33 The department may adopt rules pursuant to chapter 17A setting
34 forth qualification requirements for persons applying for a
35 servicer's license, including an examination.

1 establishment include the applicant's identification number,
2 which may be a tax identification number. It also requires a
3 person applying for a state license to present DALs with a form
4 of identification (Code section 162.2A).

5 VETERINARY PRACTICE. The bill provides for the
6 certification of veterinary assistants by the board of
7 veterinary medicine functioning within DALs. Currently,
8 a certificate does not expire. The bill provides that a
9 certificate expires each three-year period (a triennium) and
10 is subject to renewal (Code section 169.20). A veterinary
11 assistant required to be certified is a person employed by a
12 licensed veterinarian to perform certain duties while acting
13 under the veterinarian's direct supervision (Code section
14 169.3(12) and 811 IAC ch. 8).

15 SUBTITLE 4 — LOCAL FARM PRODUCE PROGRAM. The bill creates
16 a local farm produce program to assist schools and school
17 districts purchasing fresh farm produce directly from farmers
18 or distributors of fresh farm produce (Code chapter 190A).
19 DALs may reimburse a school or school district for expenditures
20 on such products to the extent moneys are available to support
21 the program. The available moneys would be allocated during
22 the school year on a matching basis, subject to a \$1,000 cap.
23 The bill also creates a local farm produce fund to support the
24 program.

25 FERTILIZERS AND SOIL CONDITIONERS. The bill authorizes DALs
26 to adopt rules regulating the design, construction, location,
27 installation, and operation of equipment associated with
28 the use of fertilizers and soil conditioners (Code sections
29 200.3 and 200.14). Current law allows DALs to adopt such
30 rules regulating anhydrous ammonia equipment. The bill also
31 eliminates a requirement that such rules be in conformity with
32 the published standards of the agricultural ammonia institute.
33 A person violating such rules is guilty of a simple misdemeanor
34 (Code section 200.18).

35 WEIGHTS AND MEASURES (GENERAL). The bill amends a number

1 of provisions regulating weights and measures, including the
2 inspection of associated devices. The bill reduces the fee
3 for the inspection of motor fuel pumps from \$9 to \$4.50 (the
4 same amount due under current law if the inspection fee is paid
5 early) (Code section 214.3). The bill no longer requires that
6 DALs deliver a late payment notice to an owner or operator of
7 a device by certified mail (Code section 214.4). The bill
8 eliminates a requirement that a weighmaster (a person who keeps
9 and uses a device as part of a business) must take an oath (Code
10 sections 214.1 and 214.6).

11 WEIGHTS AND MEASURES (MOTOR FUEL). The bill revises
12 requirements for the labeling of kerosene (Code section
13 214A.2A). The bill also repeals a provision prohibiting a
14 person from placing gasoline into a receptacle, unless the
15 receptacle states a warning (Code section 214A.15).

16 WEIGHTS AND MEASURES (INSPECTIONS). The bill provides that
17 DALs may but is no longer required to charge a license fee for
18 a device that has been taken out of service due to a repair
19 and reinspected (Code section 215.4). The bill allows DALs
20 to make an exception in a case where a commercial transaction
21 involves a small package, and the person would otherwise be
22 guilty of a simple misdemeanor because the person stated
23 a false weight or measure (Code section 215.7). The bill
24 provides for the regulation of a servicer (a person employed
25 to install, service, or repair a device), by eliminating
26 an examination requirement and allowing DALs to require
27 qualification standards which may include an examination
28 (Code sections 215.1 and 215.23). The bill provides for a
29 two-year rather than annual servicer license and allows DALs to
30 establish the license fee. The annual license fee is currently
31 \$5. The bill eliminates a provision that allows DALs to charge
32 a complaining party an inspection fee, if the complaint was
33 unfounded (Code section 215.3). The bill repeals a provision
34 that authorizes DALs to establish reasonable variances in the
35 weighing and measuring of small packages (Code section 215.8).

H.F. 482

1 That qualification is incorporated in the amendments to the
2 provision regulating small package transactions (Code section
3 215.7).

4 CRIMINAL PENALTIES. A simple misdemeanor is punishable by
5 confinement for no more than 30 days or a fine of at least \$105
6 but not more than \$855 or by both.
