EXPLANATION

34 The inclusion of this explanation does not constitute agreement with  
35 the explanation's substance by the members of the general assembly.

1 This bill relates to governmental ethics by prohibiting  
2 state regulatory agency officials and employees from selling  
3 or leasing real estate to persons subject to the agency's  
4 regulatory authority unless certain conditions are met.

5 Under current law, officials and employees of state  
6 regulatory agencies are prohibited from selling or leasing  
7 goods or services to individuals, associations, or corporations  
8 subject to the agency authority of which the person is an  
9 official or employee. However, this prohibition does not apply  
10 if consent for such sale or lease is obtained from the agency  
11 consistent with rules adopted by the Iowa ethics and campaign  
12 disclosure board; if the official's or employee's agency duties  
13 are not related to the regulatory authority of the agency over  
14 the individual, association, or corporation; if the selling or  
15 leasing of the goods or services does not include advocacy on  
16 behalf of the individual, association, or corporation to the  
17 agency; and if the selling or leasing of the goods or services  
18 does not cause the official or employee to sell or lease  
19 goods or services to the agency on behalf of the individual,  
20 association, or corporation. The bill extends this prohibition  
21 and the exception to the sale or lease of real estate.

22 A person who knowingly and intentionally violates the bill  
23 is guilty of a serious misdemeanor and may be reprimanded,  
24 suspended, or dismissed from the person's position or otherwise  
25 sanctioned. A serious misdemeanor is punishable by confinement  
26 for no more than one year and a fine of at least \$430 but not  
27 more than \$2,560.
