific rates based upon payment rate listings issued
5 by the department. The rate adjustments shall be applied
6 prospectively from the effective date of the rate letter issued
7 by the department.
8 b. (1) For the fiscal year beginning July 1, 2022, the
9 department shall establish the fee-for-service pharmacy
10 dispensing fee reimbursement at $10.38 per prescription,
11 until a cost of dispensing survey is completed. The actual
12 dispensing fee shall be determined by a cost of dispensing
13 survey performed by the department and required to be completed
14 by all medical assistance program participating pharmacies
15 every two years, adjusted as necessary to maintain expenditures
16 within the amount appropriated to the department for this
17 purpose for the fiscal year. A change in the dispensing
18 fee shall become effective following federal approval of the
19 Medicaid state plan.
20 (2) The department shall utilize an average acquisition
21 cost reimbursement methodology for all drugs covered under the
22 medical assistance program in accordance with 2012 Iowa Acts,
23 chapter 1133, section 33.
24 c. (1) For the fiscal year beginning July 1, 2022,
25 reimbursement rates for outpatient hospital services shall
26 remain at the rates in effect on June 30, 2022, subject to
27 Medicaid program upper payment limit rules, and adjusted
28 as necessary to maintain expenditures within the amount
29 appropriated to the department for this purpose for the fiscal
30 year.
31 (2) For the fiscal year beginning July 1, 2022,
32 reimbursement rates for inpatient hospital services shall
33 remain at the rates in effect on June 30, 2022, subject to
34 Medicaid program upper payment limit rules, and adjusted
35 as necessary to maintain expenditures within the amount
appropriated to the department for this purpose for the fiscal year.

(3) For the fiscal year beginning July 1, 2022, under both fee-for-service and managed care administration of the Medicaid program, critical access hospitals shall be reimbursed for inpatient and outpatient services based on the hospital-specific critical access hospital cost adjustment factor methodology utilizing the most recent and complete cost reporting period as applied prospectively within the funds appropriated for such purpose for the fiscal year.

(4) For the fiscal year beginning July 1, 2022, the graduate medical education and disproportionate share hospital fund shall remain at the amount in effect on June 30, 2022, except that the portion of the fund attributable to graduate medical education shall be reduced in an amount that reflects the elimination of graduate medical education payments made to out-of-state hospitals.

(5) In order to ensure the efficient use of limited state funds in procuring health care services for low-income Iowans, funds appropriated in this Act for hospital services shall not be used for activities which would be excluded from a determination of reasonable costs under the federal Medicare program pursuant to 42 U.S.C. §1395x(v)(1)(N).

d. For the fiscal year beginning July 1, 2022, reimbursement rates for hospices and acute psychiatric hospitals shall be increased in accordance with increases under the federal Medicare program or as supported by their Medicare audited costs.

e. For the fiscal year beginning July 1, 2022, independent laboratories and rehabilitation agencies shall be reimbursed using the same methodology in effect on June 30, 2022.

f. (1) For the fiscal year beginning July 1, 2022, reimbursement rates for home health agencies shall continue to be based on the Medicare low utilization payment adjustment (LUPA) methodology with state geographic wage adjustments. The
1 department shall continue to update the rates every two years
to reflect the most recent Medicare LUPA rates.
2 (2) For the fiscal year beginning July 1, 2022, the
department shall create a reimbursement rate structure that
provides incentives to home health care providers located in
rural areas and providing home health care to Medicaid members,
within the $4,000,000 appropriated for this purpose. The rate
structure shall include a telehealth component to incentivize
the provision of necessary supervision for skilled care without
requiring travel time. For the purposes of this subparagraph
(2), "rural area" means an area that is not an Iowa core based
statistical area as defined by the federal office of management
and budget.
3 (3) For the fiscal year beginning July 1, 2022, rates for
private duty nursing and personal care services under the early
and periodic screening, diagnostic, and treatment program
benefit shall be calculated based on the methodology in effect
on June 30, 2022.
4 g. For the fiscal year beginning July 1, 2022, federally
qualified health centers and rural health clinics shall receive
cost-based reimbursement for 100 percent of the reasonable
costs for the provision of services to recipients of medical
assistance.
5 h. For the fiscal year beginning July 1, 2022, the
reimbursement rates for dental services shall remain at the
rates in effect on June 30, 2022.
6 i. (1) For the fiscal year beginning July 1, 2022,
reimbursement rates for non-state-owned psychiatric medical
institutions for children shall be based on the reimbursement
methodology in effect on June 30, 2022.
7 (2) As a condition of participation in the medical
assistance program, enrolled providers shall accept the medical
assistance reimbursement rate for any covered goods or services
provided to recipients of medical assistance who are children
under the custody of a psychiatric medical institution for
1 children.
2 j. For the fiscal year beginning July 1, 2022, unless
3 otherwise specified in this Act, all noninstitutional medical
4 assistance provider reimbursement rates shall remain at the
5 rates in effect on June 30, 2022, except for area education
6 agencies, local education agencies, infant and toddler
7 services providers, home and community-based services providers
8 including consumer-directed attendant care providers under a
9 section 1915(c) or 1915(i) waiver, targeted case management
10 providers, and those providers whose rates are required to be
11 determined pursuant to section 249A.20, or to meet federal
12 mental health parity requirements.
13 k. Notwithstanding any provision to the contrary, for the
14 fiscal year beginning July 1, 2022, the reimbursement rate for
15 anesthesiologists shall remain at the rates in effect on June
16 30, 2022, and updated on January 1, 2023, to align with the
17 most current Iowa Medicare anesthesia rate.
18 l. Notwithstanding section 249A.20, for the fiscal year
19 beginning July 1, 2022, the average reimbursement rate for
20 health care providers eligible for use of the federal Medicare
21 resource-based relative value scale reimbursement methodology
22 under section 249A.20 shall remain at the rate in effect on
23 June 30, 2022; however, this rate shall not exceed the maximum
24 level authorized by the federal government.
25 m. For the fiscal year beginning July 1, 2022, the
26 reimbursement rate for residential care facilities shall not
27 be less than the minimum payment level as established by the
28 federal government to meet the federally mandated maintenance
29 of effort requirement. The flat reimbursement rate for
30 facilities electing not to file annual cost reports shall not
31 be less than the minimum payment level as established by the
32 federal government to meet the federally mandated maintenance
33 of effort requirement.
34 n. For the fiscal year beginning July 1, 2022, the
35 reimbursement rates for inpatient mental health services
provided at hospitals shall remain at the rates in effect on

34 increased within the $649,029 appropriated for this purpose.
35 The department shall reimburse a shelter care provider at the
1 provider’s actual and allowable unit cost, plus inflation, not
2 to exceed the maximum reimbursement rate.
3   c. Unless 2022 Iowa Acts, House File 2507, is enacted,
4 notwithstanding section 232.141, subsection 8, for the fiscal
5 year beginning July 1, 2022, the amount of the statewide
6 average of the actual and allowable rates for reimbursement of
7 juvenile shelter care homes that is utilized for the limitation
8 on recovery of unpaid costs shall remain at the amount in
9 effect for this purpose in the fiscal year beginning July 1,
10 2021. If 2022 Iowa Acts, House File 2507, is enacted, the
11 applicable provisions of House File 2507 shall supersede the
12 provisions of this paragraph “c”.
13   10. For the fiscal year beginning July 1, 2022, the
14 department shall calculate reimbursement rates for intermediate
15 care facilities for persons with an intellectual disability
16 at the 80th percentile. Beginning July 1, 2022, the rate

18 inflation factor applicable to the fiscal year beginning July
19 1, 2022.
20   11. Effective July 1, 2022, child care provider
21 reimbursement rates shall remain at the rates in effect on June
22 30, 2022. The department shall set rates in a manner so as
23 to provide incentives for a nonregistered provider to become
24 registered by applying any increase only to registered and
25 licensed providers.
26   12. The department may adopt emergency rules to implement
27 this section.
28 Sec. 32. EMERGENCY RULES.
29   1. If necessary to comply with federal requirements
30 including time frames, or if specifically authorized by a
31 provision of this division of this Act, the department of
32 human services or the mental health and disability services
33 commission may adopt administrative rules under section 17A.4,
34 subsection 3, and section 17A.5, subsection 2, paragraph “b”,
35 to implement the provisions of this division of this Act and
the rules shall become effective immediately upon filing or
on a later effective date specified in the rules, unless the
effective date of the rules is delayed or the applicability
of the rules is suspended by the administrative rules review
committee. Any rules adopted in accordance with this section
shall not take effect before the rules are reviewed by the
administrative rules review committee. The delay authority
provided to the administrative rules review committee under
section 17A.4, subsection 7, and section 17A.8, subsections
9 and 10, shall be applicable to a delay imposed under this
section, notwithstanding a provision in those subsections
making them inapplicable to section 17A.5, subsection 2,
paragraph “b”. Any rules adopted in accordance with the
provisions of this section shall also be published as a notice
of intended action as provided in section 17A.4.
2. If during a fiscal year, the department of human
services is adopting rules in accordance with this section
or as otherwise directed or authorized by state law, and
the rules will result in an expenditure increase beyond the
amount anticipated in the budget process or if the expenditure
was not addressed in the budget process for the fiscal
year, the department shall notify the general assembly and
the department of management concerning the rules and the
expenditure increase. The notification shall be provided at
least 30 calendar days prior to the date notice of the rules
is submitted to the administrative rules coordinator and the
administrative code editor.
Sec. 33. REPORTS. Unless otherwise provided, any reports or
other information required to be compiled and submitted under
this Act during the fiscal year beginning July 1, 2022, shall
be submitted on or before the dates specified for submission
of the reports or information.
Sec. 34. EFFECTIVE UPON ENACTMENT. Unless 2022 Iowa Acts,
House File 2507, is enacted, the following provision of this
division of this Act, being deemed of immediate importance,
H.F. 2578

1 takes effect upon enactment:
2 The provision relating to section 232.141 and directing the
3 state court administrator and the division administrator of
4 the department of human services division of child and family
5 services to make the determination, by June 15, 2022, of the
6 distribution of funds allocated for the payment of the expenses
7 of court-ordered services provided to juveniles which are a
8 charge upon the state.

PUBLIC HEALTH EMERGENCY PROVISIONS COVID-19 REGULATIONS

Sec. 49. COVID-19 FEDERAL REGULATIONS. For the time period beginning on the effective date of this division of this Act, and ending June 30, 2023, notwithstanding state administrative rules to the contrary, to the extent federal regulations relating to the COVID-19 pandemic differ from state administrative rules, including applicable federal waivers, the federal regulations are controlling during the pendency of the federally declared state of emergency and for such period of time following the end of the federally declared state of emergency applicable to the respective federal regulations.

DIVISION XI

HEALTH AND HUMAN SERVICES REALIGNMENT

Sec. 50. TRANSITION OF DEPARTMENT OF HUMAN SERVICES AND DEPARTMENT OF PUBLIC HEALTH INTO DEPARTMENT OF HEALTH AND HUMAN SERVICES.

1. Definitions. For the purposes of this section:
“Department of health and human services” or “department” means the department of health and human services created under this section.

b. “Transition department” means the department of human services or the department of public health.

c. “Transition departments” means the department of human services and the department of public health.

d. “Transition period” means the period beginning July 1, 2022, and ending June 30, 2023.

2. Creation of department of health and human services — transition period — powers and duties. Notwithstanding any conflicting provision of law to the contrary, there is created a department of health and human services. During the transition period, the department of health and human services shall have and may exercise all of the policymaking functions, regulatory and enforcement powers, rights, duties, and responsibilities of the department of human services and the department of public health as prescribed by law or rule in effect on July 1, 2022, including but not limited to those relating to:

a. All obligations and contracts of a transition department, including obligations and contracts related to a grant program.

b. All property and records in the custody of a transition department.

c. All funds appropriated to a transition department by the general assembly and all state, federal, and other funds for which expenditure by a transition department is authorized.

d. Complaints, investigations, contested cases, causes of action, and statutes of limitations involving a transition department.

(1) All complaints, investigations, contested cases, or a remand of an action by a reviewing court pending before a transition department or an authorized person of a transition department shall continue without change in status before
the department and shall be governed by the laws and rules applicable to the complaint, investigation, contested case, or remand action or proceeding in effect on July 1, 2022.

(2) Any cause of action or statute of limitation relating to a transition department shall not be affected as a result of the transition and such cause of action or statute of limitation shall apply to the department.

e. Rules, policies, and forms. All rules, policies, and forms adopted by or on behalf of a transition department shall become rules, policies, and forms of the department and shall remain in effect unless altered by the department.

f. Licenses, permits, and certifications. All licenses, permits, and certifications issued by a transition department shall continue in effect as a license, permit, or certification of the department in accordance with the law or rule governing the license, permit, or certification in effect on July 1, 2022, until the license, permit, or certification expires, is suspended or revoked, or otherwise becomes invalid by the terms of such law or rule.

g. References to a department or director. All references to the department of public health or the department of human services in law or in rule shall be interpreted to mean the department of health and human services, and all references to the director of public health or the director of human services shall be interpreted to mean the director of the department of health and human services.

h. Departmental structure.

(1) Any transition department, transition department subunit, or transition department body created or established by law and in existence on July 1, 2022, shall continue in full force and effect and shall not be permanently abolished, merged, or otherwise altered until amended, repealed, or supplemented by action of the general assembly.

(2) This paragraph shall not prohibit a transition department, transition department subunit, or transition department body from being merged with another government body or otherwise reorganized by action of the general assembly.
department body created or established by law in existence on July 1, 2022, from sharing or coordinating responsibilities or functions under their respective purviews nor prohibit the director from temporarily integrating such departments, subunits, or bodies or the responsibilities or functions under their respective purviews in furtherance of the transition plan during the transition period.

3. Transition period leadership. During the transition period, the director of human services shall continue to act as the director of human services, shall assume the duties of the director of public health, shall act as the director of the department of health and human services, and may thereby exercise any policymaking functions, regulatory and enforcement powers, rights, duties, and responsibilities of the director of human services and the director of public health including those duties prescribed by law for the department of human services or the department of public health in effect on July 1, 2022.

4. Federal authorization and effective date of authorizations. If a transition department or the department determines that a waiver or authorization from the federal government is necessary to administer any provision of this section, the department shall request the waiver or authorization, and notwithstanding any other effective date to the contrary, the provision shall take effect only upon receipt of federal approval.

5. Initial written transition plan.
   a. On or before September 30, 2022, the transition departments or department shall publish on their respective internet sites an initial written transition plan for merging the functions of the transition departments into the department of health and human services effective July 1, 2023, in order to do all of the following:
   (1) More efficiently and effectively manage health and human services programs that are the responsibility of the

(3) Promote health and the quality of life in the health and human services field.

b. The transition plan shall describe, at a minimum, all of the following:

(1) The tasks that require completion before July 1, 2023, including a description of how the transition departments shall solicit comment from stakeholders, including employees of the transition departments, clients and partners of the transition departments, members of the public, and members of the general assembly.

(2) The proposed organizational structure of the department, at a minimum, including the division level of the table of organization. Any personnel in the state merit system of employment who are mandatorily transferred due to the transition shall be so transferred without any loss in salary, benefits, or accrued years of service.

(3) Proposed changes to any transition department boards, commissions, committees, councils, or other bodies and their functions.

(4) Office space and infrastructure requirements related to the transition.

(5) Any work site location changes for transitioning employees.

(6) The transition of service delivery sites.

(7) Procedures for the transfer and reconciliation of budgeting and funding between the transition departments and the department.

(8) The transition of technology services of the transition departments to the department.

(9) Any additional known tasks that may require completion after the transition on July 1, 2023.

c. The written transition plan published under paragraph...
H.F. 2578

1 "b" shall:
2 (1) Include a detailed timeline for the completion of the
3 tasks described.
4 (2) Be updated quarterly during the remainder of the
5 transition period.
6 (3) Describe how information will be provided to clients
7 of the transition departments and the department regarding any
8 changes in service delivery.
9 (4) Describe how the transition to the department will be
10 funded, including how expenses associated with the transition
11 will be managed; how funding for services provided by the
12 transition departments will be managed to ensure provision
13 of services by the transition departments and the department
14 without interruption; and how federal funds will be used by
15 or transferred between the transition departments and the
16 department to ensure provision of services by the transition
17 departments and the department without interruption.
18 6. Statutory and administrative rule updates.
19 a. Legislative changes required to implement the
20 transition. Additional legislation is necessary to fully
21 implement the transition. The director of the department
22 of health and human services shall, in compliance with
23 section 2.16, prepare draft legislation for submission to the
24 legislative services agency, as necessary, for consideration
25 by the general assembly during the 2023 legislative
26 session, to implement the transition effective July 1, 2023.
27 Notwithstanding any provision to the contrary in section 2.16,
28 the draft legislation shall be submitted to the legislative
29 services agency by October 1, 2022.
30 b. Update of administrative code required by the
31 transition. In updating references and the format in the
32 Iowa administrative code, in order to correspond to the
33 transferring of duties of the transition departments, the
34 administrative rules coordinator and the administrative rules
35 review committee, in consultation with the administrative code
editor, shall collectively develop a schedule for the necessary updating of the Iowa administrative code.

COLLEGES OF MEDICINE AND DENTISTRY — RESIDENCY — REPORTS

Sec. 60. Section 262.9, Code 2022, is amended by adding the
following new subsection:

NEW SUBSECTION. 39. Adopt a policy requiring that not less
than seventy-five percent of the students who are accepted
at the college of medicine in the doctor of medicine program
and who are accepted at the college of dentistry at the state
university of Iowa be residents of Iowa or persons who were,
prior to applying to such college, enrolled in an eligible
postsecondary institution as defined in section 261E.2.

Sec. 61. Section 263.2, Code 2022, is amended to read as
follows:

263.2 Degrees — reports.
1. A person shall not be admitted to courses of instruction
in the university if the person has not completed the
elementary instruction in such branches as are taught in the
public or accredited nonpublic schools throughout the state.
2. Graduates of the university shall receive degrees or
diplomas, or other evidences of distinction such as are usually
conferred and granted by universities and are authorized by the
state board of regents.
3. The state university of Iowa, in collaboration with the
university hospitals and clinics, shall submit an annual report
to the general assembly providing the following information:
   a. The states in which members of each graduating class
from the college of dentistry and the college of medicine's
doctor of medicine program reside during the year immediately
following graduation. The information shall be categorized
by either residents of Iowa at the time of application to the
college or nonresidents at the time of application to the
college.
   b. The states in which the university of Iowa hospitals and
clinics primary care and specialty residents reside in the year following completion of medical residency and whether following residency such residents accepted fellowships. The information shall be categorized by primary care and the various areas of specialty, and shall specify whether the medical residents were residents of Iowa prior to applying for admission at an undergraduate college or university, received a baccalaureate degree from a postsecondary institution in Iowa, or graduated from a medical school in Iowa, whether or not the medical residents were residents of the state at the time of acceptance into the university of Iowa hospitals and clinics' residency programs and, if any residents accepted fellowships following residency, the states in which the fellowships are offered and the areas of specialty under the fellowships.

DIVISION XVII

Sec. 62. MEDICAL RESIDENCY POSITIONS AND AUDITION CLINICALS — MEDICAL STUDENTS AND APPLICANTS MEETING CERTAIN CRITERIA — ANNUAL REPORT.

1. The university of Iowa hospitals and clinics shall offer an interview for an available medical residency position to any applicant who has a residency specialty in obstetrics and gynecology, psychiatry, general surgery, emergency medicine, cardiology, neurology, or primary care and who also is a resident of Iowa, attended and earned an undergraduate degree from an Iowa college or university, or attended and earned a medical degree from a medical school in Iowa.

2. The university of Iowa hospitals and clinics shall provide the opportunity to a medical student attending a medical school in Iowa to participate in an audition clinical in the medical residency specialty for which the medical student applies to allow the university to constructively review the student in a clinical setting.

3. The university of Iowa hospitals and clinics shall submit a report to the governor and the general assembly by January.
15, annually, regarding the interviews and audition clinicals as specified in this section during the prior fiscal year. Specifically, the report shall include for each interview or audition clinical the name of the student’s or applicant’s medical school, whether an applicant was offered and participated in an interview, whether the student was offered and participated in an audition clinical, whether the applicant was accepted for one of the residency program positions, and the total number of available residency positions filled by an applicant meeting the criteria under this section.

DIVISION XVIII
HEALTH CARRIERS — TELEHEALTH

Sec. 63. Section 514C.34, subsection 3, Code 2022, is amended to read as follows:

3. a. Health care services that are delivered by telehealth must be appropriate and delivered in accordance with applicable law and generally accepted health care practices and standards prevailing at the time the health care services are provided, including all rules adopted by the appropriate professional licensing board, pursuant to chapter 147, having oversight of the health care professional providing the health care services.

b. A health carrier shall not exclude a health care professional who provides services for mental health conditions, illnesses, injuries, or diseases and who is physically located out-of-state from participating as a provider, via telehealth, under a policy, plan, or contract offered by the health carrier in the state if all of the following requirements are met:

(1) The health care professional is licensed in this state by the appropriate professional licensing board and is able to deliver health care services for mental health conditions, illnesses, injuries, or diseases via telehealth in compliance with paragraph “a”.

(2) The health care professional is able to satisfy the same
criteria that the health carrier uses to qualify a health care professional who is located in the state, and who holds the same license as the out-of-state professional, to participate as a provider, via telehealth, under a policy, plan, or contract offered by the health carrier in the state.

Sec. 64. EFFECTIVE DATE. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

Sec. 65. APPLICABILITY. This division of this Act applies to health carriers that deliver, issue for delivery, continue, or renew a policy, contract, or plan in this state on or after the effective date of this Act.

DIVISION XIX

18 of using the investigational drug, biological product, or
19 device and a realistic description of the most likely outcome.
20 The description shall include the possibility that new,
21 unanticipated, different, or worse symptoms might result
22 and that death could be hastened by use of the proposed
23 investigational drug, biological product, or device. The
24 description shall be based on the treating physician’s
25 knowledge of the proposed investigational drug, biological
26 product, or device in conjunction with an awareness of the
27 patient’s condition.
28  Sec. 74. Section 144E.4, Code 2022, is amended by adding the
29 following new subsection:
30  NEW SUBSECTION. 5. This chapter does not create a duty
31 for a hospital licensed under chapter 135B to credential any
32 physician.
33  Sec. 75. Section 144E.8, subsection 1, Code 2022, is amended
34 to read as follows:
35  1. This chapter shall not create a private cause of
action against a manufacturer of an investigational drug,
biological product, or device, against a physician, health care

attempting to commit suicide as prohibited in section 707A.2.

Sec. 77. Section 686D.6, Code 2022, is amended to read as
follows:

686D.6 Liability of and disciplinary actions against health
care providers.
1. A health care provider shall not be liable for civil
damages or subject to disciplinary action by the health
care provider’s licensing board for causing or contributing,
directly or indirectly, to the death or injury of an individual
as a result of the health care provider’s acts or omissions
while providing or arranging health care in support of the
state’s response to COVID-19. This subsection shall apply to
all of the following:

a. Injury or death resulting from screening, assessing,
diagnosing, caring for, or treating individuals with a
suspected or confirmed case of COVID-19.

b. Prescribing, administering, or dispensing a
pharmaceutical for off-label use to treat a patient with a
suspected or confirmed case of COVID-19.

c. Acts or omissions while providing health care to
individuals unrelated to COVID-19 when those acts or omissions support the state’s response to COVID-19, including any of the following:

1. Delaying or canceling nonurgent or elective dental, medical, or surgical procedures, or altering the diagnosis or treatment of an individual in response to any federal or state statute, regulation, order, or public health guidance.

2. Diagnosing or treating patients outside the normal scope of the health care provider’s license or practice.

6. Acts or omissions undertaken by a health care provider relating to use or nonuse of personal protective equipment.

2. This section shall not relieve any person of liability for civil damages or a health care provider from disciplinary action by the health care provider’s licensing board for any act or omission which constitutes recklessness or willful misconduct.

Sec. 78. EFFECTIVE DATE. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

DIVISION XXI

HEALTH-RELATED DATA

Sec. 79. Section 11.41, subsection 3, Code 2022, is amended to read as follows:

3. If the information, records, instrumentalities, and
properties sought by the auditor of state are required by law to be kept confidential, the auditor of state shall have access to the information, records, instrumentalities, and properties, but shall maintain the confidentiality of all such information and is subject to the same penalties as the lawful custodian of the information for dissemination of the information.

However, the auditor of state shall not have access to the income tax returns of individuals or to an individual's name or residential address from a reportable disease report under section 139A.3.

Sec. 80. Section 135.166, subsection 2, Code 2022, is amended to read as follows:

2. Unless otherwise authorized or required by state or federal law, data collected under this section shall not include the social security number or name of the individual subject of the data.

Sec. 81. Section 139A.3, Code 2022, is amended by adding the following new subsection:

NEW SUBSECTION. 1A. A state or local agency employee or agent shall not have access to personally identifiable information included in a reportable disease report provided to or maintained by the department, a local board, or a local department, unless the employee or agent has completed data confidentiality training.

DIVISION XXII

PSYCHIATRY RESIDENCY PROGRAM

Sec. 82. NEW SECTION. 135.180 State-funded psychiatry residency program — fund — appropriations.

1. The university of Iowa hospitals and clinics shall administer a state-funded psychiatry residency program in cooperation with the state mental health institutes at Independence and Cherokee, the state resource centers at Glenwood and Woodward, the state training school at Eldora, and the Iowa medical and classification center at Oakdale. The university of Iowa hospitals and clinics shall expand the
H.F. 2578

1 psychiatry residency program to provide additional residency
2 positions by providing financial support for residency
3 positions which are in excess of the federal residency cap
4 established by the federal Balanced Budget Act of 1997, Pub. L.
5 No. 105-33. Participating residents shall complete a portion
6 of their psychiatry training at one of the state mental health
7 institutes, the state resource centers, the state training
8 school, or the Iowa medical and classification center at
9 Oakdale. For accreditation-required clinical experiences not
10 available at the state mental health institutes, the state
11 resource centers, the state training school, or the Iowa
12 medical and classification center at Oakdale, the psychiatry
13 residency program and its residents may utilize clinical
14 rotations at the university of Iowa hospitals and clinics and
15 its affiliates across the state.
16 2. The residency program shall provide for the awarding
17 of twelve residency positions for each class of residents.
18 Preference in the awarding of residency positions shall
19 be given to candidates who are residents of Iowa, attended
20 and earned an undergraduate degree from an Iowa college or
21 university, or attended and earned a medical degree from a
22 medical school in Iowa.
23 3. A psychiatry residency program fund is created in
24 the state treasury consisting of the moneys appropriated or
25 credited to the fund by law. Notwithstanding section 8.33,
26 moneys in the fund at the end of each fiscal year shall not
27 revert to any other fund but shall remain in the psychiatry
28 residency program fund for use in subsequent fiscal years.
29 Moneys in the fund are appropriated to the university of Iowa
30 hospitals and clinics to be used for the purposes of the
31 program. For fiscal years beginning on or after July 1, 2023,
32 there is appropriated from the general fund of the state to the
33 psychiatry residency program fund the following amounts to be
34 used for the purposes of the program:
35   a. For the fiscal year beginning July 1, 2023, one million
two hundred thousand dollars.

b. For the fiscal year beginning July 1, 2024, two million four hundred thousand dollars.

c. For the fiscal year beginning July 1, 2025, three million six hundred thousand dollars.

d. For the fiscal year beginning July 1, 2026, and each fiscal year thereafter, four million eight hundred thousand dollars.

EXPLANATION

The inclusion of this explanation does not constitute agreement with the explanation's substance by the members of the general assembly.

This bill relates to appropriations for health and human services for fiscal year (FY) 2022-2023 to the department of veterans affairs, Iowa veterans home, department on aging (IDA), office of long-term care ombudsman, department of public health (DPH), Iowa finance authority, department of human rights, and department of human services (DHS). The bill is organized into divisions for each fiscal year.

DEPARTMENT ON AGING. This division makes appropriations from the general fund of the state to the department on aging.

OFFICE OF LONG-TERM CARE OMBUDSMAN. This division makes appropriations from the general fund of the state to the office of long-term care ombudsman.

DEPARTMENT OF PUBLIC HEALTH. This division makes appropriations from the general fund of the state and from the sports wagering receipts fund to the department of public health.

DEPARTMENT OF VETERANS AFFAIRS AND IOWA VETERANS HOME. This division makes appropriations from the general fund of the state to the department of veterans affairs for administration, the Iowa veterans home, for transfer to the Iowa finance authority for the home ownership assistance program and for the county commissions of veteran affairs.

DEPARTMENT OF HUMAN SERVICES. This division makes appropriations from the general fund of the state and the
H.F. 2578

1 federal temporary assistance for needy families block
2 grant to DHS. The allocation for the family development
3 and self-sufficiency grant program is made directly to
4 the department of human rights. The reimbursement section
5 addresses reimbursement for providers reimbursed by the
6 department of human services.
7 HEALTH CARE ACCOUNTS AND FUNDS. This division makes certain
8 health-related appropriations. A number of the appropriations
9 are made for purposes of the Medicaid program in addition to
10 the general fund appropriations made for this purpose for the
11 same fiscal year.
12 DECATEGORIZATION CARRYOVER FUNDING. This division provides
13 for the transfer of carryover decategorization funds that
14 remained unencumbered or unobligated at the close of the fiscal
15 year beginning July 1, 2021, to the Medicaid program for
16 FY 2022-2023. The division takes effect upon enactment and is
17 retroactively applicable to July 1, 2021.
18 TRANSFER OF PROPERTY TAX RELIEF FUND BALANCE. This division
19 transfers any funds remaining in the property tax relief fund
20 created in Code section 426B.1 at the close of FY 2021-2022 to
21 the region incentive fund created in the mental health and
22 disability services regional service fund pursuant to Code
23 section 225C.7A. The division takes effect upon enactment.
24 PRIOR APPROPRIATIONS AND OTHER PROVISIONS. This division
25 provides that moneys appropriated for the family investment
26 program general fund, child and family services, field
27 operations, and general administration for FY 2021-2022 shall
28 not revert but shall remain available for one-time expenditure
29 or for the purposes designated, or may be transferred and used,
30 as specified, until the close of the succeeding fiscal year.
31 PUBLIC HEALTH EMERGENCY PROVISIONS COVID-19 REGULATIONS.
32 This division provides that for FY 2022-2023, notwithstanding
33 state administrative rules to the contrary, to the extent
34 federal regulations relating to the COVID-19 pandemic differ
35 from state administrative rules, including applicable federal
waivers, the federal regulations are controlling during the pendency of the federally declared state of emergency and for such period of time following the end of the federally declared state of emergency applicable to the respective federal regulations.

HEALTH AND HUMAN SERVICES REALIGNMENT. This division provides a process during a transition period beginning July 1, 2022, and ending June 30, 2023, for the realignment of the department of public health and the department of human services into the department of health and human services effective July 1, 2023.

NON-STATE GOVERNMENT-OWNED NURSING FACILITY QUALITY OF CARE RATE ADD-ON PROGRAM. This division eliminates the non-state government-owned nursing facility quality of care rate add-on program, and makes conforming changes in the Iowa Acts and the Code.

HEARING AIDS AND AUDIOLOGIC SERVICES FUNDING PROGRAM — ADMINISTRATION. This division prohibits DPH from entering into a contract with a third party to administer the hearing aids and audiologic services funding program, and requires DPH to adopt administrative rules to administer the program within the department.

HEARING AIDS AND AUDIOLOGIC SERVICES FUNDING PROGRAM. This division provides that funds that were appropriated to DPH for FY 2021-2022 for the hearing aids and audiologic services funding program that remain unencumbered or unobligated at the close of the fiscal year are not to revert, but are to remain available for the purposes designated until the close of the succeeding fiscal year. The amount that does not revert is to be reported by DPH to the general assembly. The division takes effect upon enactment.

ADMISSION OR TRANSFER — PERSONS WITH DIAGNOSIS OF INTELLECTUAL DISABILITY — STATE MENTAL HEALTH INSTITUTE. This division provides for the admission or transfer of a person with a diagnosis of an intellectual disability to a state
mental health institute, if certain prescribed conditions are met and redefines “intellectual disability” under Code section 4.1 (rules) for construction of statutes.

COLLEGES OF MEDICINE AND DENTISTRY — RESIDENCY AND REPORTING. This division requires the state board of regents to adopt a policy requiring that not less than 75 percent of the students accepted at the colleges of medicine in the doctor of medicine program and the college of dentistry at the state university of Iowa be residents of Iowa or persons who prior to applying to the college of medicine or dentistry were enrolled in a community college in Iowa, an accredited private institution in Iowa, or a regents university.

The division also requires the state university of Iowa, in collaboration with the university of Iowa hospitals and clinics (UIHC), to submit an annual report to the general assembly with information relating to the residency of graduates of the college of medicine’s doctor of medicine program and the college of dentistry during the year immediately following graduation, the states in which UIHC primary care and specialty residents reside following completion of medical residency, and whether such residents accepted fellowships along with other specifics regarding residency.

MEDICAL RESIDENCY POSITIONS AND AUDITION CLINICALS. This division requires UIHC to offer interviews and audition positions or for medical students attending a medical school in Iowa. UIHC is required to submit an annual report to the governor and the general assembly regarding the interview and audition clinicals in the prior fiscal year.

INSURANCE CARRIERS — TELEHEALTH. This division prohibits certain health carriers (carriers) from excluding certain out-of-state health care professionals (professionals) who provide services for mental health conditions, illnesses, injuries, or diseases (mental health) from participating as providers, via telehealth, under a policy, plan, or contract.
offered by the health carrier if the professional is licensed in Iowa, is able to deliver health care services for mental health via telehealth in compliance with Code chapter 514C.34, and is able to satisfy the same criteria that the carrier uses to qualify in-state professionals, who hold the same license as the out-of-state professional, as providers.

The division takes effect upon enactment and applies to carriers that deliver, issue for delivery, continue, or renew a policy, contract, or plan in this state on or after the division’s effective date.

NURSING FACILITY CONSTRUCTION OR EXPANSION RELIEF. This division relates to nursing facility construction or expansion under Code chapter 249K (nursing facility construction or expansion). The Code chapter provides a mechanism to support the appropriate number of nursing facility beds for the state and to financially assist nursing facilities in remaining compliant with applicable regulations.

The bill provides that in order to be eligible for rate relief and exceptions under the Code chapter, a nursing facility’s major renovation value threshold is reduced from $1.5 million to $750,000, includes, as an additional criterion that a nursing facility requesting relief or an exception is proposing, replacement or enhancement of an HVAC system for improved infection control, and directs DHS to adopt or amend administrative rules to administer the program.

EXPERIMENTAL TREATMENTS. This division expands the scope of provisions relating to experimental treatments for terminally ill persons.

The division expands the definition of "eligible patient" to include a person who is receiving mechanical ventilation to prolong life, and the definition of an "investigational drug, biological product, or device" to include the off-label use of a drug as defined in the division.

The division replaces the current required involvement of the patient’s physician or the patient’s treating physician.
H.F. 2578

1 to instead require involvement from a physician or a treating
2 physician to fulfill certain duties. The division expands
3 protections relating to a private cause of action for certain
4 persons complying in good faith with and exercising reasonable
5 care and includes other facility and licensure-related
6 protections.
7 The division takes effect upon enactment.
8 HEALTH-RELATED DATA. This division relates to
9 health-related data protections.
10 The division provides that the auditor of state shall not
11 have access to an individual's name or residential address from
12 a reportable disease report.
13 The division includes provisions related to health
14 data collected and used by the department of public health
15 (DPH). Current law directs DPH to enter into a memorandum of
16 understanding with a contractor selected through a request
17 for proposals process to collect, maintain, and disseminate
18 hospital inpatient, outpatient, and ambulatory data. Current
19 law also provides that unless otherwise authorized by state or
20 federal law, the data collected shall not include the social
21 security number of the individual subject of the data. Under
22 the division, data prohibited from collection would also
23 include the name of the individual subject of the data.
24 The division also prohibits a state or local agency employee
25 or agent from having access to personally identifiable
26 information included in a reportable disease report provided
27 to or maintained by DPH, a local board of health, or a local
28 public health department, unless the employee or agent has
29 completed data confidentiality training.
30 PSYCHIATRY RESIDENCY PROGRAM. This division requires the
31 university of Iowa hospitals and clinics (UIHC) to administer
32 a state-funded psychiatry residency program in cooperation
33 with the state mental health institutes at Independence
34 and Cherokee, the state resource centers at Glenwood and
35 Woodward, the state training school at Eldora, and the Iowa
medical and classification center at Oakdale. The UIHC shall expand the psychiatry residency program to provide additional residency positions in excess of those approved under the federal residency cap. Participating residents shall complete a portion of their psychiatry training at one of the state institutions specified. However, if accreditation-required clinical experiences are not available at one of the state institutions, the program and residents may utilize clinical rotations at the UIHC or its affiliates across the state. The program shall award 12 residency positions for each class of residents and preference in the awarding of residency positions shall be given to certain candidates.

The division creates a psychiatry residency program fund in the state treasury consisting of the moneys appropriated or credited to the fund by law. Moneys in the fund at the end of each fiscal year shall not revert but shall remain in the fund for use in subsequent fiscal years. Moneys in the fund are appropriated to the UIHC to be used for the purposes of the program. The division makes appropriations for the fiscal years beginning July 1, 2023, and thereafter.
